This brochure provides information about the qualifications and business practices of Hillspring Financial, Inc. If you have any questions about the contents of this brochure, please contact-us at 623.583.6141 or info@hillspringfinancial.com. The information in this brochure has not been approved or verified by the United States Securities Exchange Commission or by any state securities authority. Registration of an Investment Adviser does not imply any level of skill or training.

Additional information about Hillspring Financial, Inc. is also available on the SEC's website at www.adviserinfo.sec.gov.

ITEM 2 – MATERIAL CHANGES

Annual Update

The purpose of this page is to inform you of any material changes since the last update of our Firm Brochure. If you are receiving this Firm Brochure for the first time, this section may not be relevant to you.

Hillspring Financial, Inc. (“HFI,” “we,” “firm,” “our,” or “us”) reviews and updates our Firm Brochure at least annually to confirm that it remains current.

The following are changes since the last annual update to our Firm Brochure on April 30, 2020.

Item 15 – Per California Code of Regulations section 260.237, clients residing in California will also receive an invoice from HFI including the formula used, value of the assets under management on which the fee is based and the time period covered by the fee.

Full Brochure Available

The full brochure is available upon request by phone at 623.583.6141 or by emailing info@hillspringfinancial.com.

ITEM 4 – ADVISORY BUSINESS

Firm Description and Principal Owner

As of November 15, 2017, Kent G Forsey, CFP® is the principal owner of Hillspring Financial, Inc. While ownership and firm name have changed, Hillspring Financial, Inc. (“HFI”) has proudly been serving clients since 1983 with Kent G Forsey, CFP® as President since August 18, 2011.

HFI provides personalized confidential financial planning and investment management to individuals, pension and profit-sharing plans, trusts, estates, and small business. Advice is provided through consultation with the client and may include determination of financial objectives, identification of financial problems, cash flow management, tax planning, insurance review, investment management, education funding, retirement planning, and estate planning.

HFI is a fee-based financial planning and investment management firm.

Investment advice is provided with the client making the final decision on investment selection. HFI does not act as a custodian of client assets; the client always maintains asset control. HFI places trades for clients under a limited power of attorney.

A written evaluation of client’s initial situation may be provided to the client, as appropriate. Periodic reviews are also communicated to provide reminders of the specific courses of action that need to be taken. More frequent reviews occur as appropriate for the client’s situation.

Other professionals (e.g., lawyers, accountants, insurance agents, etc.) are engaged directly by the client on an as needed basis. Conflicts of interest will be disclosed to the client in the unlikely event they should occur.

The initial meeting is free of charge and is considered an exploratory interview to determine the extent to which financial planning and investment management may be beneficial to the client.

Types of Advisory Services

Hillspring Financial, Inc. does not offer advice on commodity futures, security futures, coin offerings or cryptocurrency.

Financial Planning Services

HFI furnishes advice to clients on matters not involving securities such as, but not limited to, financial planning matters, taxation issues, and estate planning. The client is under no obligation to act upon the investment adviser’s recommendation. If the client elects to act on any of the recommendations, the client is under no obligation to proceed with the transaction through the investment adviser.

HFI provides asset management services, furnishes investment advice through consultations and issues economic updates via email, generally on a quarterly basis. HFI may prepare a proposal for new or existing clients that may include charts, graphs, formulas, or other devices which clients may use to evaluate securities.

Investment Management Services

Initial public offerings (IPOs) are not available through HFI.

Investment management services will be provided according to the HFI PAM Program, the AM Program, the PFG program, the FTJ program and/or the Retirement Plan Services as described below.

The custodian will provide account statements directly to the client.

The client is responsible to notify HFI of any material change in their goals or circumstances so that appropriate changes may be made regarding the management of their account(s).

Clients may have multiple accounts that are managed differently from one another for the purpose of diversification of investment style, maximization of tax benefits or to meet other stated goals.

While we seek to produce consistent returns in all market environments, investment performance will vary as past performance is not a guarantee of future results.

HFI PAM Program

The HFI Private Asset Management (PAM) program provides investment advisory services and execution of client transactions for which the specified fee (or fees) is not based directly upon transactions in a client's account. Under the PAM program, HFI will assist the client in the establishment of an account with a custodian for individual securities, exchange traded funds (ETFs) or mutual funds.

HFI's investment advisor representatives will implement the trades for client accounts under a limited power of attorney. All brokerage transactions in the account will be processed by the custodian or the insurance company. HFI has entered into agreements with TD Ameritrade to act as custodian of client individual securities, ETFs, and mutual funds.

HFI will not act as custodian for any account. The custody of all funds and securities will be maintained by outside custodians.

HFI does not sell variable annuity products. Should a need arise for a client to invest in a variable annuity, HFI will assist the client in selecting an appropriate no load variable annuity product for their needs. No commissions or set up fees will be involved. Once the annuity is in place, the same advisory fees will apply to manage the subaccounts.

The PAM program may be canceled at any time, by any of the parties involved, for any reason upon written notice. Upon termination of an account, any prepaid, unearned fees will be promptly refunded.

HFI typically chooses funds and ETFs with no transaction fees within the PAM program. These funds may have a 60-90 day holding requirement. In the event of client directed liquidation within this holding requirement timeframe the account may incur Contingent Deferred Sales Charges (CDSC) by the fund company that will be paid by the client, deducted from the transaction as applicable. HFI does not receive any portion of CDSC paid to the fund company.

AM Program

The AM program is a wrap-fee program sponsored by AssetMark, Inc. a registered investment advisor with HFI serving as the portfolio manager. AssetMark, Inc. is more fully described in the program disclosure statement incorporated herein as ADV Appendix 1 (AssetMark). -Please refer to this document for important details of how this program works.

PFG Program

Pacific Financial Group (PFG), a registered investment adviser, serves as a third-party investment manager for accounts in the PFG program. This is not a wrap fee program.

To help meet the needs of independent advisers and their clients, PFG provides access to a number of different institutional money managers through a platform that integrates a proprietary risk analyzer

(RiskPro) tool to assist in investment making decisions. They are more fully described in the program disclosure statement incorporated herein as ADV Appendix 2 (The Pacific Financial Group). Please refer to this document for important details of how this program works.

Retirement Plan Services

HFI provides investment advice to plan sponsors and participants involved in retirement plans.

Establishing or Reviewing Retirement Plans:

HFI will work directly with outside retirement plan providers, custodians, and third-party administrators (TPAs) as needed in assisting plan sponsors to establish an appropriate retirement plan or review an existing retirement plan. This service will include the suitability of the investment choices contained within the retirement plan. Though HFI will make every effort to recommend suitable retirement plan providers, custodians and/or TPAs, HFI does not assume responsibility for their work.

Investment Advice:

Once a retirement plan has been established, HFI will meet with plan sponsor and employee groups on a periodic basis as desired by the plan sponsor to provide education, encourage participation and offer investment advice as requested by the plan sponsor or participants.

Tailoring of Advisory Services

Our firm offers individualized investment advice to our Investment Management clients. General investment advice will be offered to our Financial Planning and Retirement Plan clients.

Each Investment Management client has the opportunity to place reasonable restrictions on the types of investments to be held in the portfolio. Restrictions on investments in certain securities or types of securities may not be possible due to the level of difficulty this would entail in managing the account.

Participation in Wrap Fee Programs

Our firm offers wrap fee programs as further described above and in Part 2A Appendix 1, 2 and 3. Our firm does not manage wrap fee accounts in a different fashion than non-wrap fee accounts. All accounts are managed on an individualized basis according to the client's investment objectives, financial goals, risk tolerance, etc. As portfolio manager HFI receives a portion of the wrapped fee for our services.

Regulatory Assets Under Management

As of March 30, 2020, HFI manages approximately \$58,925,000 in assets of which all are discretionary.

ITEM 5 – FEES AND COMPENSATION

HFI does not receive compensation in any form from fund companies. All fees discussed below are negotiable on under unusual circumstances. All contracts and agreements may be terminated at any time by either party upon written notice.

Total fees charged by HFI, its Programs and Third Parties will not exceed 3% of assets under management per year. Lower fees for comparable services may be available from other sources.

Financial Planning and Consulting Services

Initial consultations for new clients are conducted with no charge. If additional financial planning or consultation is desired, these services are provided at a rate of \$195/hr. Fees may be billed partially or fully payable in advance, with the balance payable upon delivery of the plan. Fees are negotiable depending upon the services offered by the advisor as well as the complexity and the depth of analysis needed. A typical Financial Plan will cost between \$295 - \$3,000.

After the initial financial planning process, clients who wish to retain our services on an ongoing basis for the investment management portion of their plan will receive a 50% rebate on financial planning services.

Because HFI offers both planning and implementation, there may exist a conflict of interest because there is an incentive to present a plan that recommends investment in our managed accounts or in some other investment for which we may receive compensation. This potential conflict is lessened by the fact that clients are under no obligation to implement any of our recommendations, including the investment of monies, in accounts that we manage.

Investment Management Services

HFI charges a fee for providing investment management services. These services include investment consulting, portfolio design, monitoring, trade execution, allocation, investment supervision and other account management activities. Fees are assessed on all assets under management, including securities, cash, and money market funds.

The custodian may charge custodial fees, redemption fees, retirement plan fees and other administrative fees. Additionally, the custodian may charge ticket charges/commissions for trade executions. Please refer to Item 12 for more information on brokerage practices. HFI does not share in these fees and seeks to minimize them wherever possible.

HFI does not transact business for commissions and therefore does not have a conflict of interest with regards to commissionable products.

Holding Accounts

In certain situations, it becomes advantageous to the client to hold assets that are not actively managed in a custodial account at TD Ameritrade. There is no performance reporting for holding accounts. Fees for servicing this type of account will be as negotiated in advance, charged quarterly and collected in arrears at an annual rate ranging from 0% - 1%. Fees are deducted directly from the account by the custodian and paid to HFI.

Outside Accounts Held and Managed by Client

Accounts managed by Client will be held in Client's name at a custodian of their choice. Advisor will provide allocation and other investment advice as applicable and as Client requests. Advisor is not responsible for implementation of advice, trading, or performance of Outside Accounts. Fees for such advice will be as negotiated in advance ranging from \$35 - \$300 and billed to the client at the time of service.

PAM Program

The annual advisory fee charged for this service is typically 1.1% charged on a quarterly basis in arrears based on the account value at the end of the prior quarter. Fees can be negotiated on an individual basis based on the client's holdings within the specific account as well as other accounts they may have under our management. Fees are deducted directly from the account by the custodian and then paid to HFI.

AM Program

The annual management fee inclusive of the advisory, platform and custodial fees charged for this service ranges from .85% to 1.65% depending on the underlying strategist used, the size of the account and the active management required, this is the combined fee for AM program and HFI. Fees will be ~~will be~~ deducted from the account quarterly in advance by AssetMark with applicable advisory fees paid to HFI.

At the time in which a Client account is first opened and funded and any time an additional deposit of \$10,000 or more is received, the initial Advisor Fees shall be calculated based on the value of the deposit, prorated for the number of days remaining in the quarter charged in the month of receipt.

PFG Program

The annual advisory fee charged for this service ranges from .95% to 1.45% depending on the underlying strategist used, the size of the account and the active management required. This fee includes .35% fees collected by PFG program and fees paid to HFI. Fees will be deducted from the account quarterly in advance by Pacific Financial Group with applicable advisory fees paid to HFI.

At the time in which a Client account is first opened and funded and any time an additional deposit of \$10,000 or more is received, the initial Advisor Fees shall be calculated based on the value of the deposit, prorated for the number of days remaining in the quarter charged in the month of receipt.

Below is the HFI fee schedule for the AM and PFG Programs, prior to any applicable platform and/or custodial fees:

<u>Assets Valued At</u>	<u>Annualized Fee</u>
Less than \$250,000	1.10%
\$250,000 - \$500,000	1.05%
\$500,000 - \$1,000,000	0.95%
\$1,000,000 - \$2,000,000	0.80%
Above \$2,000,000	0.65%

Retirement Plan Services

The annual 401(k) advisory fee is 0.20% to 1.1% depending on the size of the plan assets. Advisor fee is collected by the plan custodian and paid to the advisor in advance quarterly per the plan documents.

Other Types of Fees and Expenses

Non-wrap fee clients may incur transaction charges for trades executed in their accounts. These transaction fees are separate from our firm's advisory fees and will be disclosed by the chosen custodian. Clients may also pay charges imposed directly by a mutual fund, index fund, or exchange traded fund, which shall be disclosed in the fund's prospectus (i.e., fund management fees, initial or deferred sales charges, mutual fund sales loads, 12b-1 fees, surrender charges, variable annuity fees, IRA and qualified retirement plan fees, and other expenses). Our firm does not receive a portion of these fees.

Wrap fee clients will not incur transaction costs for trades. More information about this can be found in our separate Wrap Fee Program Brochure.

Termination and Refunds

Either party may terminate the agreement signed with our firm in writing at any time. Upon notice of termination our firm will process a pro-rata refund of the unearned portion of the advisory fees charged in advance at the beginning of the quarter or charge a pro-rate portion for services rendered up to the point of termination.

Financial Planning and Consulting clients may terminate their agreement at any time before the delivery of a financial plan by providing written notice. For purposes of calculating refunds, all work performed by us up to the point of termination shall be calculated at the hourly fee currently in effect for the time and effort expended by our firm.

Termination and refunds for Retirement Planning Services will be consistent with the terms of the specific plan documents as agreed by the plan provider and administrator.

Compensation for the Sale of Securities or Other Investment Products

Kent G Forsey, upon request and when in the best interest of the client, may occasionally sell the products of various insurance companies for which a commission can be earned. Clients should be aware

that the practice of accepting commissions for the sale of securities presents a conflict of interest and gives our firm and/or our representatives an incentive to recommend investment products based on the compensation received. Our firm generally addresses commissionable sales conflicts that arise when explaining to clients these sales create an incentive to recommend based on the compensation to be earned and/or when recommending commissionable mutual funds, explaining that “no-load” funds are also available. Our firm does not prohibit clients from purchasing recommended investment products through other unaffiliated brokers or agents.

ITEM 6 – PERFORMANCE BASED FEES AND SIDE-BY-SIDE MANAGEMENT

HFI does not use a performance-based fee structure because of the potential conflict of interest. Fees are not based on a share of capital gains or capital appreciation of managed securities. Our fees are based on the assets under management as previously explained under Item 5 – Fees and Compensation.

ITEM 7 – TYPES OF CLIENTS

HFI generally provides investment advice to individuals, pension and profit-sharing plans, trusts, estates, corporations, or business entities. Client relationships vary in scope and length of service.

Our minimum household account size is \$100,000. HFI has the discretion to waive account minimums when the client and adviser anticipate the client will add additional funds to bring the total to the minimum within a reasonable time. Other exceptions may apply to employees of HFI and their relatives, or relatives of existing clients.

In the event that the balance of such account is below \$50,000 due to withdrawals or inadequate capitalization by the Client, Advisor reserves the right to remove an account from any management strategy.

ITEM 8 – METHODS OF ANALYSIS, INVESTMENT STRATEGIES AND RISK OF LOSS

Security analysis methods may include fundamental analysis and technical analysis. The main sources of information include financial reporting services, research materials prepared by others, corporate ratings services, annual reports, and prospectuses.

The investment strategy for a specific client is based upon the objectives stated by the client during consultations. The client may change these objectives at any time. HFI completes a Client Profile Relationship Form with the client at the initial consultation and includes in each review to determine whether any changes need to be made to the investment strategy. We analyze the client’s financial situation – goals, resources, timeframes, liquidity needs, need for income or growth, risk tolerance, tax circumstances, etc. in order to determine what combination of portfolio strategies might best produce the desired return with the least amount of risk. Exchange traded funds, mutual funds or individual securities may be used.

All investing strategies we offer involve risk and may result in a loss of your original investment which you should be prepared to bear. Many of these risks apply equally to stocks, bonds, commodities and any other investment or security. Material risks associated with our investment strategies are listed below.

Market Risk: Market risk involves the possibility that an investment’s current market value will fall because of a general market decline, reducing the value of the investment regardless of the success of the issuer’s operations or its financial condition.

Strategy Risk: The Adviser’s investment strategies and/or investment techniques may not work as intended.

Small and Medium Cap Company Risk: Securities of companies with small and medium market capitalizations are often more volatile and less liquid than investments in larger companies. Small and medium cap companies may face a greater risk of business failure, which could increase the volatility of the client's portfolio.

Interest Rate Risk: Bond (fixed income) prices generally fall when interest rates rise, and the value may fall below par value or the principal investment. The opposite is also generally true: bond prices generally rise when interest rates fall. In general, fixed income securities with longer maturities are more sensitive to these price changes. Most other investments are also sensitive to the level and direction of interest rates.

Legal or Legislative Risk: Legislative changes or Court rulings may impact the value of investments, or the securities' claim on the issuer's assets and finances.

Inflation: Inflation may erode the buying-power of your investment portfolio, even if the dollar value of your investments remains the same.

Apart from the general risks outlined above which apply to all types of investments, specific securities may have other risks.

Common stocks may go up and down in price quite dramatically, and in the event of an issuer's bankruptcy or restructuring could lose all value. A slower-growth or recessionary economic environment could have an adverse effect on the price of all stocks.

Corporate Bonds are debt securities to borrow money. Generally, issuers pay investors periodic interest and repay the amount borrowed either periodically during the life of the security and/or at maturity. Alternatively, investors can purchase other debt securities, such as zero-coupon bonds, which do not pay current interest, but rather are priced at a discount from their face values and their values accrete over time to face value at maturity. The market prices of debt securities fluctuate depending on such factors as interest rates, credit quality, and maturity. In general, market prices of debt securities decline when interest rates rise and increase when interest rates fall. The longer the time to a bond's maturity, the greater its interest rate risk.

Municipal Bonds are debt obligations generally issued to obtain funds for various public purposes, including the construction of public facilities. Municipal bonds pay a lower rate of return than most other types of bonds. However, because of a municipal bond's tax-favored status, investors should compare the relative after-tax return to the after-tax return of other bonds, depending on the investor's tax bracket. Investing in municipal bonds carries the same general risks as investing in bonds in general. Those risks include interest rate risk, reinvestment risk, inflation risk, market risk, call or redemption risk, credit risk, and liquidity and valuation risk.

Exchange Traded Funds prices may vary significantly from the Net Asset Value due to market conditions. Certain Exchange Traded Funds may not track underlying benchmarks as expected.

Investment Companies Risk. When a client invests in open end mutual funds or ETFs, the client indirectly bears its proportionate share of any fees and expenses payable directly by those funds. Therefore, the client will incur higher expenses, many of which may be duplicative. In addition, the client's overall portfolio may be affected by losses of an underlying fund and the level of risk arising from the investment practices of an underlying fund (such as the use of derivatives). ETFs are also subject to the following risks: (i) an ETF's shares may trade at a market price that is above or below their net asset value; (ii) the ETF may employ an investment strategy that utilizes high leverage ratios; or (iii) trading of an ETF's shares may be halted if the listing exchange's officials deem such action appropriate, the shares are de-listed from the exchange, or the activation of market-wide "circuit breakers" (which are tied to large decreases in stock prices) halts stock trading generally. The Adviser has no control over the risks taken by the underlying funds in which clients invest.

Investing in securities is inherently risky. All investment programs involve risk of loss that clients should be prepared to bear. Our investment approach constantly keeps the risk of loss in mind and seeks to identify and mitigate the risks that we perceive are most likely. There can be no assurance that our strategies will work. Past performance does not guarantee future results and loss of principal is possible.

ITEM 9 – DISCIPLINARY INFORMATION

HFI and its employees have not been involved in legal or disciplinary events related to past or present investment clients.

ITEM 10 – OTHER FINANCIAL INDUSTRY ACTIVITIES AND AFFILIATIONS

Neither HFI or any of its employees is registered or applying for registration with a broker-dealer, future commission merchant, commodity pool operator, a commodity trading advisor, or an associated person of the foregoing entities.

HFI will use the support services of AssetMark, Inc. and The Pacific Financial Group, registered investment advisors, when managing client assets. We provide portfolio manager services for a wrap fee program sponsored by AssetMark. When in their best interest, we refer clients to third party investment manager PFG, a third-party investment manager. When doing so, these registered investment advisors will receive a portion of the fees charged to the client. Prior to selecting any third-party investment advisors, HFI takes great care to ensure that they are properly licensed and accredited. HFI does not receive compensation directly or indirectly from any other advisor.

Kent G Forsey is a licensed insurance agent. As a result of these transactions, they may receive normal and customary commissions. A conflict of interest exists as these commissionable securities sales create an incentive to recommend products based on the compensation earned. To mitigate this potential conflict, our firm will only recommend products that are in the best interest of the client.

Kent G Forsey, CFP®, President of HFI, is also independently licensed in Arizona and Utah to sell insurance products through various insurance companies. When acting in this capacity Kent may receive commissions for selling these products. As this is a potential conflict of interest Mr. Forsey, will only recommend products that are in the best interest of the client and will disclose expected and earned commissions to the purchasing client prior to sale. Less than 1% of his work week is spent on this activity.

ITEM 11 – CODE OF ETHICS, INTEREST IN CLIENT TRANSACTIONS & PERSONAL TRADING

HFI maintains a Code of Ethics based on ethical conduct and fundamental principles of good faith, fair dealing, integrity, honesty, and full and fair disclosure as summarized below. HFI representatives acknowledge in writing that they will follow this Code of Ethics. We will provide a copy of the Code of Ethics to any client or prospective client upon request.

In summary, HFI's Code of Ethics:

- 1) Requires full and fair disclosure of all material elements of the investment advisory relationship with the client;
- 2) Requires compliance with certain policies on personal securities trading, which, in general
 - a. Prohibit an advisor from trading a security before a client; and
 - b. Requires an employee to disclose all personal securities accounts to HFI for review to ensure there are no potential conflicts of interest;
- 3) Prohibits an advisor from acting on or distributing material, nonpublic information;
- 4) Prohibits an advisor from participating in an initial public offering without prior written approval from HFI's CCO.

Personal investment transactions of our representatives are to be carried out in adherence with our Code of Ethics and in a way that does not endanger the interest of any client. At the same time, our firm believes that if investment goals are similar for clients and our representatives it is logical that there may be common ownership of some securities.

In order to prevent conflicts of interest, our firm has established procedures for transactions effected by our representatives for accounts in their name or other members of their household including those accounts for which our associate is a trustee or executor. In order to monitor compliance with our personal trading policy representative and employees of HFI complete a securities transaction report quarterly.

Neither HFI nor a related person recommends, buys, or sells for client accounts, securities in which our firm or a related person has a material financial interest.

Related persons of HFI may buy or sell securities and other investments that are also recommended to clients. In order to minimize this conflict of interest, our related persons will place client interests ahead of their own interests and adhere to our firm's Code of Ethics, a copy of which is available upon request.

Likewise, related persons of our firm may buy or sell securities at or about the same time they buy or sell the same securities for client accounts. In order to minimize this conflict of interest, our related persons will place client interests ahead of their own interests and adhere to our Code of Ethics. Further, our related persons will refrain from buying or selling the same securities prior to buying or selling for our clients in the same day. If related persons' accounts are included in a block trade, our related persons will always trade personal accounts last.

ITEM 12 – BROKERAGE PRACTICES

HFI does not have custody of the assets we manage or advise on behalf of our clients (see Item 15 – Custody for further information). Specific custodian recommendations are made to clients based on their needs for such services. HFI recommends custodians based on the proven integrity and financial responsibility of the respective company and the best execution of orders at reasonable trading cost rates.

All accounts managed in-house for a fee at TD Ameritrade Institutional use mutual funds and exchange traded funds (ETFs). TD Ameritrade has a significant list of mutual funds that can be traded without commissions or transaction fees. It is the policy of HFI to use no-transaction-fee (NTF) funds whenever feasible.

The balance of the managed accounts is also held at TD Ameritrade Institutional. These accounts are administered by AssetMark, Inc or The Pacific Financial Group, Inc., third-party asset management companies. Prior to engaging with any third-party asset management company HFI ensures that they are properly licensed. At this point all accounts are made up of mutual funds and ETFs. The clients are not charged a trading fee for mutual fund or ETF transactions. These costs are covered by a quarterly custodial fee. This fee is disclosed in writing before opening the account. HFI does not receive any portion of the trading fees.

As an independent registered investment advisor (RIA) we are free to use or recommend any third-party asset manager or broker/dealer we feel is in the best interest of our client. We do not receive any referrals from these third parties that could create a conflict of interest.

HFI does not participate in soft dollar arrangements.

Neither we nor any of our firm's related persons exercise authority in making the determination of the brokers with whom orders for the purchase or sale of securities are placed for execution, and the commission rates at which such securities transactions are affected. We routinely recommend that clients direct us to execute through TD Ameritrade Institutional. Clients may direct brokerage outside our recommendation. However, we may be unable to achieve the most favorable execution of client transactions. Client directed brokerage may cost clients more money. For example, in a directed brokerage account, the client may pay higher brokerage commissions because you may not be able to aggregate orders to reduce transaction costs, or the client may receive less favorable prices. Not all advisors require their clients to direct brokerage.

Our client accounts are invested in mutual funds and ETFs that have no transaction fees making aggregate orders unnecessary. In the future, if we were to invest in stocks or other funds with transactional fees, we would aggregate the purchase or sale of securities with the objective being to allocate the executions in a manner deemed equitable to the accounts involved. Aggregate orders will only be affected when doing so will be in the best interest of the effected accounts taking into considerations client objectives, current asset allocation and availability of funds using price averaging, proration, and consistently non-arbitrary methods of allocation.

ITEM 13 – REVIEW OF ACCOUNTS

Kent G Forsey, CFP®, will review all investment advisory accounts under fee-based management as often as necessary to take into consideration current and projected market changes. At a minimum, accounts will be reviewed once per year, but are generally performed on a quarterly basis.

Other conditions that may trigger a review are changes in the tax law, new investment information, and changes in a client's own situation.

The matters reviewed will include past performance, projected trends, current financial status, and the estimated impact from the current and projected market changes. Unless the client is under a fee arrangement no review will be made unless agreed upon in writing. All investment advisory clients are advised that it remains their responsibility to advise HFI of any major life changes or changes in their overall investment goals. All clients are encouraged to comprehensively review personal or plan objectives, investment objectives, investment policy and performance with HFI on at least an annual basis.

Clients participating in the PAM Program will not receive written performance reports. However, they will (at their request) have access to an active website which will maintain up-to-date current and historical account values.

Clients will receive monthly statements from the custodian in either digital or paper format, as directed. In addition, online viewing of investment activity, and performance is available through various websites as offered by the custodian, third party investment manager and the eWealth Management System.

ITEM 14 – CLIENT REFERRALS AND OTHER COMPENSATIONS

HFI has been fortunate to receive many client referrals over the years. Referrals come from current clients, estate planning attorneys, accountants, employees, personal relationships of employees and other similar sources. The firm does not compensate referring parties for these referrals.

HFI does not accept referral fees or any form of remuneration from other professionals when a prospect or client is referred to them.

ITEM 15 – CUSTODY

HFI does not maintain custody of client accounts or assets. Under written authorization from the client on a Limited Power of Attorney Form or a third-party account application we direct the custodian to deduct applicable management fees from the account to be paid to HFI. We send the qualified custodian an invoice of the amount of the fee to be deducted from the client's account. In addition to account statements disclosing fees provided to all clients, per California Code of Regulations section 260.237, clients residing in California will also receive an invoice from HFI including the formula used, value of the assets under management on which the fee is based and the time period covered by the fee.

Account statements are provided by the qualified custodian to the client's address of record or electronically at least quarterly.

Additionally, clients participating in the AM or PFG Programs may receive quarterly performance reports from the third-party investment manager upon request. HFI provides net worth statements and graphs to clients in reviews and as requested. Net worth statements may contain approximations of bank account balances provided by the client, as well as the value of land and hard-to-price real estate. The net worth statements are used for long-term financial planning where the exact values are not material to the financial planning tasks.

ITEM 16 – INVESTMENT DISCRETION

HFI accepts limited discretionary authority to managed investment accounts on behalf of our clients. Clients enter into this agreement by signing a Limited Power of Attorney document or account application furnished by the third-party custodian that grants certain defined permissions to our firm. These permissions include authorization to trade, deduct fee payments and access historical account information. Occasionally these permissions might also include authorization to make disbursement to banks or other financial institutions as well as directly to the client. A client may revoke these authorizations at any time by contacting us or the custodian.

In regard to company sponsored retirement plans, employees have the option to call and discuss their individual needs and risk profiles as they self-direct their investment decisions within these plans.

ITEM 17 – VOTING CLIENT SECURITIES

HFI does not vote client proxies. Clients will receive proxy material directly from the custodian holding the client's account. Under circumstances where HFI receives proxy material on behalf of a client involving any security held in the client's account, HFI will promptly forward such material to the client's attention. It is the client's responsibility to vote his/her proxy(ies).

ITEM 18 – FINANCIAL INFORMATION

HFI does not have any financial impairment that will preclude the firm from meeting contractual commitments to clients. Neither HFI nor its advisors have been the subject of a bankruptcy petition at any time during the past ten years.

A balance sheet is not required to be provided because HFI does not serve as a custodian for client funds or securities and does not require prepayment of fees of more than \$500 per client, and six months or more in advance.

ITEM 19 – REQUIREMENTS FOR STATE REGISTERED ADVISORS

Kent G Forsey, CFP® serves as Owner, President, and Chief Compliance Officer for the firm. There are no other officers of the firm. Education and work experience for Kent G Forsey, CFP® can be found in the Brochure Supplement, part 2B form ADV.

Kent G Forsey, CFP®, President of HFI, is also independently licensed to sell insurance products through various insurance companies. See ITEM 10 – OTHER FINANCIAL INDUSTRY ACTIVITIES AND AFFILIATIONS.

Neither HFI nor the firm's representatives are compensated for advisory services with performance-based fees.

Neither HFI nor a management person has been involved in any of the events listed below:

1. An award or otherwise being found liable in an arbitration claim alleging damages in excess of \$2,500 involving any of the following:
 - a. an investment or an investment-related business activity;
 - b. fraud, false statement(s), or omissions;
 - c. theft embezzlement, or other wrongful taking of property;
 - d. bribery, forgery, counterfeiting, or extortion; or
 - e. dishonest, unfair, or unethical practices.
2. An award or otherwise being found liable in a civil, self-regulatory organization, or administrative proceeding involving any of the following:
 - a. An investment or an investment-related business activity;
 - b. Fraud, false statement(s), or omissions;
 - c. Theft, embezzlement, or other wrongful taking of property;
 - d. Bribery, forgery, counterfeiting, or extortion; or
 - e. Dishonest, unfair, or unethical practices.

There are no other relationships or arrangements with any issuer of securities not listed in Item 10.C. of Part 2A.

This brochure supplement provides information about Kent G Forsey, CFP® that supplements the Hillspring Financial, Inc. ("HFI") firm brochure. You should have already received a copy of that brochure. Please contact our office if you did not receive Hillspring Financial, Inc.'s brochure or if you have any questions about the contents of this supplement.

Additional information about Kent G Forsey, CFP® is also available on the SEC's website at www.adviserinfo.sec.gov.

Professional Certifications

Kent G Forsey has earned certifications and credentials that we are required to explain in further detail.

CERTIFIED FINANCIAL PLANNER™ (CFP®)

CERTIFIED FINANCIAL PLANNER™, CFP® and federally registered CFP (with flame design) marks (collectively, the “CFP® marks”) are professional certification marks granted in the United States by Certified Financial Planner Board of Standards, Inc. (“CFP Board”). The CFP® certification is a voluntary certification; no federal or state law or regulation requires financial planners to hold CFP® certification.

To attain the right to use the CFP® marks, an individual must satisfactorily fulfill the following requirements:

- Education – Complete an advanced college-level course of study addressing the financial planning subject areas that CFP Board’s studies have determined as necessary for the competent and professional delivery of financial planning services and attain a bachelor’s Degree from a regionally accredited United States college or university (or its equivalent from a foreign university). CFP Board’s financial planning subject areas include insurance planning and risk management, employee benefits planning, investment planning, income tax planning, retirement planning and estate planning;
- Examination – Pass the comprehensive CFP® Certification Examination. The examination, administered in 10 hours over a two-day period, includes case studies and client scenarios designed to test one’s ability to correctly diagnose financial planning issues and apply one’s knowledge of financial planning to real world circumstances;
- Experience – Complete at least three years of full-time, or the equivalent 6,000 hours, of financial planning-related experience that falls within one or more of the six primary elements of the personal financial planning process or by completing at least two years full-time, or the equivalent 4,000 hours, of "Apprenticeship Experience" focused exclusively on personal delivery of all the personal financial planning process to a client, with direct supervision by a CFP® professional; and
- Ethics – Agree to be bound by CFP Board’s Standards of Professional Conduct, a set of documents outlining the ethical and practice standards for CFP® professionals.

Individuals who become certified must complete the following ongoing education and ethics requirements to maintain the right to continue to use the CFP® marks:

- Continuing Education – Complete 30 hours of continuing education hours every two years, including two hours on the Code of Ethics and other parts of the Standards of Professional Conduct, to maintain competence and keep up with developments in the financial planning field; and
- Ethics – Renew an agreement to be bound by the Standards of Professional Conduct. The Standards prominently require that CFP® professionals provide financial planning services at a fiduciary standard of care. This means CFP® professionals must provide financial planning services in the best interests of their clients.

CFP® professionals who fail to comply with the above standards and requirements may be subject to CFP Board’s enforcement process, which could result in suspension or permanent revocation of their CFP® certification.

KENT G FORSEY, CFP® – Owner, President, Chief Compliance Officer

Born
1959

Education
Brigham Young University, Provo, UT, BS Business (1985)

Business
Hillspring Financial, Inc., President/CCO, September 2010 – present
Morgan Stanley Senior Vice President April 2005 – September 2010

Disciplinary Information

Mr. Forsey has not been involved in any legal or disciplinary action of any kind nor any hearing or formal adjudication involving any professional attainment, designation or license.

He has not been convicted of, accused or named subject of a criminal or civil action in a domestic, foreign or military court of competent jurisdiction.

He has not been found to have caused an investment-related business to lose its authorization or been involved in any violation of an investment-related statute or regulation through an administrative proceeding before the SEC, any other federal regulatory agency, any state regulatory agency, or any foreign financial regulatory authority.

He has not been found to have caused an investment-related business to lose its authorization to do business or been found to have been involved in a violation of a self-regulatory organization (SRO).

There have been no hearings or formal adjudication in which professional attainment, designation, or license of Mr. Forsey's was revoked or suspended because of a violation of rules relating to professional conduct.

Other Business Activities

Mr. Forsey is also independently licensed to sell insurance products through various insurance companies. When acting in this capacity he may receive commissions for selling these products. Expected and earned commissions will be disclosed to the purchasing client prior to sale as this is a potential conflict of interest. Less than 1% of his work week is spent on this activity.

Additional Compensation

Mr. Forsey only receives compensation under the arrangements disclosed above in *Other Business Activities*

Supervision

Mr. Forsey is the sole owner, officer and investment advisor of Hillspring Financial, Inc. As such, Mr. Forsey supervises all of the activities of the firm and is bound to the code of ethics.

Requirements for State-Registered Advisors

Mr. Forsey has not been involved in any form of arbitration, proceeding or bankruptcy petition.

By executing the Account Set-up and Application Form ("Account Set-Up"), you, the Account Owner (the "Client"), agree to the terms of this Client Services Agreement ("Agreement" or "CSA"), which will be identified in the Account Set-Up or in other documentation as either a Discretionary CSA or Non-Discretionary CSA. The terms of the Discretionary CSA and Non-Discretionary CSA are the same, except where expressly noted. You agree to retain the Financial Advisory Firm and its associated Financial Advisor, named in the Account Set-Up Form to provide investment advisory services to the "Account" you are establishing. The Financial Advisory Firm and its associated Financial Advisor are together referred to as the "Advisor" in this Agreement. If a discretionary manager is selected, you also agree to retain the designated discretionary manager (the "Discretionary Manager"), and that Discretionary Manager becomes incorporated as a part of this Agreement. This Agreement may establish one or more investment accounts (each an "Account"), although the singular form will be used throughout this Agreement.

The platform is an investment advisory, asset allocation and individual account management program ("Platform") sponsored by AssetMark, Inc. ("AssetMark"). This Agreement establishes an Account on the AssetMark Platform.

The Advisor will provide advice concerning funds to be invested in the Account by the Client through the Platform. The Platform includes Mutual Fund, Exchange-Traded Fund ("ETF") and various Privately Managed Account investment solutions (the "Solution Types"), or a blend of these investment solutions, e.g. Multiple Strategy Accounts ("MSAs"), each with a number of options and a range of Risk/Return profiles (the "Risk/Return Profiles") and Investment Approaches (the "Investment Approaches") so that the Client can customize a strategy by which each Account will be maintained under this Agreement (referred to as the Account's "Strategy"). The Client's Accounts shall, collectively, be referred to as the Client's "Portfolio." The responsibilities of the Advisor and the Client are discussed below.

1. SERVICES

(a) *The Advisor's Services.*

The Client shall provide the Advisor with information concerning the Client's financial situation, investment objectives and any investment restrictions. This information shall be used to assist the Client and the Advisor in determining the suitability of the Solution Types and the Strategies available within the Solution Types to be selected for the Client. The Advisor shall furnish continuous advice as to the investment of the Client's Portfolio based on the Client's objectives and instructions, and shall be responsible for determining that the Strategy or Strategies selected for the Client's Portfolio are suitable and appropriate based on such objectives and instructions. The Advisor shall initiate the steps necessary to open each Account, and shall remain available to the Client during normal business hours for consultation regarding the administration of any Account and the Client's financial situation and investment objectives. The Client agrees to promptly furnish, or to cause the Client's Custodian, as defined below, or agent to furnish, to the Advisor all data and information the Advisor may reasonably request to render the investment advisory services described above. The Client shall be solely responsible for the completeness and accuracy of the data and information furnished by the Client to the Advisor hereunder.

The Client shall promptly advise the Advisor of any changes or modifications to the Client's objectives or financial situation, and any specific investment restrictions relating to an Account.

The Client shall promptly notify the Advisor in writing if the Client considers any investments recommended or made for an Account to violate such objectives or restrictions or if any Account statement reflects an error in the execution of the Client's directions. The Client and the Advisor shall consult on a periodic basis regarding the Client's investment objectives. The Client may at any time direct the Advisor to sell such investments or take such other lawful actions as the Client may specify to effect an Account's compliance with the Client's investment objectives. In addition, the Client may notify the Advisor at any time that funds in an Account may not be invested in specific securities, and the Advisor shall promptly take action to implement reasonable restrictions. While invested through the Platform, the Client's funds and securities will be maintained by an account custodian (the "Custodian") pursuant to a separate agreement between the Client and the Custodian.

(i) *The Mutual Fund and ETF Account Solution Types.*

For accounts invested in the Mutual Fund, ETF and/or a blend of Mutual Funds/ETF Solution Types, the Advisor shall advise the Client with respect to the selection of a Risk/Return Profile, and a corresponding Investment Approach established and maintained by one of the investment management firms providing such models to the Platform (the "Portfolio Strategists"), in order to specify a Strategy for each Account.

The Client understands and agrees that, in any Mutual Fund, ETF and/or a blend of Mutual Fund/ETF Accounts, the Advisor, AssetMark, any Custodian and any Portfolio Strategist shall not have any discretionary authority over any such Account. The Client retains full authority to direct the execution of any transaction in each such Account, including the purchase or sale of any specific mutual fund or ETF security, and to select or change the Strategy for each Account. The Client understands and acknowledges that any Portfolio Strategist is not acting as an investment adviser and does not have any duties or obligations with respect to the Client. The Client will rely solely on the Advisor for investment advice under this Agreement.

If this Agreement is a Discretionary CSA, Section 1(a)(i) above is amended in its entirety to read as follows:

The Advisor will be solely responsible for directing the investment and reinvestment of the assets invested in Mutual Fund, ETF and/or a blend of Mutual Funds/ETF Solution Types, in accordance with the information provided by the Client. The Advisor will manage the Account through the Platform on a limited discretionary basis in accordance with the investment objectives of the Client, and subject to the Client meeting the Advisor's minimum Account size, which the Advisor may establish or adjust from time to time.

The Client understands and agrees that, in any Mutual Fund, ETF and/or a blend of Mutual Fund/ETF Accounts, AssetMark, any Custodian and any Portfolio Strategist shall not have any discretionary authority over any such Account. The Client understands and acknowledges that any Portfolio Strategist is not acting as an investment adviser and does not have any duties or obligations with respect to the Client. The Client will rely solely on the Advisor for investment advice under this Agreement.

(ii) *The Privately Managed Account Solution Types.*

Privately Managed Accounts ("PMAs"), also referred to as Separately Managed Accounts ("SMA") may be invested in

This must remain with the Client

the Individually Managed Account (“IMA”), Savos Preservation Strategy, Savos Fixed Income Accounts, or Unified Managed Account (“UMA”) Solution Types. For PMAs, the Advisor shall provide advice to the Client with respect to the selection of an IMA, Savos Preservation Strategy, Savos Fixed Income and/or UMA Solution Type and a Strategy for each Account.

The Client shall rely solely on the Advisor for investment advice with respect to the selection of (a) one or more investment managers (the “Investment Managers”), to provide discretionary investment management services with respect to a third-party or affiliated IMA, Savos Preservation Strategy, and Savos Fixed Income Strategy or (b) an investment manager to serve in the capacity of an overlay manager of the Account (the “Overlay Manager”) or a UMA Strategy, all as outlined below. The Investment Managers and the Overlay Managers are, collectively, referred to as the “Discretionary Managers.” The Client understands and agrees that, in connection with any IMA, Savos Preservation Strategy, Savos Fixed Income and UMA Account, the Discretionary Managers will render discretionary management services, but neither the Advisor, any Custodian, any Portfolio Strategist nor any of the investment professionals providing asset allocation models of recommended securities for UMA Accounts (the “Investment Management Firms”) shall have any discretionary authority over management of the Account. The Client retains full authority to select the Strategy for the Account. The Client understands and acknowledges that any Portfolio Strategist or Investment Management Firm is not acting as an investment adviser and does not have any duties or obligations with respect to the Client.

AssetMark, through its Aris and Savos Investments (“Savos”) divisions may serve as a Discretionary Manager for Accounts on the Platform. An AssetMark Platform Disclosure Brochure, which includes more detailed information about Solution Types offered through AssetMark’s Aris and Savos Divisions, will be provided to each Client.

(iii) Non-Managed Account.

The Client may establish an Account to hold “non-managed” assets (a “Non-Managed Account”). Such Account may include a No Strategist Account, or an Administrative Account. An Account designated by the Client as a Non-Managed Account will be linked to the Client’s Account on the Platform for administrative and reporting purposes only. The Non-Managed Account will not be invested in any Solution Type described in the Platform Disclosure Brochure and no advisory services, or any services other than such administrative and reporting services, will be rendered with respect to such Account pursuant to this Agreement.

The Client acknowledges that the Non-Managed Account is subject to the provisions set forth in Sections 3 through 8 of this Agreement. However, the Non-Managed Account is not subject to the Trading Authorizations or the Discretionary Manager designations provided for in Sections 1 and 2 of this Agreement, as the Client will be solely responsible for directing any transactions in the Non-Managed Account by providing instructions to either the Advisor or the Custodian to be executed directly with the Custodian.

The account may be subject to an Administrative Fee, as outlined in the attached Client Billing Authorization, which shall be calculated and billed in the manner outlined in Section 3 of this Agreement.

(b) Investment Management Services

Individually Managed Accounts, Manager Select Accounts, Savos Preservation Strategy, Savos Fixed Income Accounts, Consolidated Managed Accounts, Unified Managed Accounts, GPS Select and Market Blend ETF Strategies. The services provided by the Discretionary Managers are outlined below. A Discretionary Manager shall have no obligation to provide any services for an Account until it accepts the Account in accordance with its terms, and may elect not to accept such an Account in its sole and absolute discretion, including, without limitation, if the Discretionary Manager deems restrictions to be imposed on the account to be unreasonable.

(i) Individually Managed Accounts.

With respect to Individually Managed Accounts (“IMAs”), the Investment Manager(s) designated by the Client shall provide discretionary investment management of the Client’s Account(s), consistent with the Strategy selected for each such Account. Some IMA Accounts may not have Investment Approaches or separate Risk/Return Profiles.

Options strategies may be used for certain IMA Solutions. Clients should consider their financial resources, investment objectives and tolerance for risk and should be aware that options trading can be highly speculative and could result in financial losses even though margin borrowing will not be used for the types of options traded by these Client Accounts. Clients will be obligated to deliver the underlying security within the prescribed time for a call option that is exercised. Each of AssetMark and the Investment Manager is authorized to act as the Client’s agent to complete the Client’s obligations with respect to any options in the Client Account. The Client agrees to assume the financial risks of options transactions. All options transactions are subject to the rules, regulations, customs and practices of The Options Clearing Corporation (OCC) and the securities exchange, association or clearing organization through which the transactions are executed. Expiring options that are valuable (meaning, in the money) are exercised automatically pursuant to the exercise by exception procedure of the OCC. Additional information about the risks, characteristics and features of options is available at: <http://www.optionsclearing.com/components/docs/riskstoc.pdf>.

(ii) Savos Preservation Strategy and Savos Fixed Income Accounts.

AssetMark, through Savos, will serve as Investment Manager and provide discretionary investment management services for Clients invested in Savos Preservation Strategy and Savos Fixed Income Strategies. An AssetMark Platform Disclosure Brochure, which includes more detailed information about Solution Types offered through AssetMark’s Savos Division, will be provided to each Client.

(iii) Unified Managed Accounts.

Savos and Aris, as the Overlay Managers, are each designated by the Client, and shall provide discretionary investment management of the Client’s Account(s), consistent with the Strategy selected for each Account. For the Unified Managed Accounts (“UMAs”), these discretionary investment management services may include the coordination of asset allocation models of recommended securities developed by the Investment Management Firms as well as the investment of the Client’s Account(s) in individual securities and/or

securities of pooled investment vehicles (including Mutual Funds and ETF's) selected by the Overlay Manager.

(iv) Other Solutions: GPS Fund Strategies, GPS Select, Custom GPS Select, Market Blend Strategies, Multiple Strategy Accounts and Alternative Investments

With respect to the GPS Fund Strategies, GPS Select and the Market Blend Strategies, AssetMark shall provide limited discretionary investment management of the Client's Account(s), consistent with the Strategy selected for each such Account. These limited discretionary investment management services shall include the coordination of asset allocation models of recommended securities developed by Portfolio Strategists and Investment Management Firms, whose role will be limited to providing recommendations to AssetMark.

GPS Fund Strategies

For GPS Fund Strategies, AssetMark will provide investment allocations across Investment Approaches based on investment objectives, market outlook, risk profile and other preferences.

GPS Select

GPS Select will invest in pre-determined allocations to various Investment Approaches, and additional investment options. Within each Asset Allocation approach, AssetMark will make allocations to various Portfolio Strategists and Investment Managers, including Savos. For the GPS Select Solution, AssetMark shall provide limited discretionary investment management services to the Account, and the Client grants AssetMark the authority to make allocation decisions and to buy and sell securities and investments for the Account, and such other limited discretionary authorities.

Custom GPS Select

GPS Select, as described above, may be customized within a specific range of pre-determined allocations to various Investment Approaches. Selection may be made from various Portfolio Strategists and Investment Managers, including Savos, and Proprietary Funds. In doing so, and by selecting within the range of pre-determined allocations, a Custom GPS Select account will be established. Each Portfolio Strategist, Investment Manager, or mutual fund selection is referred to as a "sleeve" allocation. AssetMark will make available the specific range of pre-determined allocations, which may be updated from time to time. The number of sleeves selected may vary within a minimum of three and maximum of eight sleeve selections, to comprise the entire Custom GPS Select account. The minimum investments by sleeve may vary.

Market Blend Strategies

For the Market Blend Strategies, AssetMark will make allocations across seven core asset classes in an effort to capture broad capital market returns while seeking to balance the pursuit of maximum total return against the control of risk in the portfolio. These Strategies may be single strategy mutual fund or ETF strategies. AssetMark shall provide limited discretionary investment management services to the Account, and the Client grants AssetMark the authority to buy and sell securities and investments for the Account and such other discretionary authorities.

Multiple Strategy Accounts

Certain Solution Types discussed above are also available as sleeve level options within a Multiple Strategy Account. In a Multiple Strategy Account, an Account may be customized with no set allocation limits. Selection may be made from various Portfolio Strategists and Investment Managers, including Savos, and Proprietary Funds. In selecting and determining the allocations in each sleeve, a Multiple Strategy Account will be established. The number of sleeves selected may vary within a minimum of two and maximum of eight selections, to comprise the Multiple Strategy Account. The minimum investments by sleeve may vary.

Alternative Investments

Alternative Investments are non-publicly traded securities, such as hedge funds, private equity funds, private placements, and other securities ("Alternative Investments"). For more information regarding AssetMark's provision of Alternative Investments, and limitations around valuing such investments, refer to the AssetMark Platform Disclosure Brochure.

(c) AssetMark Platform Services.

The Advisor has contracted with AssetMark to provide certain administrative services with respect to the Platform, including the selection and on-going monitoring of the Portfolio Strategists, Discretionary Managers and Investment Management Firms participating in the Platform, administration of Platform Accounts, fee billing, and the production of quarterly performance reports. AssetMark has contracted with one or more of the Portfolio Strategists to provide services with respect to investment manager selection and/or monitoring and the development of asset allocation models and multi-manager portfolios.

The Client acknowledges that a reasonable amount of time will be needed to purchase, redeem and/or transfer assets through the Platform, to change Strategies or components of Strategies, and to manage necessary bookkeeping, record keeping and processing, subject to the rules and conditions of all parties involved in processing transactions, and that there are limitations on the management of accounts on the Platform, including the securities and types of investments that can be held by accounts on the Platform. The Advisor and AssetMark shall not be held liable for losses due to market value fluctuations during the time taken for these transactions.

(d) Custodial and Trading Services.

Pursuant to a separate agreement or contract, a Custodian will provide custodial account services to the Client. Services provided by the Custodian include trading and custody of individual securities, mutual funds, ETFs and other assets for the benefit of the Client's Accounts, monthly or quarterly account statements, certain tax reporting, delivery of mutual fund and ETF prospectuses, proxy materials and other similar services. The Client should carefully review all the terms and conditions of the agreement(s) the Client signs with the Custodian. All aspects of the Client's account with the Custodian are governed by the terms and conditions described in the Client's applicable agreement with the Custodian and not by this Agreement.

2. ACCOUNT AUTHORIZATION

(a) *Mutual Fund, ETF and Mutual Fund/ETF Blend Accounts.*

The Client will be solely responsible for directing the investment and reinvestment of the assets in each Mutual Fund, ETF and Mutual Fund/ETF Blend Account. Each Account will initially be invested in accordance with the Solution Type and Strategy selected and, thereafter, as the Client may direct from time to time. The Advisor is not authorized to exercise any discretion concerning transactions in the Account, and all transactions in these Accounts will be executed only in accordance with the express prior authorization of the Client. The Client understands that the Portfolio Strategists will periodically rebalance and adjust the asset allocations applicable to the Risk/Return Profile selected by the Client.

The Client hereby instructs, authorizes and directs that each Mutual Fund, ETF or Mutual Fund/ETF Blend Account be invested in accordance with all adjustments and rebalancing of the asset allocations applicable to the Portfolio Strategist and Strategy that the Client has selected for each Account unless and until the Client expressly instructs the Advisor to terminate such adjustments and rebalancing and/or executes written instructions to change the Strategy of the Account. If, in connection with any adjustment or rebalancing of an asset allocation by a Portfolio Strategist, any trade in the Client's Account would result in an immaterial amount, the Client authorizes the omission of any such trade. Such omission may result in an immaterial variation from the Portfolio Strategist's asset allocation. The Account will continue to be adjusted and rebalanced consistent with the selected Portfolio Strategist's asset allocation, subject only to such immaterial variances. The Client will receive notification of all transactions implemented in the Account in compliance with the foregoing authorizations on a periodic basis in the form of an account statement to be provided to the Client by Custodian.

The Client may, at any time and from time to time, identify for the Advisor in writing any mutual funds or ETFs that the Client does or does not want purchased for the Account, and the Advisor shall follow such instructions. In the event that the Client gives any instructions that would cause a Mutual Fund or ETF Account to vary from the Strategy selected by the Client, including the asset allocations applicable to the selected Portfolio Strategist and Risk/Return Profile, the Client acknowledges and agrees that the Account is thereafter deemed a "Custom Account" and not an account invested pursuant to a Strategy. The Custom Account will not thereafter be automatically rebalanced in accordance with changes by the Portfolio Strategist to the asset allocations in the previously selected Strategy but will be adjusted only upon specific instructions of the Client.

In all purchases, sales and transfers for the Account, the Custodian is authorized to follow the instructions of the Advisor in every respect concerning the Account. With respect to ETF Accounts which may include ETFs for which it may be impracticable to execute transactions in a single day in response to a Portfolio Strategist's adjustments and rebalancing of its ETF Account, the Client also hereby instructs, authorizes and directs that such Accounts be traded in accordance with instructions on timing and price levels given by AssetMark to the Custodian, which AssetMark may obtain from the Portfolio Strategist to the extent practicable or, in the case of exceptionally high volume requests, in accordance with instructions provided by AssetMark to an alternate broker or "authorized participant" liquidity provider selected by AssetMark with the instruction to provide liquidity on a net fee basis. The Client

instructs, authorizes and directs that AssetMark may contract with executing brokers to assist in effecting such trades. The Client retains authority over such purchases, investments, transfers, withdrawals and sales, as well as with respect to all other things necessary or incidental thereto, including effectuating tenders, exchanges, redemptions or other similar actions with respect to securities held in the Account.

Clients invested in Mutual Fund and ETF Solution Types will be entitled to receive prospectuses, proxy solicitations and other issuer-related shareholder materials concerning the securities held in such Accounts (the "Shareholder Materials"), and will be entitled to vote all proxies solicited with respect to securities held in each such Account, provided that the delivery of Shareholder Materials and proxy voting rights will be subject to the terms and conditions of the custody agreement entered into between the Client and the Client's selected Custodian, and the Client's rights to receive Shareholder Materials and vote such proxies can be assigned or delegated to the Advisor, with the Advisor's prior approval, or such other party as the Client may determine in the Client's discretion.

If this Agreement is a Discretionary CSA, the above, 2(a) is amended in its entirety to read as follows:

(a) *Mutual Fund, ETF and Mutual Fund/ETF Blend Accounts.*

In connection with the Client's appointment of the Advisor, the Client hereby authorizes the Advisor to buy, sell or transfer on a limited discretionary basis, open-end Mutual Funds or ETFs. The Advisor is hereby authorized, in its sole discretion, to select one or more Mutual Fund, ETF or Mutual Fund/ETF Blend Strategies for the Client's Accounts, direct that the Client's Accounts be automatically rebalanced in accordance with a Portfolio Strategist's periodic adjustments to its asset allocation models and change the Strategy used for the Client's Account. The Advisor is responsible for ensuring that the Strategy selected for a Client and any periodic rebalancing or adjustment of the Client's Account or other change in the Strategy used for the Client's Account are appropriate for the Client in light of the Client's investment objectives and financial circumstances. Client hereby further authorizes Advisor, in Advisor's sole discretion, to adjust elements of the Account Strategy, invest the Account in securities and investments that are not included in the Strategies, adjust the relative weightings of securities and investments that are included in the Strategies and/or decline to rebalance the Client's Account in response to a Portfolio Strategist's periodic rebalancing of its asset allocation models. If an Account is so adjusted or invested so that Account's investments vary from the asset allocation model provided by a Portfolio Strategist, the Account will be considered a "Custom Account," and it will no longer be invested pursuant to a Strategy and automatically rebalanced in accordance with changes by the Portfolio Strategist, and it will be adjusted only upon specific instructions of the Advisor. Notwithstanding the foregoing, if, in connection with any adjustment or rebalancing of an asset allocation by a Portfolio Strategist, any trade in the Client's Account would result in an immaterial amount, the Client and Advisor authorize the omission of any such trade. In such an instance, the Account will not be considered a Custom Account and the Account will continue to be adjusted and rebalanced consistent with the selected Portfolio Strategist's asset allocation, subject only to such immaterial variances. The Client will receive notification of all transactions implemented in the Account in compliance with the foregoing authorizations on a periodic basis in the form of an account statement to be provided to the Client by Custodian.

This must remain with the Client

The Client may, at any time and from time to time, identify for the Advisor in writing any mutual funds or ETFs that the Client does or does not want purchased for the Account, and the Advisor shall follow such instructions. In the event that the Client gives any instructions that would cause a Mutual Fund, ETF or Mutual Fund/ ETF Blend Account to vary from the selected Strategy, including the asset allocations applicable to the selected Portfolio Strategist and Risk/ Return Profile, the Client acknowledges and agrees that the Account is thereafter deemed a Custom Account and not an account invested pursuant to a Strategy. The Custom Account will not be automatically rebalanced in accordance with changes by the Portfolio Strategist to the asset allocations in the previously selected Strategy but will be adjusted only upon specific instructions of the Advisor.

In all purchases, sales and transfers for the Account, the Custodian is authorized to follow the instructions of the Advisor in every respect concerning the Account. With respect to ETF Accounts which may include ETFs for which it may be impracticable to execute transactions in a single day in response to a Portfolio Strategist's adjustments and rebalancing of its ETF Account, the Client and Advisor hereby instruct, authorize and direct that such Accounts be traded in accordance with instructions on timing and price levels given by AssetMark to the Custodian, which AssetMark may obtain from the Portfolio Strategist to the extent practicable. When a Portfolio Strategist implements a reallocation adjustment or rebalance to its ETF strategy, and/or in the case of exceptionally high volume requests, the Client and Advisor hereby instruct, authorize and direct that such Accounts be traded in accordance with instructions provided by AssetMark to an alternate broker or "authorized participant" liquidity provider selected by AssetMark with the instruction to "step out" those trades on a net fee basis. The Client and Advisor instruct, authorize and direct that AssetMark may contract with executing brokers to assist in effecting such trades. The Advisor retains authority over such purchases, investments, transfers, withdrawals and sales, as well as with respect to all other things necessary or incidental thereto, including effectuating tenders, exchanges, redemptions or other similar actions with respect to securities held in the Account.

Clients invested in Mutual Fund and ETF Solution Types will be entitled to receive prospectuses, proxy solicitations and other issuer-related shareholder materials concerning the securities held in such Accounts (the "Shareholder Materials"), and will be entitled to vote all proxies solicited with respect to securities held in each such Account, provided that the delivery of Shareholder Materials and proxy voting rights will be subject to the terms and conditions of the custody agreement entered into between the Client and the Client's selected Custodian, and the Client's rights to receive Shareholder Materials and vote such proxies can be assigned or delegated to the Advisor, with the Advisor's prior approval, or such other party as the Client may determine in the Client's discretion.

(b) Privately Managed Accounts and Other Solution Types.

Individually Managed Accounts, Savos Preservation Strategy, Savos Fixed Income Accounts, GPS Select, Market Blend ETF Strategies, or UMAs. The Client hereby appoints (i) the Investment Manager(s) with respect to each Individually Managed Account, and/or (ii) the Overlay Manager with respect to each UMA Account, in each case to act as the Client's agent and attorney-in-fact with discretionary power to buy, sell or otherwise effect transactions in stocks, options, bonds, mutual funds, exchange traded funds and any other securities for the Client's Account consistent with the Strategy selected for the Account by the Client.

The Client acknowledges that for IMA, Savos Preservation Strategy, Savos Fixed Income Accounts, GPS Select, Market Blend ETF Strategies, or UMA, the Discretionary Manager(s) designated by the Client shall be solely responsible for the day-to-day investment management decisions for such Accounts, and that neither the Advisor, nor any Portfolio Strategist, nor any Investment Management Firm, nor AssetMark (except when acting as a Discretionary Manager through Savos, Aris, or for the GPS Select or Market Blend ETF Strategies), shall be responsible for making, or authorized to make, such decisions, or for monitoring transactions directed by the Discretionary Manager, including for conformity with the Client's selected Strategy. The Client will receive confirmation of all trades executed in the Account from the Custodian in the form of separate trade confirmations for each trade, aggregate trade confirmations on periodic account statements, or both as outlined in the Agreement executed between the Client and the Custodian.

The Client shall have the right to impose reasonable restrictions with respect to the management of the Account by each Discretionary Manager, including restricting investments in specific securities, provided that any such restrictions are subject to the approval of each Discretionary Manager. Each Discretionary Manager shall be reasonably available to the Client for joint consultation, along with the Advisor, regarding the management of the Account and the Client's financial situation and objectives. **The Client shall retain exclusive authority to designate any Discretionary Manager and select a Strategy for any Account and the Advisor shall have no authority to direct the investment or reinvestment of assets in the Account, without express Client authorization, or to otherwise manage the Account on a discretionary basis.**

If this Agreement is a Discretionary CSA, the last sentence of the above, third paragraph of 2(b), which provides that the Advisor shall have no authority to direct the investment of Account assets (shown in bold), is deleted in its entirety.

The Client shall retain the right to receive Shareholder Materials relating to the securities held in the Client's IMA, Savos Preservation Strategy, Savos Fixed Income Accounts, or UMA and shall retain the right to vote any voting securities and direct the voting of any proxies with respect to such securities. Notwithstanding the foregoing, in selecting the Discretionary Manager or the Account, the Client directs the Discretionary Manager(s) to vote the proxies in their discretion and to receive all Shareholder Materials with respect to the securities held in the Client Account(s), and the Client represents that under applicable instruments or governing law, it is authorized to make such direction. Such direction may be amended by the Client at any time by delivering written notice to the Advisor, and the Advisor shall promptly deliver any such notice through AssetMark to the Discretionary Manager. The Client understands and agrees that the terms and conditions of the Client's election to receive Shareholder Materials and vote proxies, or to delegate to the Discretionary Manager the voting of proxies and receipt of Shareholder Materials, is subject to the terms and conditions imposed by the Custodian and each Discretionary Manager. With regard to the Savos Solutions, GPS Select and the Market Blend ETF Strategies, the Client will receive proxies if the Account is custodied at a third-party custodian.

It is understood and agreed that the Custodian will generally be responsible for executing trades and selecting brokers or dealers for such execution. However, whenever any Discretionary Manager chooses to execute a trade through other than the Custodian and is responsible for selection of the executing broker or dealer, the Discretionary Manager shall seek to obtain the best price and

execution for the Client's Account. However, this shall not obligate any Discretionary Manager to solicit competitive bids for each transaction or to seek the lowest commission cost available to the Client's Account, as long as the Discretionary Manager reasonably believes that the broker or dealer selected by it can be expected to obtain a "best execution" market price on the particular transaction and determines in good faith that the commission cost is reasonable in relation to the value of the brokerage and research services provided by such broker or dealer to the Discretionary Manager, all as may be consistent with applicable rules and guidelines promulgated from time to time by the United States Securities and Exchange Commission ("SEC"). In particular, the Discretionary Manager may, in accordance with Section 28(e) of the Securities Exchange Act of 1934, cause brokers executing transactions in the Client Account to be paid commissions in excess of those another broker or dealer might charge, after determining in good faith that such amount of commission is reasonable in relation to the value of the brokerage, research and any other services provided to the Discretionary Manager by such broker. It is also understood that the Discretionary Manager may combine transactions for the Client's Account with those of other clients and may request that the broker executing such transactions record the price as the average of the prices at which such broker executes such transactions. The foregoing provisions are intended to require the Discretionary Manager to adhere to the fiduciary standards required of an investment advisor under all federal and state securities laws, and interpretations of those laws, applicable to the services and transactions contemplated in this Agreement. These provisions are not intended to expand the obligations of the Discretionary Manager beyond the scope of the standards required under such laws nor to limit the application of such standards to the Discretionary Manager in its performance of services under this Agreement.

(c) *General Provisions.*

Neither the Advisor, the Discretionary Managers, AssetMark, the Portfolio Strategists nor the Investment Management Firms shall advise or act for the Client with respect to any legal matters, including bankruptcies or class actions, with respect to securities held in the Account.

All assets invested by the Client will be deposited into the Client's Account with the Custodian. If the Client deposits securities into the Account, and (a) the Account is a taxable account, and (b) such securities match the current portfolio holdings of any selected Investment Manager or selected Strategy, then the Client authorizes the transfer of such securities to the specific account to be managed on a discretionary basis by such Investment Manager. **By executing this Agreement and depositing securities in the Account, the Client hereby authorizes the Advisor and AssetMark to provide liquidation instructions to the Custodian to liquidate at their current market value any securities deposited into the account that do not match the current portfolio holdings of any of the Client's designated Discretionary Managers or selected Strategies, as the case may be. The Client acknowledges that the liquidation of securities in the Account may result in a taxable event for the Client.** Further, the Client acknowledges that upon the transfer of securities to a designated Discretionary Manager, such manager may exercise its discretionary authority to liquidate all or a portion of such securities in accordance with the investment objectives established by such Discretionary Manager and the selected Strategy.

The Client also authorizes AssetMark to forward transactions to the Custodian on behalf of the Advisor and to receive daily

downloads of all account activity from the Custodian. Except with respect to payment of fees as expressly provided hereunder, the Advisor is not authorized to withdraw or transfer any money, securities or property out of the Account either in the name of the Client or otherwise, without the instructions from the Client, and acceptance of those instructions by the respective Custodian, subject to its policies and procedures.

If this Agreement is entered into by a trustee or other fiduciary, including but not limited to someone meeting the definition of "fiduciary" under the Employee Retirement Income Security Act of 1974 ("ERISA") or an employee benefit plan subject to ERISA, such trustee or other fiduciary represents and warrants that the Client's participation in the Platform is permitted by the relevant governing instrument of such plan, and that Client is duly authorized to enter into this Agreement. The Client agrees to furnish the Advisor with such documents as it shall reasonably request with respect to the foregoing. The Client further agrees to notify the Advisor in writing of any event which might affect this authority or the validity of this Agreement. The Client additionally represents and warrants that (a) its governing instruments provide that an "investment manager" as defined in ERISA may be appointed, and (b) the person executing and delivering this Agreement on behalf of the Client is a "named fiduciary" (as defined in ERISA) who has the power under the plan to appoint an investment manager.

The Client understands that the Advisor, the Discretionary Managers, the Portfolio Strategists, the Investment Management Firms and their affiliates may perform advisory and/or brokerage services including investment reporting for various clients, and that the Advisor may give advice or take actions for other clients that differ from the advice given for a Client Account. In addition, the Advisor, the Discretionary Managers, the Portfolio Strategists, the Investment Management Firms and their affiliates may, but are not obligated to, purchase or sell or recommend for purchase or sale any security which the Advisor, the Discretionary Managers, the Portfolio Strategists, the Investment Management Firms or any of their affiliates may purchase or sell for their own accounts or the account of any other client. The Client also understands that cash awaiting investment or reinvestment may be invested in a money market account, a money market fund or other cash equivalent offered by the Custodian.

In connection with the brokerage or custodial accounts and limited powers of attorney established by the Client with the Custodian in order to implement the Platform, AssetMark may be designated as the Client's "Investment Manager," "Advisor," "Account Representative" or other similar title. It is understood and agreed that any such designation is solely for the purpose of permitting AssetMark to fulfill its duties in the administration of the Platform as provided herein, and AssetMark has no discretion or authority to act with respect to the Client's account except as expressly authorized by the Client or the Advisor pursuant to the terms of this Agreement or any Discretionary Manager designation pursuant to this Agreement. The Client hereby acknowledges and agrees that, except to the extent AssetMark/Savos/Aris acts as a Discretionary Manager (i) AssetMark is not providing the Client with any individual investment advice; and/or (ii) AssetMark's role in connection with this Agreement is limited to the administration of the Platform (except where it may also act as Strategist).

This authorization is a continuing one and shall remain in full force and effect and be relied upon until terminated in writing to the Advisor and until the Custodian, Advisor and Discretionary

Managers have actually received a copy of such written termination notice, which writing will be deemed to terminate this Agreement. Notwithstanding the foregoing, the Agreement will remain in effect until all trades initiated prior to receipt of notice have cleared in the Account.

3. FEES

The Client will pay an annualized fee payable quarterly in advance, in accordance with the Client Billing Authorization appended to this Agreement.

The fees applicable to each Account on the Platform may include:

1. *Financial Advisor Fee*
2. *Platform Fee, which may include any Strategist or Manager Fee, as applicable, and most custody fees. Refer to the Platform Disclosure Brochure for complete fee details.*
3. *Initial Consulting Fee*

The Financial Advisor Fee and the Platform Fee when combined is referred to as the "Advisory Fee."

For those accounts invested in Third Party Mutual Fund strategies, where the client's Custodian does not charge a custody fee of \$37.50/quarter, the account's Platform Fee will include a flat fee of \$37.50/quarter, in addition to the fee listed in the fee schedule that is based on the account's asset value.

Important note: Beginning April 30, 2020, the \$37.50/quarter custody/Platform fee will no longer be charged. However, a minimum Platform Fee of \$87.50/quarter will be applicable to accounts invested in Third Party Mutual Fund strategies. At the end of the quarter, if the fees applicable to the Account based on the market value is less than \$87.50, the account will be charged the difference to meet the minimum Platform Fee of \$87.50. Refer to the fee table in the Platform Disclosure Brochure for complete fee details.

Additional, separate charges to the Account, including execution and transfer fees, may be charged by the Custodian.

In addition to the Fees described above, the Client may pay a one-time Initial Consulting Fee charged by the Advisor upon the initial investment in an Account, and upon any additional investment in an Account of \$2,000 or more, if such an Initial Consulting Fee is set forth in the Client Billing Authorization. Additionally, if and to the extent that any part of the Fees described above is to be calculated or charged in any manner other than as set forth herein, the method of calculation and assessment of such fee will be set forth in a Client Billing Authorization executed by the Client.

If, for any reason, the value of the Portfolio falls below the Advisor's required minimum account balance, or the value of an Account falls below the minimum account balance required by a Discretionary Manager, the Advisor or such Discretionary Manager has the right to terminate the Account or Accounts. In addition, the Client may terminate an Account at any time without penalty under this Agreement, but subject to any charges imposed by the Custodian. In the event an Account is terminated for any reason during a calendar quarter, the Advisor shall return to the Client, within 30 days of the effective date of termination, a pro-rated portion of the quarterly fee paid by the Client at the beginning of the quarter with respect to such Account.

The Client understands that AssetMark, the Overlay Managers, the Investment Management Firms and certain of the Portfolio Strategists and their agents may be compensated in connection with their respective roles in the Platform, provided that the only fee payable by the Client under the Platform shall be the Fees payable hereunder. Notwithstanding the foregoing, the Fees do not include any separate fees or charges of the Custodian.

If an Account includes mutual funds or ETFs, the Client may also bear certain charges imposed by third parties other than the Advisor in connection with investments made through the Account, including but not limited to mutual fund 12(b)-1 distribution fees, servicing fees, purchase fees, redemption fees, sub-accounting fees, management fees, mortality, expense risk, administration fees and IRA and Qualified Retirement Plan fees. It is understood that fees paid to fund managers by mutual funds and ETFs are deducted from each fund's net asset value and as such shall be an indirect expense of the Portfolio. The Client understands and agrees that the fees charged to the Portfolio may be higher than fees charged by other investment advisors for similar services and that mutual funds and ETFs can be purchased directly without participation on the Platform.

4. AUTHORIZATION TO DEBIT ACCOUNT

The Client hereby authorizes AssetMark, on behalf of the Advisor and the Discretionary Managers, to debit all Fees payable pursuant to Section 3 directly from the Portfolio. It is agreed by the Client and the Advisor that the fees can be payable through the liquidation of any assets held in the Portfolio, and the Client hereby authorizes any transactions necessary to the payment of the said fees. The Client may further authorize Fees to be debited from a separate account held by the Client on the AssetMark Platform by completing and attaching alternative fee payment instructions in form and content acceptable to the Advisor and AssetMark.

5. ADDITIONS TO AND WITHDRAWALS FROM THE ACCOUNT

The Client may make additions to the Portfolio at any time subject to the terms and conditions of the Custodian. The Client may request periodic withdrawals at the time the Portfolio is opened or thereafter, pursuant to the Custodian's instructions. The Client may withdraw Portfolio assets at any time by submitting instructions to the Advisor. If the withdrawal request necessitates the liquidation of securities held in the Portfolio, it is understood that the process of liquidation and settlement may take up to two weeks to effect, and the Client's account will be debited the amount of any redemption fees or other charges imposed by the issuers of securities required to be liquidated as a result of the withdrawal request. The Client understands that the Platform is designed as a long-term investment vehicle and that withdrawals of assets may impair the achievement of the Client's investment objectives. In certain cases, if the Custodian is an Annuity Issuer, then specific prior notice may be required before effecting withdrawal instructions, as provided in the Annuity Prospectus. Withdrawals prior to age 59½ may also have certain tax penalties, in addition to being subject to ordinary income tax. The Client acknowledges that a reasonable amount of time will be needed to purchase, redeem and/or transfer assets on any additions to and withdrawals from the Account. The Advisor and AssetMark shall not be held liable for losses due to market value fluctuations during the time taken for these transactions.

6. LIMITATION OF LIABILITY; INDEMNIFICATION

THE CLIENT SHOULD NOTE THAT FEDERAL AND STATE LAWS IMPOSE LIABILITY UNDER CERTAIN CIRCUMSTANCES FOR PERSONS ACTING IN GOOD FAITH AND WITHOUT REGARD TO ANY ALLEGATION OF NEGLIGENCE OR WILLFUL MALFEASANCE. UNDER FEDERAL SECURITY LAWS, THE ADVISOR OWES ITS CLIENTS A FIDUCIARY DUTY, WHICH REQUIRES THE ADVISOR TO DEAL FAIRLY AND ACT IN THE BEST INTEREST OF ITS CLIENTS. THIS DUTY IMPOSES ON THE ADVISOR THE OBLIGATION TO RENDER DISINTERESTED AND IMPARTIAL ADVICE; TO MAKE SUITABLE RECOMMENDATIONS TO CLIENTS IN LIGHT OF THEIR NEEDS, FINANCIAL CIRCUMSTANCES AND INVESTMENT OBJECTIVES; TO EXERCISE A HIGH DEGREE OF CARE TO INSURE THAT ADEQUATE AND ACCURATE REPRESENTATIONS AND OTHER INFORMATION ABOUT SECURITIES ARE PRESENTED TO CLIENTS; AND TO HAVE AN ADEQUATE BASIS IN FACT FOR ITS RECOMMENDATIONS, REPRESENTATIONS AND PROJECTIONS. NOTHING IN THIS AGREEMENT, EXPRESS OR IMPLIED, SHALL IN ANY WAY CONSTITUTE A WAIVER OR LIMITATION OF ANY RIGHTS THAT CLIENT MAY HAVE UNDER FEDERAL OR STATE SECURITIES LAWS (OR ERISA, IF CLIENT IS A QUALIFIED PLAN UNDER ERISA) OR EXCUSE THE BREACH OF ANY FIDUCIARY DUTY LEGALLY OWED TO CLIENT.

- (a) The Client acknowledges that the Advisor, the Discretionary Managers, AssetMark, the Custodian, the Investment Management Firms, the Portfolio Strategists and their respective employees and agents, are neither agents nor employees of each other nor of any of their affiliates, and that no such party shall be liable to the Client or any other such party for any act or omission of another such party or its employees on the basis of a principal's liability for the acts or omissions of its agent, or on the basis of an employer's liability for the acts or omissions of its employee. Any such party will be liable to the Client or any other such party only to the extent of that party's own negligence, bad faith, or violation of Federal or State securities laws or breach of any term of this Agreement.
- (b) The Client further understands that there is no guarantee that the Client's investment objectives will be achieved and that past performance is not a guarantee of future results. Neither the Advisor, the Discretionary Managers, AssetMark, the Investment Management Firms nor any Portfolio Strategist shall have any liability for the Client's failure to inform the Advisor in a timely manner of any material change in the Client's financial circumstances that might affect the manner in which the Client's assets are invested, or to provide the Advisor with any material information as to the Client's financial status or objectives as the Advisor may reasonably request, or any material changes thereto.
- (c) To the maximum extent allowed by applicable law, the Client agrees to hold harmless the Advisor, the Discretionary Managers, AssetMark, the Custodian and each of their respective members, partners, officers, directors, agents, employees and affiliates from any and all claims, liabilities, losses, lost profit or loss of market value in the Client's account, costs, indebtedness or liabilities arising from the investment decisions made by the Advisor or the Discretionary Managers (collectively, the "Claims"); provided that, such limitation of liability shall not apply to any Claims against any such person to the extent that such Claims are finally judicially determined to have resulted from such person's negligence, bad faith, or violation of Federal or State securities laws by any such party, or the breach by such person of any term of this Agreement (with the term "judicially determined" defined to include any final award in binding arbitration to the extent any of these enumerated causes of action are the basis for an award); provided, further, that

no such person shall be held harmless with respect to any such Claim that results from that person's breach of any fiduciary duty owed the Client; and provided, further, that the provisions hereof shall not supersede or otherwise limit the effect of any provisions contained in any separate agreement between the Client and any other person. The losses referred to in this paragraph include, but are not limited to, losses due to market fluctuations that occur while new accounts/ contributions/ withdrawals/ account adjustments are being processed, that result from trading/ exchange limitations imposed by a mutual fund company, or delays in trading or rebalancing accounts that are caused by limitations imposed by mutual fund companies or the Custodian, or by any third party causes over which the Advisor, or the Discretionary Managers have no reasonable control.

- (d) The Client understands that the Platform does not guarantee any investment results and there can be no assurance that the Platform will improve investment performance, and no warranties or representations are made by the Advisor, the Discretionary Managers, the Investment Management Firms, the Portfolio Strategists or AssetMark concerning the benefits of investment through the Platform.
- (e) Subject only to the limitations stated in the introductory paragraph of this Section 6 and notwithstanding any other provision of this Agreement, the Client agrees to hold each Portfolio Strategist and Investment Management Firm, and each of their respective members, partners, officers, directors, agents, employees and affiliates, harmless and no Portfolio Strategist or Investment Management Firm, or any of their respective members, partners, officers, directors, agents, employees and affiliates, shall have any liability whatsoever, for any loss, damage, cost or expense suffered or incurred by the Client or for any trading losses or lost profits incurred by the Client, and in no event shall any Portfolio Strategist, Investment Management Firm or any of its licensors be liable to the Client or any third party for any lost profits, loss of business, lost savings or other consequential, special, punitive, incidental, indirect or exemplary damages, even if it has been advised of the possibility of such damages.
- (f) The limitation on liability provided in paragraphs (c) and (e) above, shall survive the termination of this Agreement.
- (g) The Client understands that, in advising the Client and otherwise performing services for the Client, the Advisor may use the asset allocation models and portfolio analyses formulated by Portfolio Strategists or Investment Management Firms based on data, facts, and materials provided to Portfolio Strategists or Investment Management Firms by third parties and that, though the Advisor, Portfolio Strategists and Investment Management Firms believe such information to be correct, the Portfolio Strategists and Investment Management Firms are not able to, and therefore do not, warrant that any of the asset allocation models or analyses will meet any of the Client's requirements or that they will be accurate or error free. The Portfolio Strategists and Investment Management Firms also do not warrant or guarantee any uses, information, data or other results generated from the asset allocation models and analyses, or that use thereof will affect or improve investment performance. The Portfolio Strategists and Investment Management Firms make no representation or warranty as to the potential investment profits or any other benefits that may be achieved by the Advisor's use of the Platform for the Client's account. Neither the Advisor, the Discretionary Managers, any Portfolio Strategist, any Investment Management Firm, AssetMark nor any other party makes any warranty, express or implied, concerning the Platform, any information generated

thereby or uses made thereof, any other methods used or materials consulted by the Advisor in connection with this Agreement, the services hereunder, or the Client's Portfolio, including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose or any warranties arising from usage of trade, course of dealing or course of performance.

- (h) The limitation of liability of the Custodian provided above shall be subject to all of the limitations on exculpation of issuers under applicable securities laws to the extent the Custodian is deemed an issuer under such laws.

7. ASSIGNMENT/TERMINATION

This Agreement may not be assigned (within the meaning of the Investment Advisers Act of 1940 (the "Advisers Act")) by the Financial Advisory Firm or any Discretionary Manager without the consent of the Client and AssetMark. If the Financial Advisory Firm is a partnership, the Financial Advisory Firm shall notify the Client of any change in the membership of its partnership within a reasonable period of time following the change.

This Agreement may be terminated by the Financial Advisory Firm or Client or Discretionary Manager, if any, upon written notice to the other(s). If the Portfolio is to be liquidated as the result of a termination notice, it is understood that the process of liquidation and settlement may take up to two weeks to effect following the date the liquidation request was received by the Advisor. The Client acknowledges that a reasonable amount of time will be needed to redeem and/or transfer assets on termination and to manage necessary bookkeeping, record keeping and processing, subject to the rules and conditions of all parties involved in processing transactions. Advisor, Discretionary Manager and AssetMark shall not be held liable for losses due to market value fluctuations during the time taken for these transactions.

Termination of the Agreement will not affect the liabilities or obligations of the parties arising from transactions initiated prior to termination. The termination of the relationship between the Financial Advisory Firm and its associated Financial Advisor, or between the Client and the individual Financial Advisor, will have no effect on this Agreement, which will remain in full force and effect unless and until it is terminated by the Financial Advisory Firm or the Client.

8. MISCELLANEOUS

- (a) All written notices to any party under this Agreement shall be delivered to such party in person, by first class mail, facsimile transmission, courier service or by certified mail, return receipt requested, at the addresses set forth in the Account Set-up Form, or such other address as such party may designate in writing to the other. Notices to the Discretionary Manager on the account, if applicable, should be sent to the Discretionary Manager as noted in the Discretionary Manager's Disclosure Brochure provided at account opening, and available at any time upon request to Advisor or AssetMark.
- (b) This Agreement shall be construed under the laws of the state in which the principal executive offices of the Financial Advisory Firm are located in a manner consistent with the Advisers Act and the rules and regulations thereunder.

- (c) **Arbitration Requirement.** Any dispute involving the Client relating to this Agreement that cannot be settled shall be taken to arbitration as set forth in the paragraphs below. Although there are other forums for the Client to seek resolution of disputes that may arise between the Advisor and the Client relating to this Agreement, including those that provide a means to seek restitution and damages, by signing this Agreement the Client agrees to waive such rights to resort to such alternative forums and submits to mandatory arbitration in the event any such dispute cannot be settled, unless both the Client and the Advisor consent to such an alternative forum.

- (d) **Arbitration Disclosure.** This agreement contains a pre-dispute arbitration clause. By signing an arbitration agreement the parties agree as follows:

- (i) All parties to this agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which a claim is filed.
- (ii) Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.
- (iii) The ability of the parties to obtain documents, witness statements and other discovery is generally more limited in arbitration than in court proceedings.
- (iv) The arbitrators do not have to explain the reason(s) for their award.
- (v) The panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry.
- (vi) The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.
- (vii) The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this agreement.

- (e) **Arbitration Agreement.** The arbitration shall be conducted under the auspices and according to the rules then in effect of the American Arbitration Association, provided that, if the Advisor is a FINRA member firm, the arbitration of any claim by the Client against the FINRA member Advisor shall be conducted before a FINRA arbitration panel and in accordance with FINRA arbitration rules; and provided, further, that any claim which, under FINRA rules applicable to a party subject to FINRA jurisdiction, requires mandatory FINRA arbitration shall be conducted before a FINRA arbitration panel and in accordance with FINRA arbitration rules; in either such case unless the Client and Advisor and each other party to the action shall mutually agree to submit such claims to arbitration under the auspices and according to the rules then in effect of the American Arbitration Association. All other claims will be subject to arbitration under the auspices and according to the rules then in effect of the American Arbitration Association, as provided above. Arbitration must be commenced by service upon the other party of a written demand for arbitration or a written notice of intention to arbitrate, therein electing the arbitration tribunal. Judgment upon any such award may be entered by any court of competent jurisdiction. No person shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any

person who has initiated in court a class action or who is a member of a putative class and who has not opted out of the class with respect to any claims encompassed by the putative class action until: (i) the class certification is denied; (ii) the class is decertified; or (iii) the person is excluded from the class by the court. Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this Agreement except to the extent stated herein. Notwithstanding anything to the contrary contained in this agreement, the agreement to arbitrate contained in this paragraph shall not constitute a waiver of the Client's rights under state or federal securities laws, including without limitation, the right to choose the forum, whether by arbitration or adjudication, in which to seek resolution of disputes.

- (f) The Advisor, the Discretionary Managers, the Investment Management Firms, the Portfolio Strategists and AssetMark are all registered as investment advisers with the SEC or in the state in which their principal offices are located and any other state in which their activities require registration as an investment advisor, as provided under the Advisers Act and applicable state law, or exempt from such registration requirements. The Client acknowledges that the Advisor has provided to the Client a copy of Part 2A, 2B and Appendix 1, as applicable, of its Form ADV, including a Platform Disclosure Brochure describing the Platform, or other disclosure document that meets the requirements of Rule 204-3 under the Advisers Act (such Platform disclosure documents are referred to throughout this Agreement as the "Platform Disclosure Brochure"). In addition, the Client will be provided with a copy of Part 2A of the Form ADV, or other disclosure that meets the requirements of Rule 204-3 under the Advisers Act, for each of the Investment Managers/Discretionary Manager selected pursuant to this Agreement. The Client may cancel this Agreement within five (5) days following the execution of the Agreement by giving written notice of such cancellation to the Advisor and the Custodian. In such case, the Client shall be responsible for any transactions executed prior to receipt of written notice of cancellation, but shall not be responsible for the payment of any fee. The Client understands the investment approach, related risk factors, and fees associated with investing in the Portfolio. Neither the Advisor nor any of the Discretionary Managers will be compensated on the basis of a share of capital gains upon or capital appreciation of the Client's account; provided that the foregoing shall not be deemed to prohibit any form of compensation of the Advisor or the Discretionary Managers permitted by the Advisers Act or any rule or regulation thereunder.
- (g) If any provision of this Agreement shall be held or made non-enforceable by a statute, rule, regulation, decision of a tribunal or otherwise, such provision shall be automatically reformed and construed so as to be valid, operative and enforceable to the maximum extent permitted by law or equity while most nearly preserving its original intent. The invalidity of any part of this Agreement shall not render invalid the remainder of this Agreement and, to that extent, the provision of this Agreement shall be deemed to be severable.
- (h) In comparing the market value of any security or other investment in the Portfolio, each security listed on a national securities exchange shall be valued, as of the valuation date, at the closing price on the principal exchange on which it is traded. Any other security or investment in the Portfolio shall be valued in a manner determined in good faith by the Custodian or Discretionary Managers to reflect fair market value.

- (i) This Agreement is not intended to benefit any third party not expressly referred to in this Agreement.
- (j) Paragraph headings are for convenience only and are not of substantive effect.
- (k) This Agreement represents the entire agreement between the parties with respect to the subject matter contained herein. This Agreement may not be changed orally, but only by an agreement in writing signed by the parties. Notwithstanding the foregoing, AssetMark may cause this Agreement to be amended by providing both the Client and the Advisor, and any Discretionary Manager then designated by the Client for an Account, with written notice of any amendment that AssetMark, in its sole discretion, deems necessary or desirable in the administration of the Platform, and providing the Advisor and the Client, and any Discretionary Manager then designated by the Client for an Account, sufficient time in advance of the effective date of any such amendment for either such party to terminate this Agreement. If the parties continue the Portfolio after the effective date stated in any such notice, the amendment shall be effective as set forth in the notice.

WHEN INVESTING IN SECURITIES, THE RISK OF A DECLINE IN MARKET VALUE CAN BE SUBSTANTIAL.

THEREFORE, THE CLIENT SHOULD CAREFULLY CONSIDER WHETHER SUCH AN INVESTMENT IS SUITABLE FOR THE CLIENT IN LIGHT OF THE CLIENT'S INDIVIDUAL FINANCIAL CONDITION. PRIOR TO AUTHORIZING THE ADVISOR TO INVEST FOR THE CLIENT'S ACCOUNT, THE CLIENT SHOULD CAREFULLY REVIEW THE INVESTMENT OBJECTIVES THE CLIENT SELECTED AND BY WHICH THE CLIENT'S ACCOUNT WILL BE MANAGED. SPECIFICALLY, THE CLIENT SHOULD CONSIDER WHETHER THE CLIENT'S INVESTMENT OBJECTIVE IS CONSISTENT WITH THE CLIENT'S PERSONAL RISK TOLERANCE AND WITH THE CLIENT'S ABILITY TO MAINTAIN THE CLIENT'S STANDARD OF LIVING AND/OR ACHIEVE THE CLIENT'S FINANCIAL GOALS IN THE EVENT THAT THE CLIENT'S ACCOUNT SHOULD SUSTAIN A LOSS.

THE CLIENT REPRESENTS AND WARRANTS TO HAVE FULL POWER, AUTHORITY AND CAPACITY TO EXECUTE THIS AGREEMENT. IN CONSIDERATION OF THE ADVISOR ACCEPTING THE CLIENT'S ACCOUNT, THE CLIENT HEREBY ACKNOWLEDGES HAVING READ, UNDERSTOOD AND AGREED TO THE TERMS AND CONDITIONS SET FORTH HEREIN AND IN THE ADV PART II FOR THE ADVISOR. FURTHER, UNDER PENALTY OF PERJURY, THE CLIENT HEREBY CERTIFIES TO THE ADVISOR, THE DISCRETIONARY MANAGER(S), THE CUSTODIAN(S), AND ANY TRANSFER AGENT OR BROKER-DEALER THAT (1) THE SOCIAL SECURITY OR FEDERAL TAX IDENTIFICATION NUMBER PROVIDED BY THE CLIENT IS CORRECT, AND (2) UNLESS OTHERWISE NOTED, THE CLIENT IS NOT SUBJECT TO WITHHOLDING DUE TO NOTIFIED PAYEE UNDERREPORTING UNDER SECTION 3406(A)(1)(C) OF THE INTERNAL REVENUE CODE (IF THE CLIENT IS CURRENTLY SUBJECT TO SUCH WITHHOLDING, CLIENT HAS STRICKEN THE LANGUAGE IN THE IMMEDIATELY PRECEDING CLAUSE (2) BEFORE EXECUTING THIS AGREEMENT). INITIAL INVESTMENT OF THE ACCOUNT IS SPECIFIED ON ACCOUNT SETUP FORM ATTACHED.

WRAP FEE PROGRAM – THE FINANCIAL ADVISORY FIRM

The Platform described in this Disclosure Brochure is offered through financial advisory firms such as registered investment advisers and broker-dealers (each, a “Financial Advisory Firm”), serving as the individual investment advisor for each client (the “Client”) with accounts invested through the Platform. In order to participate in the Platform, the Client and the Financial Advisory Firm will enter into a Client Services Agreement (“CSA”) that outlines the services to be performed by the Financial Advisory Firm, the authority of the Financial Advisory Firm and the Client over transactions in the Client’s account, the compensation payable by the Client and other important provisions governing participation in the Platform. The Financial Advisory Firm evaluates the Client’s investment needs and objectives, consults with the Client concerning the Client’s participation in the Platform and is responsible for determining the suitability of various Platform Solution Types (“Solution Types”) for the Client’s investment objectives and financial condition. Each of the Solution Types may be implemented with a number of options, including a range of Risk/Return Profiles (the “Risk/Return Profiles”) and Investment Approaches (the “Investment Approaches”), each described below, so that the Client can customize a strategy by which each of the Client’s accounts under the Platform will be managed or maintained. The specific Solution Type and the components of the strategy selected for the Client’s Account are referred to as the Client’s investment “Strategy.” A Client will establish one or more investment accounts (each an “Account”) through the Platform, and the Client’s Accounts are collectively referred to as the Client’s “Portfolio.”

Set forth below are descriptions of the components and function of the Platform.

ASSETMARK, INC. & ITS OWNERSHIP STRUCTURE

AssetMark, Inc. (“AssetMark”) is a registered investment adviser with the Securities and Exchange Commission (SEC) and provides consulting services to other advisors and investment clients. AssetMark and AssetMark Trust Company (“AssetMark Trust”) are wholly-owned indirect subsidiaries of AssetMark Financial Holdings, Inc. AssetMark Financial Holdings, Inc. is an indirect subsidiary of Huatai Securities, Co., Ltd. (“HTSC”). HTSC is a financial services and securities brokerage firm, incorporated in China and listed on the Shanghai, Hong Kong and London stock exchanges. AssetMark Financial Holdings, Inc., is publicly listed on the New York Stock Exchange (ticker AMK).

The investment divisions of AssetMark, are known as the Investment Strategies Group (“ISG”) and Savos Investments (“Savos”), including Aris.

AssetMark is the sponsor of the Platform, and consults with the Financial Advisory Firms to implement the Platform for their Clients. As part of its services, AssetMark provides Account administration and has developed internet-based software which provides the Financial Advisory Firm with the ability to directly monitor its Client Accounts, download information concerning changes in the Platform, and access current information relating to the Platform. AssetMark also serves as the Portfolio Strategist and Investment Manager for the Market Blend ETF Strategies, Market Dimensions, WealthBuilder, Guided Income Solutions, and the Guided Portfolios which includes the GPS Fund Strategies and GPS Select. GPS Fund Strategies will invest in pre-determined allocations of the GuidePath Funds, with the option to also include additional investment options such as alternative investments. GPS Select will invest in pre-

determined allocations to various Investment Approaches and within each Investment Approach, will make allocations to various Portfolio Strategists and Investment Managers.

Additionally, AssetMark also serves as the investment adviser for the following registered investment companies available in certain Solution Types under the Platform:

- 1) GPS I, a series of sub-advised no load mutual funds that include the GuideMark Funds;
- 2) GPS II, a series of no-load mutual funds that include two GuideMark Funds as well as nine GuidePath funds of funds; and
- 3) the Savos Investments Trust Dynamic Hedging Fund (“Savos DHF”), a registered investment company used by Savos to provide risk mitigation in certain Solution Types

AssetMark is not registered with the Commodity Futures Trading Commission (“CFTC”) as a commodity trading advisor, based on its determination that it may rely on certain exemptions from registration provided by the Commodity Exchange Act (“CEA”) and the rules thereunder. The CFTC has not passed upon the availability of these exemptions to AssetMark. AssetMark currently acts as a registered a “commodity pool operator” (“CPO”) with respect to the Savos DHF, the GuideMark Opportunistic Fixed Income Fund, the GuidePath Managed Futures Strategy Fund and its wholly- owned controlled foreign corporation, the GuidePath Managed Futures Strategy Cayman Fund. AssetMark is registered as a CPO under the CEA and the rules of the CFTC.

Representatives of third-party broker-dealer and investment adviser firms (these firms are referred to in this brochure as “Financial Advisory Firms” and their representatives are referred to as the “Financial Advisors”), consult with Clients to assess their financial situation and identify their investment objectives in order to implement investment solutions and Strategies designed to meet the Client’s financial needs. This is described in more detail in Item 14 Client Referrals and Other Compensation.

PLATFORM OVERVIEW

To establish a Client’s Account on the Platform, the Financial Advisory Firm and Client will enter into a CSA. In establishing the Account, the Client may complete a questionnaire, or otherwise provide information to the Financial Advisory Firm, to enable the Client and the Financial Advisory Firm to identify the Client’s risk tolerance and rate of return objectives. The Client may provide information concerning the Client’s investment experience, anticipated need for liquidity, potential timing of the need for retirement funds, and other investment needs and parameters. This information will assist the Client and the Financial Advisory Firm in selecting which of the Risk/Return Profiles, is most closely aligned with the Client’s investment goals.

RISK/RETURN PROFILES

One of the fundamental elements of the Platform is establishing the Client’s appropriate Risk/Return Profile. These Profiles range from most conservative (lowest estimated risk and lowest potential return) to most aggressive (highest estimated risk and highest potential return).

The investment objectives for each of the six Risk/Return Profiles are listed below:

Profile 1 – Conservative

- The profile is designed for an investor who wants to focus on preservation of capital as a primary goal and wishes to minimize downside risk.

This must remain with the Client

Profile 2 – Moderate Conservative

- The profile is designed for an investor who seeks to preserve capital but wishes to assume moderate downside risk in order to earn a return sufficient to preserve purchasing power.

Profile 3 – Moderate

- The profile is designed for an investor who seeks to balance risk of loss to capital with capital appreciation.

Profile 4 – Moderate Growth

- The profile is designed for an investor who seeks enhanced capital appreciation and is willing to accept greater risk of downside loss and volatility of returns.

Profile 5 – Growth

- The profile is designed for an investor who seeks significant capital appreciation and is willing to accept a correspondingly greater risk of loss and volatility of returns.

Profile 6 – Maximum Growth

- The profile is designed for an investor who seeks the highest level of capital appreciation and is willing to accept the correspondingly greater risk of loss and volatility of returns.

Generally, the percentage allocation to equity securities targeted for each Risk/Return Profile increases for each Profile from Profile 1, Conservative, which would represent the lowest target allocation of equity securities, through Profile 6, Maximum Growth, which would represent the highest target allocation of equity securities. Not all Risk/Return Profiles are available for all solutions and some strategies do not have a Risk/Return profile.

INVESTMENT APPROACHES

Another element of establishing the Client's investment objective is to identify the appropriate mix of Investment Approach(es) to manage risk efficiently and meet the Client's return objectives. Each Portfolio Strategist, Investment Manager and/or Solution Type may be classified by AssetMark based on their Investment Approach. Additionally, the Client may select GPS Fund Strategies, which will allocate assets across some or all Investment Approaches. The Client, with the assistance of their Financial Advisor, may select Solution Types for their Portfolio that represents a blend of different Investment Approaches.

The following Investment Approaches are available:

Core Markets

- Seek to provide exposure to economic growth through a mix of traditional asset classes like equities and fixed income.

Tactical Strategies***Enhanced Return Focus***

- Seek to provide consistent exposure to the equity market while aiming to add return over a benchmark by using thematic stock selection, sector or country rotation strategies or other tactical investment strategies.

Limit Loss Focus

- Seek to limit losses in extreme market downturns while aiming to participate in the equity markets most of the time. These strategies will automatically exit and re-enter equity exposure to allow greater equity participation most of the time and sharply reduce equity exposure when risk of loss is perceived to be high.

Diversifying Strategies***Equity Alternatives***

- Seek to provide risk diversification benefits through non-correlation to equities and having higher impact to returns, specifically not being significantly dilutive to returns. These strategies will have higher levels of volatility and be heavily invested in managed futures, but will typically also include exposure to other alternative strategies like global macro strategies.

Bonds and Bond Alternatives

- Seek to provide risk diversification benefits through non-correlation to equities through traditional bond portfolios or bond alternative portfolios with low variability of return. These strategies will have lower levels of volatility and will periodically include non-traditional bond positions, including market neutral strategies, absolute return strategies and low volatility equity strategies.

The Core Markets and Tactical Strategies will be implemented with either a Capital Appreciation objective or a Multi-Asset Income objective. Capital Appreciation objective seeks to maximize total return within the risk selected by the client. Multi-Asset Income objective seeks to deliver an enhanced level of current income from a range of asset categories. This objective seeks income generation as a primary objective; however, it also considers diversification and risk profile ranges as important components of portfolio construction. Multi-Asset Income strategies will take on risk in pursuit of their objectives as defined by the risk profile to which the objective is being managed.

SOLUTION TYPES

AssetMark makes a number of different Solution Types available to Clients through the Platform. These include:

I. Guided Portfolios

- GPS Fund Strategies
- GPS Select
- Custom GPS Select

II. Single Strategy Solution Types

- Mutual Fund Accounts (Including Market Blend and Individual Mutual Fund Solution Types)
- Exchange-Traded Fund ("ETF") Accounts (including Market Blend)
- Mutual Fund/ETF Blend Accounts

III. Privately Managed Accounts ("PMA") or Separately Managed Accounts ("SMA"), including:

- Individually Managed ("IMA") Accounts, (Equity Balanced, Fixed-Income, and Custom High-Net Worth)

IV. Savos Unified Managed Accounts ("Savos UMA's"), including:

- Savos Preservation Strategy
- GMS Accounts
- Privately Managed Portfolios ("PMP") Accounts
- US Risk Controlled Strategy, and
- Savos Personal Portfolios

V. Multiple Strategy Accounts**VI. Guided Income Solutions****VII. Alternative Investments Solutions**

SERVICES NO LONGER OFFERED

AssetMark also continues to manage other advisory services which are no longer offered to new clients. Clients with these services may contact AssetMark for more information.

The asset allocations created by Portfolio Strategists are comprised of (i) open-end mutual funds, (ii) ETFs, which are baskets of securities, tracking a wide variety of market indexes, that are traded as individual securities on a national exchange, and (iii) individual securities for Consolidated Managed Accounts. Each of these Solution Types is discussed in more detail in separate subsections below.

The Portfolio Strategists select and monitor the performance of the mutual funds, ETFs, mutual fund/ETF blend, and securities within their asset allocations and will periodically adjust and rebalance the asset allocations in accordance with their investment strategies.

From time to time, AssetMark will add or delete from the Platform:

- a) the mutual funds and ETFs available through the Platform;
- b) the investment managers used in the IMA Accounts;
- c) Portfolio Strategists; and
- d) other investment management firms providing asset allocations and asset selections for Platform Solution Types.

The Financial Advisory Firm reviews the Portfolio Strategists', investment managers' and investment management firms' decisions on behalf of the Client and makes or recommends investment decisions (depending upon the specific form of Client Services Agreement entered into between the Financial Advisory Firm and the Client) based on such analysis.

Additionally, the Client may establish an Account to hold "non-managed" assets (an "Administrative/Non-Managed Account"), including a Cash Alternative Account or a General Securities Account.

PORTFOLIO STRATEGISTS

AssetMark establishes and will periodically review and confirm or adjust the guidelines provided to the investment management firms, referred to as Portfolio Strategists, who create the asset allocations under each of the Risk/Return Profiles. AssetMark serves as the Portfolio Strategist for the GPS Fund Strategies. Aris, a division of AssetMark, serves as the Portfolio Strategist for the Asset Builder, Personal Values, and Income Builder strategies. These strategies are further described in Exhibit B.

The Portfolio Strategists used in mutual fund, ETF, mutual fund/ETF blend, and IMA Accounts are selected by AssetMark in order to provide a wide range of investment options and philosophies to Financial Advisory Firms and their Clients. In constructing their asset allocations, each of the Portfolio Strategists will generally provide a range of asset allocations that will correspond to one or more of the four Investment Approaches and one or more of the six Risk/Return Profiles, ranging from "Conservative" to "Maximum Growth." The Portfolio Strategists use technical and/or fundamental analysis techniques in formulating their Investment Approaches and some will incorporate strategies with specific income distribution objectives. Although each of the Risk/Return Profiles includes asset allocations developed by several Portfolio Strategists, each of the Portfolio Strategists nevertheless has its own investment style resulting in the use of different asset classes, and mutual fund, ETF, or investment management firm options within their asset allocations. The Investment Approaches will be comprised of a combination of asset classes, represented by mutual funds, ETFs, or individual securities in Accounts, and these asset classes will include, but are not limited to the following:

- *US equities.* Large Cap Growth, Large Cap Value, Mid Cap Growth, Mid Cap Value, Small Cap Growth, Small Cap Value
- *International equities.* Developed Markets, Emerging Markets
- *Fixed Income.* US Core, High Yield, Global, International, Emerging Markets
- *Other.* REITs, Commodities, Absolute Return Strategies, hedging strategies and other non-standard sectors including alternatives.
- *Cash*

The objective is to provide Clients with a variety of asset allocation methods for accomplishing the Client's investment objectives. The Client and their Financial Advisors must review each Portfolio Strategist's investment style prior to making the election of which Portfolio Strategist and Investment Approach to follow for each Client Account under the Platform.

Portfolio Strategists will provide AssetMark with instructions to rebalance (return back to policy mix) and/or reallocate (change the target mix) portfolios, either periodically or as they deem appropriate over time, depending on their specific Investment Approach and investment process. These adjustments to the asset allocations will result in transactions in accounts. The Financial Advisory Firm or the Client (depending on whether the form of Client Services Agreement is Discretionary or Non-Discretionary, respectively) instructs and directs that the Client's account be invested in accordance with all adjustments and rebalancing of the asset allocations identified on the Account Set-Up Form and Application unless and until the Client or Financial Advisory Firm expressly terminates the automatic adjustment and rebalancing and/or executes written instructions to change the Portfolio Strategist or asset allocations in which the account is invested. In this way, the Client's account will be automatically traded to align with all adjustments and rebalancing made by the Portfolio Strategists of the asset allocations currently reflected on the Account Setup Form, unless and until the Client or Financial Advisory Firm (depending on the authority in the Client's Agreement) instructs otherwise. Client will receive notification of all transactions implemented in the account in compliance with the foregoing instructions on a periodic basis in the form of an account statement to be provided by the account Custodian. Upon any portfolio rebalancing by a Portfolio Strategist, change in Portfolio Strategist or asset allocation selection by the Client or Financial Advisory Firm, or any other transaction in the Client's Account, the transactions will be effected automatically through software administered by AssetMark.

AssetMark will from time to time add or remove a Portfolio Strategist in its discretion. As the Portfolio Strategists identify other mutual funds, ETFs or investment management firms suitable for the Platform, AssetMark will periodically add or remove mutual funds, ETFs or investment management firms to those available for use in the Portfolio Strategists' asset allocations.

Although most of the Portfolio Strategists creating asset allocations composed of mutual funds consider all of the mutual funds available under the Platform in designing their asset allocations, certain Portfolio Strategists compose their mutual fund asset allocations utilizing only those mutual funds managed by affiliates of the Portfolio Strategist. These "proprietary" Portfolio Strategists will be identified in factsheets or other descriptive materials provided to Clients and Financial Advisory Firms. In addition, one or more of the Portfolio Strategists will construct their asset allocations using funds managed by AssetMark or an affiliate, including the GuideMark and GuidePath Funds. AssetMark advised mutual funds are known as "Proprietary Funds." The GuideMark and GuidePath Funds are a series of no-load mutual funds that are considered retail No Transaction Fee ("NTF") funds advised by AssetMark and sub-advised by a group of institutional investment managers. AssetMark serves as Portfolio Strategist and

This must remain with the Client

uses Proprietary Funds in their respective Strategies. A Prospectus for the Proprietary Funds can be obtained upon request from AssetMark or your Financial Advisor. Please review and consult with your Financial Advisor if you have further questions regarding these Funds.

AssetMark makes available to the Financial Advisory Firm and the Financial Advisor written descriptions of each of the Portfolio Strategists, including a brief history of each firm and an overview of the Portfolio Strategists' key investment management personnel, which the Financial Advisor may share with the Client. The Client and Financial Advisory Firm may select more than one Portfolio Strategist and/or asset allocation for the Client's Accounts, and, as noted above, the Client and Financial Advisory Firm are free to change Portfolio Strategists, asset allocations or the mutual fund or ETF components of their Portfolios from time to time, though any change by a Client in the components of a specific asset allocation used for a Client's Account will result in a custom portfolio for that Account which would no longer be automatically rebalanced along with the Portfolio Strategist's rebalancing of its asset allocation. The Client is free to consult with the Financial Advisory Firm at any time concerning the portfolio, and AssetMark is available to consult with Clients and Financial Advisory Firms concerning the administration of the Platform. It is not anticipated that Clients or Financial Advisory Firms will have the opportunity to consult directly with the Portfolio Strategists concerning their asset allocation Strategies, although the Financial Advisory Firms will be provided with information concerning such Strategies and any updates or revisions to such information. For more information regarding specific Portfolio Strategists' investment processes and philosophy, or to request a copy of a Portfolio Strategist's Form ADV Part 2A Disclosure Brochure, contact your Financial Advisor or AssetMark's Compliance department at the address on the front cover of this Brochure.

I. GUIDED PORTFOLIOS

GPS Fund Strategies

For GPS Fund Strategies, AssetMark will provide investment allocations across Investment Approaches based on investment objectives, market outlook, risk profile and other preferences. GPS Fund Strategies primarily utilize proprietary NTF funds, or retail share class mutual funds advised by AssetMark. AssetMark advised mutual funds are collectively known as "Proprietary Funds." Because the GPS Fund Strategies invest in Proprietary Funds, there is no Platform Fee charged on those assets. For NTF funds or retail shares the cost of distributing the funds and shareholder servicing is included in the administrative service fees, sub-transfer agency fees and/ or 12b-1 fees the mutual fund company collects from the shareholders and in turn pays to the custodian. The GPS Fund Strategies will not use institutional shares which are shares that generally do not charge 12b-1 fees. See Servicing Fees Received by AssetMark and Share Class Use in Item 4, Service, Fees and Compensation.

The AssetMark Investment Services Group ("ISG") starts with a baseline allocation across Core Markets, Tactical Strategies and Diversifying Strategies; however, these allocations will tilt over time based on their view of the risk environment. In times of heightened risk concentration, they will tilt more toward Diversifying Strategies – Equity Alternatives while, in times of lower risk concentration, they will maintain the baseline allocation. In times of heightened market risk, they will tilt more towards Diversifying Strategies – Bonds & Bond Alternatives while in times of lower risk they will maintain the baseline allocation. This allocation mix is met with the use of GuidePath Funds and, as needed, GuideMark Funds. GPS Fund Strategies are available with or without an exposure to alternative investment mutual funds. With the assistance of the Financial Advisor, the Client's selected GPS Strategy will take into account the Client's investment objective, if the Client is in an accumulation or distribution phase, if the Client seeks to

have exposure to alternative investments or not, or seeks to use GPS Fund Strategies as a focused strategy in order to complement other Solution Types selected for the Client Portfolio.

Investment Objective: Accumulation vs. Distribution.

Accumulation Objective. An accumulation objective typically refers to investors who are still working and seeking to build their wealth base. Strategies are allocated with a blended mix of Investment Approaches with an emphasis on growth of capital.

Distribution Objective. A distribution objective typically refers to investors who are in or near retirement and seeking to take withdrawals from their asset base over time. Strategies are allocated with a blended mix of Investment Approaches with an emphasis toward providing income through the use of multi-asset income strategies.

Focused GPS Fund Strategies. Focused GPS Fund Strategies provide a means for clients to access pre-set strategies based primarily on the client's risk profile and their desire for focused exposure to one or more Investment Approach used to complement other Solution Types selected for the Client Portfolio. These include either a combination of Core Markets investment approaches, or a specific or combination of Tactical and Diversifying Strategies.

Core Markets Focused. Strategies are generally allocated to Core Markets and Diversifying Strategies - Bonds and Bonds Alternatives Investment Approaches In a blended mix.

Tactical Focused. Strategy is allocated solely to Tactical Strategies – Limit Loss Focus.

Tactical Low Volatility. Strategies are allocated to Tactical Strategies – Limit Loss Focus and Diversifying Strategies – Bonds and Bond Alternatives in a blended mix.

Low Volatility Focused. Strategy is allocated solely to Diversifying Strategies – Bonds and Bond Alternatives.

Multi-Asset Income Focused. Depending on the profile, strategies are allocated to Core Markets Investment Approaches, Tactical Strategies – Limit Loss Focus, or Diversifying Strategies – Bonds and Bond Alternatives. A core position in the GuidePath Multi-Asset Income Fund is held with complementary exposure to GuidePath Aggressive Allocation, Tactical Allocation and Flexible Income. The standard minimum for a GPS Fund Strategies account is \$10,000. Service share class of the GuidePath Funds are used within the GPS Fund Strategies and pay management fees to AssetMark. The GuidePath Funds pay 12b-1 and service fees to the custodians. Refer to Item 4, "Service, Fees and Compensation" for more information about indirect fees mutual fund shareholders pay.

GPS Select

For GPS Select, AssetMark will provide investment allocations across Investment Approaches based on investment objectives, market outlook, risk profile and other preferences. Additionally, AssetMark will select the mix of Portfolio Strategists and Investment Managers, including Aris and Savos solutions, and including Proprietary Funds. The AssetMark investment team starts with a baseline allocation across Core Markets, Tactical Strategies and Diversifying Strategies; however, these allocations will tilt over time based on their view of the risk environment. In times of heightened risk concentration, they will tilt more toward Diversifying Strategies – Equity Alternatives while, in times of lower risk concentration, they will maintain the baseline allocation. In times of heightened market risk, they will tilt more towards Diversifying Strategies – Bonds & Bond Alternatives while in times of lower risk they will maintain the baseline allocation.

This must remain with the Client

GPS Select will invest in Strategies which include investments in both mutual funds and ETFs. Mutual fund share class is selected on a fund by fund basis and seeks to utilize institutional share classes. AssetMark will seek to use institutional classes where these share classes are available. When AssetMark uses institutional share class funds, the Platform fee is higher than if retail share class funds are used. The Platform Fee for these solutions are used to pay for the administration and servicing of the accounts that AssetMark performs. In striving for consistency across all custodial options on the Platform in the GPS Select, AssetMark will seek to select the lowest cost share class available across custodians and that aligns the stated program account minimum and allocation weighting of funds held with the fund's prospectus requirements. Due to specific custodial or mutual fund company constraints, the institutional share class is not always consistently available. In those cases, AssetMark will seek to invest clients in the lowest cost share class that is commonly available across custodians. In some cases, the lowest share class may be the retail share class. If AssetMark's Proprietary Funds are used, investment will be in a retail share class which means it will include a shareholder services fees, sub-transfer agency fees and/or 12b-1 fees. However, no Platform Fee is charged on those account assets invested in Proprietary Funds. See Servicing Fees Received by AssetMark and Share Class Use in Item 4, Service, Fees and Compensation.

Important Note: Beginning on April 30, 2020, third-party mutual fund strategies will invest in institutional share classes, which are shares with no 12b-1 fees. When institutional share class funds are used, the Platform is higher than when retail share class funds are used. See the Platform Fee Updates at the back of this brochure.

Clients may select from the following GPS Select Solutions:

- *Select Wealth Preservation.* Strategies are allocated with a blended mix to selected strategist portfolios within Core Markets, Tactical Strategies and Diversifying Strategies Investment Approaches. This strategy is designed for wealth preservation and protection from inflation.
- *Select Accumulation.* Strategies are allocated with a blended mix to selected strategist portfolios within Core Markets, Tactical Strategies and Diversifying Strategies Investment Approaches.
- *Select Distribution.* Strategies are allocated with a blended mix to selected strategist portfolios within Core Markets, Tactical Strategies and Diversifying Strategies Investment Approaches. Strategist selection will be focused toward strategists managing to a multi-asset income mandate or where income is a large component of the strategy. This strategy is also designed to provide an enhanced level of income and to control portfolio volatility.

Focused GPS Select are based primarily on the client's risk profile and the Client's desire for focused exposure to one or more Investment Approaches used to complement other Solution Types selected for the Client Portfolio.

- *Select Low Volatility.* Strategies are allocated with a blended mix to selected strategist portfolios representing the Diversifying Strategies - Bonds and Bond Alternatives Investment Approach. This focused investment strategy targets low volatility with a low level of return.
- *Select Tactical.* Strategies are allocated with a blended mix to selected strategist portfolios representing the Tactical Strategies - Limit Loss Focus and Diversifying Strategies - Bonds and Bond Alternatives Investment Approaches. This focused investment strategy seeks to limit participation in extreme market downturns

while generally participating in normal markets. Higher risk profiles will hold higher exposure to Tactical Strategies while lower risk profiles will hold higher exposures to Diversifying Strategies.

- *Select Multi-Asset Income.* Strategies are allocated with a blended mix to selected strategist portfolios representing the Multi-Asset Income Mandate spanning the Core Markets, Tactical Strategies and Diversifying Strategies Investment Approaches. This focused investment strategy seeks to provide an enhanced level of income across changing markets.

AssetMark manages GPS Select using limited discretionary authority. While AssetMark will exercise limited discretion on the portfolio asset allocation within portfolio investment sleeves, AssetMark relies upon the strategists to conduct security selection. As mentioned above AssetMark will seek to utilize the lowest cost mutual fund for accounts in the GPS Select Solutions, however, there will be circumstances where AssetMark is not able to obtain the lowest cost mutual fund share class available, and will have exercised "discretion" in selecting an alternative share class.

The standard minimum investment for the GPS Select Solutions ranges from \$50,000 to \$250,000. AssetMark reserves the right, in its sole judgment, to accept certain investments below the standard minimum.

Refer to Exhibit A at the back of this Disclosure Brochure for more information.

Custom GPS Select

GPS Select, as described above, may be customized within a specific range from the baseline to various Investment Approaches. The Client, with the assistance of their Financial Advisor, may select from various Investment Approaches from Portfolio Strategists and Investment Managers, including Savos and Proprietary Funds. In doing so, and by selecting within the range of pre-determined allocations, a Custom GPS Select account will be established. Each Portfolio Strategist, Investment Manager or mutual fund selection is referred to as a "sleeve" allocation. If a mutual fund solution type is selected, the share class used will be consistent with the underlying single strategy investment solution.

AssetMark will make available the specific range of pre-determined allocations, which range will be updated from time to time. The number of sleeves selected may vary from a minimum of three to a maximum of eight sleeve selections, to comprise the entire Custom GPS Select account. The standard minimum account by sleeve may vary and AssetMark's revenue is likely to increase or decrease based on the sleeve allocation agreed upon by the Client.

II. SINGLE STRATEGY SOLUTION TYPES

Mutual Fund Solution Types

Through the Custodian partners, a variety of mutual funds are used as the vehicles for implementing the Portfolio Strategists' asset allocations. These mutual funds include both NTF funds and mutual funds that generally do charge a sales load, but where the sales charge has been waived. The mutual funds available provide the Portfolio Strategists with a diversified range of asset classes and investment objectives from which to select in structuring their asset allocation strategies. The mutual fund families made available for use by the Portfolio Strategists are selected based on a number of criteria, and fund families will be added or removed from the Platform from time to time.

Portfolio Strategists select from third party mutual funds that are Proprietary Funds, NTF funds, load waived, or retail mutual fund share classes that are available on each custodian's platform. These mutual fund share classes are also be known as retail shares classes because the cost for distributing the funds and shareholder servicing is included in the administrative service fees, sub-transfer agency fees and/or 12b-1 fees the mutual fund company collects from the shareholders and in turn pays the custodian. There are no per trade transaction fees charged to the client in the mutual fund Solution Types on the AssetMark Platform. Except for the GPS Select solutions discussed above, Portfolio Strategists will not use institutional mutual fund share classes which are shares with no 12b-1 fees.

Important Note: Beginning on April 30, 2020, third-party mutual fund strategies will invest in institutional share classes, which are shares with no 12b-1 fees. When institutional share class funds are used, the Platform is higher than when retail share class funds are used. See Servicing Fees Received by AssetMark and Share Class Use in Item 4, "Service, Fees and Compensation" for more information on the custodial support payments AssetMark receives from custodians, as well as the indirect fees the Client pays through their investment in mutual funds.

For more information on the custodial support payments AssetMark receives from custodians, as well as the indirect fees the Client pays through their investment in mutual funds.

In the Mutual Fund Solution Type, all four Investment Approaches are available. Information regarding the Solution Types and the Portfolio Strategists available for each of the Investment Approaches is available from your Financial Advisor.

For a Mutual Fund Solution Type, the Client, with the assistance of the Financial Advisory Firm, selects for the management of the Account: (1) a Risk/Return Profile; (2) an Investment Approach, as represented by the selected Portfolio Strategist; and (3) for some, but not all Mutual Fund solutions, a Mandate. For certain mutual fund strategies where Altegris is the Portfolio Strategist, an Investment Approach is not selected.

All mutual funds purchased for the Client's Portfolio are held by a Custodian selected by the Client and the Financial Advisory Firm. Each of the Client's investments is held by the Custodian in the Client's name in a separate account. The Client is entitled to receive a copy of the Prospectus for each mutual fund, and confirmations of each security purchased and sold for the Client's account (either separately or as part of the periodic custodial statement) and copies of all annual and periodic reports issued by the mutual funds the Client holds, and the Client may be able to delegate receipt of such materials and confirmations to a third party, such as the Client's Financial Advisory Firm, depending on the terms of the custody agreement with the Client's Custodian. In addition, the Client retains all indicia of beneficial ownership, including, without limitation, all voting power and other rights as a security holder in each of the funds held for the Client.

Market Blend Mutual Fund Strategies

For Market Blend Strategies, AssetMark will provide the following strategic asset allocation strategies. With the assistance of the Financial Advisor, Clients may select from the following Market Blend Mutual Fund Strategies:

Mutual Fund Strategies

- Global GuideMark Market Blend
- US GuideMark Market Blend

These strategies will provide a strategic asset allocation across seventeen core asset classes in an effort to capture broad capital market returns while seeking to balance the pursuit of maximum total return against the control of risk in the portfolio. The Global model will take global exposures while the US model will take domestic US exposures. Asset class exposures are reviewed on a quarterly basis for drift against volatility based targets. Where the drift exceeds pre-set criteria, the Account will be rebalanced. The investment vehicles used to implement the strategy are the proprietary GuideMark Funds that provide exposure to each of the asset classes. Because proprietary funds are used, there is no separate Platform Fee for the market Blend Mutual Fund strategies.

It is important to note that client accounts invested in Market Blend Mutual Fund strategies will receive allocations, determined by AssetMark, among the GuideMark Funds. AssetMark will receive advisory fees from the mutual funds in which these accounts invest. The mutual fund advisory fees differ between funds and the total fund advisory fees collected by AssetMark will vary depending upon the profile selected by the client and the fund allocation within each profile. If a client elects a Market Blend Mutual Fund Solution, client authorizes and instructs that the account be invested pursuant to the selected profile, acknowledges that the fund advisory fees collected by AssetMark will vary, and approve of the fund advisory fee payments to AssetMark, within the ranges provided In Exhibit A. Client will be given notice if these ranges or funds change and it results in a higher average weighted fee earned. Unless the Client or Financial Advisor gives notice to AssetMark, Client consents to these changes. See Exhibit A for more information.

MarketDimensions Mutual Fund Strategies

For the MarketDimensions Strategies, AssetMark will seek to create strategic global portfolios through a combination of multiple asset classes including equities and fixed income. In seeking to maximize total return, these strategies allocate to a diversified portfolio of domestic and international equity securities, domestic and international fixed income securities, and cash equivalent money market securities indirectly using Dimensional Fund Advisors mutual funds (DFA Funds).

With the assistance of the Financial Advisor, Clients may select from the following MarketDimensions Mutual Fund Strategies.

- *Standard.* The Global Standard Strategy will represent asset classes selected from the broad universe of DFA Funds.
- *Tax-Sensitive.* The Tax-Sensitive Strategy will represent asset classes seeking to use tax-advantaged DFA Funds where possible.

The strategy will be reallocated typically one to two times per year. AssetMark will monitor the Strategies' exposures to the asset classes on a quarterly basis for excessive drift against volatility-based targets and will rebalance the Strategies if targets are breached.

OBS Mutual Fund Strategies (available on or after April 30, 2020)

AssetMark will seek to create strategic global portfolios through a combination of multiple asset classes including equities and fixed income. In seeking to maximize total return, these strategies allocate to a diversified portfolio of domestic and international equity securities, domestic and international fixed income securities, and cash equivalent money market securities indirectly using Dimensional Fund Advisors mutual funds (DFA Funds). These strategies will bias towards the factors favored by Dimensional Fund Advisors.

With the assistance of the Financial Advisor, Clients may select from the following OBS Mutual Fund Strategies.

This must remain with the Client

- *AssetMark DFA/EFS*. The Flagship Strategy will represent asset classes selected from the broad universe of DFA Funds.
- *AssetMark DFA/EFS Enhanced International*. The Enhanced International Strategy will represent asset classes selected from the broad universe of DFA Funds and will tilt exposures more towards international markets.

The strategies will be reviewed at least annually for reallocation. AssetMark will monitor the strategies' exposures to the asset classes on a quarterly basis for excessive drift against volatility-based targets and will rebalance the strategies if targets are breached.

Individual Mutual Fund Solution Types

A Client, with the assistance of their Financial Advisor, may also select from Individual Mutual Fund ("IMF") Solution Types. The IMF Solution Type is intended to complement other Solution Types available on the AssetMark platform, as part of the Client's overall portfolio. The IMF's used in in this advisory service can consist of Proprietary or third-party funds and are available in all Investment Approaches. Clients should be aware that the Platform Fees charged by AssetMark for this service may be higher or lower than those charged by others in the industry, or directly from the third-party mutual fund provider, and that it may be possible to obtain the same or similar services from other investment advisers at lower or higher rates. A Prospectus for any individual mutual fund made available under this Solution Type may be obtained upon request from AssetMark or your Financial Advisor. Please review and consult with your Financial Advisor if you have further questions regarding these Funds. The mutual funds selected for use will be NTF funds that include administrative service fees, sub-transfer agency fees and/or 12b-1 fees. If proprietary funds are used, there is no Platform Fee. If third party mutual funds are used, there is a Platform Fee in addition to the fees charged by the fund. See the Fees & Minimum table at the back of this Disclosure Brochure.

ETF Solution Types

An ETF is an investment fund traded on stock exchanges and holds assets such as stocks, commodities, or bonds, and can be traded over the course of the trading day. Each investor owns shares, which represent a portion of the holdings of the fund, and ETFs, like mutual funds, have management fees paid to the manager of the ETF but it is not a separate charge to the client. There are no separate share classes for ETFs. ETF solutions will primarily invest in third-party ETFs, and are not advised by AssetMark.

In the ETF Solution Type, all Investment Approaches are available.

For an ETF Solution Type, the Client, with the assistance of the Financial Advisory Firm, selects for the management of the Account: (1) a Risk/Return Profile; (2) an Investment Approach, as represented by the selected Portfolio Strategist; and (3) for some, but not all ETF Solution Types, a Mandate.

For Clients selecting an ETF Solution Type, their Account will be invested in exchange traded funds ("ETFs") consistent with allocations provided by a Portfolio Strategist for the Risk/Return Profile selected by the Client. A Portfolio Strategist may compose their ETF asset allocations utilizing only those ETFs managed by the Portfolio Strategist or an affiliate of the Portfolio Strategist. Some ETF solutions also invest in exchange traded notes ("ETNs"), which are senior, unsecured debt securities issued by an underwriting bank. In the ETF Solution Type, all four Investment Approaches are available. Unless otherwise restricted by the Client in writing and accepted by AssetMark, the Account can also include some non-ETF investments, or an allocation to proprietary mutual funds managed by the Portfolio Strategist. In addition, the Client retains all indicia of beneficial ownership, including, without limitation,

all voting power and other rights as a security holder in each of the funds held for the Client.

Market Blend ETF Strategies

For Market Blend Strategies, AssetMark will provide the following strategic asset allocation strategies. With the assistance of the Financial Advisor, Clients may select from the following Market Blend ETF Strategies:

ETF Strategies

- *Global Market Blend Strategies*. These strategies will provide a global strategic asset allocation across seven-ten core asset classes in an effort to capture broad capital market returns while seeking to balance the pursuit of maximum total return against the control of risk in the portfolio. Asset class exposures are reviewed on a quarterly basis for drift against volatility based targets. Where the drift exceeds pre-set criteria, the Account will be rebalanced. On at least an annual basis the asset class exposures are reviewed for reallocation of the strategy. The investment vehicles used to implement the strategy are ETFs that are representative of the cap-weighted indices for each of the asset classes and lower cost.
- *US Market Blend Strategies*. These strategies will provide a domestic strategic asset allocation across seven-ten core asset classes in an effort to capture broad capital market returns while seeking to balance the pursuit of maximum total return against the control of risk in the portfolio. Asset class exposures are reviewed on a quarterly basis for drift against volatility based targets. Where the drift exceeds pre-set criteria, the Account will be rebalanced. On at least an annual basis the asset class exposures are reviewed for reallocation of the strategy. The investment vehicles used to implement the strategy are ETFs that are representative of the cap-weighted indices for each of the asset classes and lower cost.

The standard minimum investment through the Platform will generally be \$25,000 for the Market Blend Strategies.

Mutual Funds/ETF Blend Solution Types

For Clients selecting a Mutual Fund/ETF Blend Solution Type, their Account will be invested in a blend of mutual funds and ETFs consistent with allocations provided by a Portfolio Strategist for the Risk/Return Profile selected by the Client, and as described in the preceding Mutual Fund and ETF sections.

AssetMark has also developed an administrative structure allowing for the development of portfolios using ETFs, and some ETF solutions also invest in ETNs. Although ETFs are priced intra-day in the same manner as other equity securities, AssetMark typically directs trades for ETFs to the Custodian selected by the Client and the Financial Advisory Firm once daily. The actual timing of trade order execution will vary, depending upon trade volume, systems limitations and issues beyond AssetMark's control, and the actual fulfillment of trade orders by the broker in the market can take place at different prices and different times throughout the day. AssetMark submits ETF trades for a given day to each broker in a random order to provide the most feasibly equivalent execution for all participating Clients. With respect to ETF Accounts which include ETFs for which it may be impracticable to execute transactions in a single day in response to a Portfolio Strategist's adjustments and rebalancing of its ETF asset allocation model, the Client also hereby instructs, authorizes and directs that such Accounts be traded in accordance with instructions on timing and price levels given by AssetMark to the Custodian, which AssetMark will obtain from the Portfolio Strategist to the extent practicable. When a Portfolio Strategist implements a reallocation adjustment or rebalance to its ETF strategy, and/or in the case of exceptionally high volume

requests, the Client and Advisor hereby instruct, authorize and direct that such Accounts be traded in accordance with instructions provided by AssetMark to an alternate broker or “authorized participant” liquidity provider selected by AssetMark with the instruction to “step out” those trades on a net fee basis. There are no separate fees charged for ETF trades that are stepped out to an alternate broker, unless in the case of a broker trading on an agency basis, in which their flat fee will be included in the execution price. On a quarterly basis, AssetMark’s Execution Review Committee will review the step out trade activity in the accounts.

All ETFs purchased for the Client’s Portfolio are held by a Custodian selected by the Client and the Financial Advisory Firm. Each of the Client’s investments is held by the Custodian in the Client’s name in a separate account. The Client is entitled to receive a copy of the Prospectus for each ETF, and confirmations of each security purchased and sold for the Client’s account (either separately or as part of the periodic custodial statement) and copies of all annual and periodic reports issued by the ETFs the Client holds, and the Client may be able to delegate receipt of such materials and confirmations to a third party, such as the Client’s Financial Advisory Firm, depending on the terms of the custody agreement with the Client’s Custodian. In addition, the Client retains all indicia of beneficial ownership, including, without limitation, all voting power and other rights as a security holder in each of the funds held for the Client.

WealthBuilder Strategies

For WealthBuilder Strategies, AssetMark will provide strategic investment allocations across Investment Approaches based on investment objectives, market outlook, risk profile and other preferences. ISG combines a Core Market globally focused portfolio of ETFs with three complementary third party mutual funds that represent Tactical Strategies and Diversifying Strategies. The strategy will also be comprised of a 5% allocation to cash. The goal of the portfolio is to manage risk efficiently through diversification of strategy. The Core Market portfolio will provide a strategic asset allocation across seven to ten core asset classes in an effort to capture broad capital market returns while seeking to balance the pursuit of maximum total return against the control of risk in the portfolio. The portfolio is globally diversified with asset class exposures reviewed on a quarterly basis for drift against volatility-based targets. Where the drift exceeds pre-set criteria, the Account will be rebalanced. The mutual funds complement the Core Market portfolio and are selected based upon their representation of the approach. Each Fund undergoes deep due diligence before being used within the strategy, and institutional shares are used. On an annual basis, the portfolio’s exposures are reviewed for reallocation of the strategy.

Investment Objective: Investors who are still working and seeking to build their wealth base. Strategies are allocated with a blended mix of Investment Approaches with an emphasis on growth of capital.

The standard minimum for a WealthBuilder Strategy account is \$25,000. Refer to Item 5 “Fees and Compensation” for more information about indirect fees mutual fund shareholders pay.

III. PMA ACCOUNTS

A Privately Managed Account (“PMA”) or Separately Managed Account (“SMA”) Solution Type can be established as:

- Individually Managed Account (“IMA”) Equity/Balanced, Fixed Income and Custom High Net Worth, or
- Separately Managed Account under Equity/Balanced, Fixed Income or Custom High Net Worth options.

AssetMark has contracted with third party investment management firms to act as “Investment Managers” for client accounts. For certain PMA solutions, AssetMark, through its Savos or Aris divisions, acts as the “Investment Manager”. The Investment Manager will provide discretionary investment management services to the Account and the Client grants the Investment Manager the authority to buy and sell securities and investments for the Account, vote proxies for securities held by the Account, to select the broker-dealers or others with which transactions for the accounts will be effected, and such other actions that are customary or appropriate for an Investment Manager to perform. The Investment Manager is responsible for selecting the securities for client investment, including the share class if the investment is in mutual funds. Custody fees, if charged, are asset based. There are generally no transaction fees charged in the PMA program. However, the Investment Manager has the authority to “step-out” a trade and use a brokerage firm other than that usually used with the Client’s selected Custodian, and such trading will result in additional fee(s) from the Account Custodian, unless such fees are waived. If a Discretionary Manager of an IMA determines to “step out” or “trade away” a trade, the Custodian’s may assess a fee of \$20.00 per trade. This transaction fee would be in addition to any commission or trading costs. If an account is invested in fixed income investments, e.g., an Eaton Vance bond ladder IMA, the Client should expect this \$20 fee on each security transaction. The Investment Manager is also be referred to as a “Discretionary Manager.” In addition, Investment Managers and Portfolio Strategists are collectively referred to as “Investment Solution Providers” in marketing materials.

The Investment Manager is also referred to as a “Discretionary Manager” or “Overlay Manager”.

IMA Accounts

Investment Managers will provide discretionary investment management services to IMA Clients in accordance with the stated investment objectives of each Investment Manager and the individual objectives of each Client. AssetMark has contracted with certain consulting firms to provide services for IMAs with respect to the selection and/or on-going monitoring of certain Investment Managers.

Each Client, with the assistance of the Financial Advisory Firm and based on the Client’s individual investment objectives, designates one or more individual Investment Manager(s) and/or a selection of Mutual Funds to comprise the Client’s IMA. There are no Investment Approaches or separate Risk/Return Profiles available for an IMA Account.

In certain IMA Solutions, Clients may receive from the Investment Manager, and be required to acknowledge receipt of additional disclosures, regarding specific investments such as alternative investments.

For a Savos Fixed Income Account Solution Type, the Client, with the assistance of their Financial Advisor, shall select a Mandate for the management of their account. There are no Investment Approaches or separate Risk/Return Profiles available for a Savos Fixed Income Account.

- *Laddered Bond Mandate.* These Strategies invest the Account in either U.S. Treasury, U.S. Agency or U.S. Treasury Inflation Protected bonds, with an intermediate effective duration, on a buy and hold basis.
- *Municipal, Duration-based and the High Income Mandates.* These standard Strategies invest the Account in closed-end funds, ETFs or mutual funds to obtain relevant exposure specific to desired asset categories.

Options strategies will be used for certain IMA Solutions. Clients with IMAs that include investment in options should be aware that options trading can be highly speculative and could result in financial losses even though margin borrowing will not be used for the types

This must remain with the Client

of options traded by these Client Accounts. Options transactions are subject to the rules, regulations, customs and practices of The Options Clearing Corporation (OCC) and the securities exchange, association or clearing organization through which the transactions are executed. Expiring options that are valuable (meaning, in the money) are exercised automatically pursuant to the exercise by exception procedure of the OCC. Additional information about the risks, characteristics and features of options is available at: <http://www.optionsclearing.com/components/docs/riskstoc.pdf>.

For Custom HNW accounts, the Client, with the assistance of the Client's Financial Advisor, selects an Investment Manager to manage the individual Client Account and to provide discretionary investment management services to the Account. The Client grants the Investment Manager the authority to buy and sell securities and investments for the Account, to re-balance and re-allocate assets within the Account, to vote proxies for securities held by the Account and such other discretionary authorities as described in the IMSA, and as determined between the Client, their Financial Advisor and the Investment Manager. As such, the investment objectives for each of the six Risk/Return Profiles as described earlier in this section may not apply to a Custom HNW strategy developed by the Investment Manager for the Client. The Investment Manager, in its discretion will maintain Investment decision records with regards to the Client's custom HNW account.

IV. SAVOS UNIFIED MANAGED ACCOUNTS ("SAVOS UMA")

AssetMark manages Savos UMA Solution Types through Savos whereby Savos serves as "Overlay Manager" and are also referred to as "Discretionary Manager." As Overlay Manager for the UMA Solution Types, Savos provides discretionary investment management services and coordinating recommendations of independent Investment Management Firms acting as portfolio advisers to AssetMark. As Overlay Manager for UMAs, Savos also selects securities directly for Client Accounts. Additional information is provided in Exhibit B.

For Savos UMA Solution Types, Savos employs comprehensive analysis, including specific mathematical, technical and/or fundamental tools and risk-control criteria in the management of Client Accounts. The focus of Savos as Overlay Manager is to add value to each Client's account through: (1) the strategic and tactical determination of asset allocation levels; (2) the formation of portfolios with risk management options to match the portfolio to the Client's chosen level of risk tolerance; and (3) efficient execution of trade orders resulting from ongoing management of the Client's Account.

As part of the UMA Discretionary Manager Designation, Client will direct Savos to invest the Client's Account in accordance with a strategy offered by Savos. Savos UMA Solution Types include GMS Accounts ("GMS"). Investments will be made in part by Savos using securities recommendations by individual Investment Management Firms and, in addition, investment selections by Savos that include, but are not limited to, some or all of the following types of securities: ETFs, closed-end mutual funds, open-end mutual funds, preferred stocks, treasury bonds, bills, notes and bank notes. The asset allocation decisions, Investment Management Firm selection decisions and additional security selection decisions will all be made solely by Savos in its discretion. This discretion includes the substitution of certain securities included in selected Investment Management Firms' asset allocations in consultation with the Investment Management Firm or otherwise, or the selection of individual securities in certain designated asset classes.

For each UMA, risk management solutions implemented through the use of fixed income strategies Portfolio allocations will vary based on individual Client objectives within target allocations established and monitored by Savos.

Set forth below are brief summaries of the Savos Preservation Strategy, PMP, GMS, Savos Personal Portfolios, US Risk Controlled and Savos Wealth strategies offered under the Platform. The Savos Disclosure Brochure section in Exhibit B of this Brochure includes more detailed information about Solution Types offered through AssetMark's Savos Division.

Savos Preservation Strategy. The primary investment objective of the Preservation Strategy is to avoid a calendar year loss. Intra-year volatility and performance will vary and are independent of the Strategy's primary investment objective. There is no guarantee that the Strategy's primary investment objective will be met in all market conditions. The secondary objective is to maximize total return over the long term with no preference to income. This strategy invests in, among other things, "opportunistic" or "specialized asset categories, which include real estate, commodities, precious metals, energy and other less traditional asset classes, with no geographic restrictions. The Savos Preservation Strategy follows Diversifying Strategies - Bonds and Bond Alternatives Investment Approach and is considered to be Risk/Return Profile 1. Additionally, Savos can use one or more proprietary mutual funds within the strategy. The strategy for each proprietary mutual fund is described in more detail in the Prospectus for the Fund. All Proprietary funds utilized are registered investment company for which AssetMark, either directly or through its Savos division, serves as investment adviser.

PMP. In the PMP Solution Type, the Client authorizes Savos to provide discretionary investment management services to the Account. Savos invests the Account, to a substantial degree, consistent with recommendations provided by Investment Management Firms. Savos will generally adjust the holdings in a PMP Account on an ongoing basis.

GMS. For a GMS Solution Type, the Client, with the assistance of their Financial Advisory Firm, will select a "Mandate," a Risk/Return Profile and a risk management option from among investment grade, high yield and municipal fixed income strategies. In the GMS Solution Type, the Client authorizes Savos to provide discretionary investment management services to the Account. Savos invests the Account, to a substantial degree, consistent with recommendations provided by Investment Management Firms. AssetMark also invests portions of the Account in pooled investment vehicles, such as mutual funds or ETFs, or in other securities or investments. AssetMark will generally not adjust the holdings in a GMS Account on an ongoing basis. Instead, unless a security is subject to a corporate action such as an acquisition, AssetMark will generally only sell or readjust Account holdings after a one-year holding period for each position taken for all GMS Accounts, though during the first year of an individual Client's holding a GMS Account, the holding period for that Client's Account will be less than a full year. However, because of its annual adjustment structure, a GMS Account is less able than a non-GMS Account to react to market events or opportunities, and make changes between adjustment dates.

Additionally, Savos can use one or more proprietary mutual funds within the strategy. The strategy for each proprietary mutual fund is described in more detail in the Prospectus for the Fund. All Proprietary funds utilized are registered investment company for which AssetMark, either directly or through its Savos division, serves as investment adviser.

Savos adjusts the holdings in a GMS Account on an ongoing basis. Savos will sell or readjust Account holdings to take advantage of certain opportunities to reduce taxes for the Client.

Savos Personal Portfolios. Savos Personal Portfolios will invest in the Core Market strategies through a mix of traditional asset classes, mainly equities and fixed income, and a tactical strategy. Savos Personal Portfolios seeks to provide total return through the

combination of multiple asset classes predominantly in equity and fixed income. The tactical sleeve adjusts equity exposure, seeking to limit losses in extreme market declines while participating in equity market returns most of the time. The fixed income holdings will include a combination of ETFs and/or mutual funds selected to maximize the yield of the fixed income sleeve while managing to pre-defined risk limits. The Tax-Sensitive strategies will offer an optional, personalized tax-managed transition in the Account and will also offer account-level tax-loss harvesting to Clients.

US Risk Controlled Strategy. For the US Risk Controlled Solution Type, the Client, with the assistance of their Financial Advisory Firm, will select a Risk/Return Profile for the management of their Account.

In the US Risk Controlled Strategy, the Client authorizes Savos to provide discretionary investment management services to the Account. The Client grants Savos the authority to buy and sell securities and investments for the Account, to vote proxies for securities held by the Account and the other discretionary authorities. Savos will select securities for the Account, to a substantial degree, consistent with recommendations provided to Savos by Investment Management Firms that AssetMark selects, retains and replaces. Savos retains the right, however, to allocate across asset classes, which will include such recommended securities, in its own discretion. Savos invests the Account in individual securities and ETFs.

V. MULTIPLE STRATEGY ACCOUNTS

Certain Single Strategy Solution Types discussed above are also available as sleeve level options within a Multiple Strategy Account. In a Multiple Strategy Account, an Account can be customized with no set allocation limits. An account may include sleeve options from various Portfolio Strategists and Investment Managers, including Savos, and Proprietary Funds. In selecting and determining the allocations in each sleeve, a Multiple Strategy Account will be established. The number of sleeves selected may vary within a minimum of two and maximum of eight selections, to comprise the Multiple Strategy Account. The standard minimum account by sleeve will vary. The fees charged for the Multiple Strategy Account will be based on the single-strategy fee schedule for each strategist selection, and weighted based on the allocation to each sleeve.

VI. GUIDED INCOME SOLUTIONS

The Guided Income Solutions are designed to provide a Client with a regular income stream from their investment account based on the Client's objectives and specified criteria. In this program, the Financial Advisor provides the Client criteria, such as desired income and frequency. Based on these responses, a Guided Income Solutions portfolio and portfolio risk profile, seeking to generate the targeted level of distributions, will be suggested for the Client. The Financial Advisor can accept that portfolio or amend the Client criteria based on the Client objectives, risk tolerance or other factors before making a final Guided Income Solution portfolio election. Each risk profile is linked to the portfolio's remaining life. A portfolio that is within 10 years of its end date is deemed to be Profile 1, a portfolio that has more than 10 years but less than 20 years until its end date is deemed to be Profile 2, and a portfolio that has more than 20 years until its end date is deemed to be Profile 3. On an annual basis, the portfolios will be reviewed and the portfolio risk profiles will be adjusted to reflect the remaining life of the portfolio. The portfolio will be broadly diversified and seek to meet the portfolio's stated investment time horizon; however, there is no assurance that the time horizon can be met.

The Guided Income Solutions advisory service will primarily invest in three proprietary institutional mutual funds. GuidePath Funds are

shares that do not charge a 12b-1 fee. Because proprietary funds are used, there is no Platform Fee for the Guided Income Solutions. See Servicing Fees Received by AssetMark and Share Class Use in Item 4, Service, Fees and Compensation and the Fee Schedule and Investment Minimums at the back of this Disclosure Brochure. Each GuidePath Fund is managed to a stated investment objective as outlined in the Fund prospectus. Please refer to the Fund prospectus for more information, including any fees.

For each Guided Income Solutions portfolio, AssetMark will allocate assets across three "buckets" whereby each bucket will be invested in a specific GuidePath Fund. The allocation across the buckets shift in conjunction with changes in the remaining time horizon, long-term market conditions, or other factors as deemed appropriated by AssetMark.

For accounts established at custodian AssetMark Trust Company, the Financial Advisor may also elect to have the Client's regular income stream adjusted for inflation. For the inflation adjusted models, on an annual basis, AssetMark will adjust the expected income distribution to reflect any increase in the U.S. rate of inflation. The inflation adjustment will begin at the beginning in the year following the Client's participation in the Guided Income Solution strategy. The annual adjustment will be based on AssetMark's long-term inflation projection.

Clients invested in the Guided Income Solutions should understand that their regular income stream may include principal and the principal balance of the Account may be depleted prior to the portfolio's target end-date and therefore, distributions may end earlier than expected. Income distributions refers to cash distributions of earnings and/or principal.

VII. ALTERNATIVE INVESTMENTS SOLUTIONS

Alternative Investments are hedge funds, private equity funds, private placements and other securities that do not trade on securities exchanges or over-the-counter markets. Artivist Solutions, LLC offers a platform that provides advisors and their qualified investors access to Alternative Investments. AssetMark has contracted with Artivist to provide your Financial Advisor with access to Alternative Investments. Your Financial Advisory Firm will need to contract with Artivist or an Artivist affiliate to gain access to the Artivist Platform. Your Financial Advisor will not have access to the full Artivist Platform through the Assetmark Platform but only those funds that have been approved by AssetMark's Alternative Product Acceptance Committee.

AssetMark does not facilitate transfers, sales, withdrawals, or any other activity related to Alternative Investments. AssetMark, will not act in any capacity in any purchase or sale of Alternative Investments in Client Accounts. AssetMark does not assume responsibility for the Alternative Investments, including, but not limited to, the contents in documentation related to the Alternative Investments, the appropriateness or suitability of the Alternative Investments, restrictions on ownership, rights of transfer, financial statements, or the adequacy of disclosure or compliance with applicable laws, rules, and regulations. Any review performed by AssetMark will solely be for its benefit in determining its ability to provide access and services to select Alternative Investments.

AssetMark has no responsibility or duty to investigate, evaluate, or report any information that AssetMark may possess or may become aware of regarding any Alternative Investments. In the event that funds are wired or transferred to an issuer or sponsor of Alternative Investments, AssetMark will not have any responsibility or liability if the issuer or sponsor involved does not provide the required receipt or confirmation of the Alternative Investment in a manner that would

allow the security to be held in Client Accounts. AssetMark shall have no responsibility for monitoring non-publicly traded, alternative investments to assure compliance with its terms or disclosures, for taking any actions to collect on any amount owed to Client Accounts, or for otherwise enforcing any rights with respect to Alternative Investments held in Client Accounts. AssetMark is under no obligation to take any action should there be a default, bankruptcy, or other impairment associated with Alternative Investments.

Before you invest in an Alternative Investment, your Financial Advisor will review the Alternative Investment and determine that the Alternative Investment is appropriate and suitable for you. You will be provided disclosures through the Artivist Platform that will explain the risks in the Alternative Investment, including, for example, lack of liquidity. Alternative Investments are speculative and involve a substantial degree of risk, including the risk of complete loss. There can be no assurance that Alternative Investments will achieve its investment objective.

There is generally no public or secondary market for non-publicly traded, alternative investments, and the values reported on Account Statements received from the Custodian may not represent market values. It is unlikely that you would be able to sell your interests in the Alternatives Investments or realize the amounts shown on Client Account Statements. It is likely that the actual "resale" value of Alternative Investments may be substantially lower than what is on Account Statements. Values displayed on Account Statements are for convenience purposes only, may be out-of-date, and should not be relied upon as any indication of market value.

Although AssetMark may rely on the values provided by the issuers or sponsors of non-publicly traded, alternative investment securities, AssetMark does not verify or confirm such valuations and makes no representations that the values are reasonable, accurate, or reflect actual holdings. In the event third-party data sources provide valuation of your Alternative Investment, Client Account Statements may display the value provided by a third party or a value derived from the third-party data. Client Account statements may also report the value of Alternative Investments as "N/A" or "Not Available."

There is no Platform Fee for Alternative Investments, but there is a custody fee of \$100/year for each position payable to Fidelity Brokerage Services, the only Platform Custodian currently available to custody Alternative Investments. By maintaining an account at Fidelity for Alternative Investment, the Client commits to maintaining sufficient cash in the Account holding the Alternative Investments to pay the custody fees.

ADMINISTRATIVE ACCOUNTS

Although options may vary depending upon the Custodian selected by the Client, the Client can usually establish an Account at their selected Custodian to hold "non-managed" assets (an "Administrative/Non-Managed Account"), and such Account can include a Cash Account or a General Securities Account. An Administrative/Non-Managed Account is provided as an administrative convenience for the Client. Assets in an Administrative/Non-Managed Account are not managed or advised by AssetMark, and AssetMark is not responsible for their investment or management. The Client will be solely responsible for directing the investments in the Non-Managed Account. Non-Managed assets are subject to the terms of the Client's agreement with their selected Custodian. In addition to reporting by the Client's Custodian, the assets of an Administrative/Non-Managed Account will be included in periodic AssetMark reports that the Financial Advisor can provide to the Client.

ASSETS UNDER MANAGEMENT

As of December 31, 2019 AssetMark had \$26.1 billion in assets under administration on the AssetMark Platform. This includes investments in proprietary mutual funds and Savos Solution Types, in which Savos is the discretionary manager.

FEES AND COMPENSATION

The fees applicable to each Account on the Platform may include:

1. Financial Advisor Fee
2. Platform Fee, which includes any Strategist or Manager Fee, as applicable, and most custody fees. The Platform Fee Schedules for the various Investment Solutions are listed in the Fees & Minimum table, at the end of this Disclosure.
3. Initial Consulting Fees;

The Fees applicable to the Account will be set forth in the Client Billing Authorization. The Financial Advisor Fee and the Platform Fee when combined are referred to as the Account Fee. Other fees for special services are also charged. The Client should consider all applicable fees.

Financial Advisor Fee

The Financial Advisor Fee is paid to the Financial Advisory Firm with which the Client's Financial Advisor is associated and compensates for advisory services, and the consultation and other support services provided by the Financial Advisory Firm through the Financial Advisor.

Platform Fee

The Platform Fee includes payment for:

- (i) advisory services;
- (ii) administrative services;
- (iii) the Custody Fee except for Actively Managed Fixed Income Strategies, Funding Account Strategies, acquired Global Financial Private Capital (GFPC) Strategies, and accounts custodied at Schwab;
- (iv) the Strategist's or Manager's Supplemental Fee, if applicable, and
- (v) an additional fee of \$150 per year for third-party mutual fund solutions at certain custodians.

Important note: Beginning April 30, 2020, the additional fee of \$150 per year for third-party mutual fund solutions will no longer be charged. However, a minimum Platform Fee of \$350 per year, or \$87.50/quarter will be applicable to accounts invested in third party mutual fund strategies. At the end of the quarter, if the fees applicable to the Account based on the market value is less than \$87.50, the account will be charged the difference to meet the minimum Platform Fee of \$87.50. Refer to the Fees & Investment Minimum table at the end of this Platform Disclosure Brochure for complete fee details.

The Platform Fee compensates AssetMark for maintaining the Platform and pays for the investment advisory, administrative and custodial and brokerage services provided the Account. Included in the Platform services are: selection and compensation to the Portfolio Strategists providing allocations, the Discretionary and Overlay Managers providing discretionary management services and to the Investment Management Firms and other Consultants and service providers.

The administrative services include, but are not limited to, preparation of quarterly performance reports (to complement Account Statements provided by Custodians), and maintenance and access to electronic or web-based inquiry system that provides detailed information on each Client Account on a daily basis.

The Platform Fee also pays the Custodian selected by the Client, although certain additional fees may be payable pursuant to the separate agreement between Client and Custodian.

The annual rate of the ongoing Platform Fee is based on the amount and type of assets under AssetMark management or administration. Each fee schedule is tiered so that, subject to certain exceptions, the first dollar under management receives the highest fee and only those assets over the breakpoints receive the reduced fees. Under certain circumstances, assets held in one AssetMark Investment Solution Account are considered when determining assets under management for breakpoint purposes relating to another Investment Solution Account held for the benefit of the same or a related person. A Client may be able to obtain some or all of the types of services available through AssetMark on an “unbundled” basis either through other firms or through single or multiple strategy account selections on the Platform and, depending on the circumstances, the aggregate of any separately-paid fees, or bundled fees may be lower or higher than the fees described in the Fees & Investment Minimum table at the end of this Disclosure Brochure.

Some of AssetMark’s Platform Fees are negotiable, and exceptions to the Fees & Minimum table are made with the approval of an authorized officer of AssetMark. As a standard practice, AssetMark grants exceptions to the fee schedule for accounts of employees and employees of broker-dealer, investment advisory or other firms as approved by AssetMark.

Initial Consulting Fee

For Financial Advisory Firms that charge an Initial Consulting Fee (“ICF”), an Account invested in any of the above listed Solution Types will be assessed an Initial Consulting Fee (“ICF”) if the Account is custodied at AssetMark Trust Company (“AssetMark Trust”), an Arizona trust company that is an affiliate of AssetMark. The ICF is payable to the Financial Advisory Firm, up to one percent (1.00%) of any cash deposit or in-kind investment transfer of \$2000 or more.

The Advisory Fee includes the Financial Advisor Fee and the Platform Fee. The Advisory Fee is typically expressed as an annual amount equal to a percentage of assets under management, and may also include an initial consulting fee. The Platform Fee schedules listed at the end of this Disclosure Brochure reflect AssetMark’s standard Platform Fee, calculated as a percentage of the Client’s assets invested in the Platform. This standard Platform Fee schedule does not apply to all Financial Advisory Firms.

The Platform Fee will be higher for certain Financial Advisory Firms based on any amounts payable to broker-dealers with supervisory responsibility over the Financial Advisory Firm. In such cases, the standard Platform Fee payable by the Financial Advisory Firm will be increased and a portion of the Platform Fee otherwise payable to AssetMark is paid to the broker-dealers as compensation for supervisory services provided to the Financial Advisory Firm in connection with the Platform. The Financial Advisory Firm may also pay AssetMark a Quarterly Maintenance Fee in consideration of AssetMark’s performance of services in establishing the Financial Advisory Firm’s participation in the Platform and providing continuing Platform support services. In addition, a portion of the Platform Fee is typically paid as compensation to the Portfolio Strategists based on the assets invested

in their respective asset allocations, as well as to the Overlay Manager and Investment Management Firms for services in connection UMAs.

Clients should be aware that the fees charged by AssetMark may be higher or lower than those charged by others in the industry and that it may be possible to obtain the same or similar services from other investment advisers at lower or higher rates. A Client may be able to obtain some or all of the types of services available through AssetMark on an “unbundled” basis either through other firms or through single or multiple strategy account selections on the Platform and, depending on the circumstances, the aggregate of any separately-paid fees, or bundled fees may be lower or higher than the fees described in the Fees & Investment Minimum table at the end of this Disclosure Brochure.

The Platform Fee will be higher for certain Financial Advisory Firms due to the amounts payable to Financial Advisory Firms with supervisory responsibility over the Financial Advisory Firm. This supervisory fee, of up to 0.20% annually, is deducted from Client Account assets, and paid to certain Financial Advisory Firms, for supervision of the Account. The receipt of a supervisory fee creates an incentive for Financial Advisory Firms to use the AssetMark program versus other platform programs. Information on participating Financial Advisory Firms is available upon request.

The Advisory Fee, any initial consulting fee payable upon opening an Account or upon any additional investment in an Account and any additional Investment Manager fee payable for a Client’s Account will be set forth in the Client Billing Authorization executed with the Client Services Agreement between the Client and Financial Advisory Firm.

Fees are payable quarterly, in advance, for the upcoming calendar quarter, at the annual rates provided for in the Fees & Investment Minimum table and based on the preceding end of quarter market value for all Account assets. The Account Fee shall be calculated based on the end of quarter market value of all such Account assets, multiplied by one quarter (25%) of the applicable annual rate. For the initial deposit to the Account and for any subsequent, additional amounts deposited to the Account, the Account Fee for that deposit shall be payable upon AssetMark’s commencement of management of the account and shall be equal to the amount of the deposit multiplied by one quarter (25%) of the applicable annual rate, pro-rated for the remainder of the end of the calendar quarter. Each of the Fees are calculated on a “tiered” basis so that the first dollar under management receives the highest fee and only those assets over the breakpoints receive the reduced fees.

As provided in the Agreement and described in this Disclosure Brochure, the Advisory Fee includes the Financial Advisor Fee and the Platform Fee. The client will not be assessed or refunded a pro-rata portion of the Platform Fee when the Solution Type instruction is executed intra-quarter between quarterly billing events. Rather the client account Platform Fee calculation is based on the Solution Type assigned to the account at the point in time the quarterly billing is calculated, typically the third to fifth business day following the end of a calendar quarter.

The fee billing calculations described above may not be applicable to your Account if your Financial Advisory Firm has established a different billing process, as described in their Financial Advisory Firm Disclosure Brochure.

Mutual Fund Accounts Fee Disclosure

In the event that the Client’s Account is invested in certain Portfolio Strategists’ asset allocations comprised primarily of the GuideMark and GuidePath Funds, AssetMark and AMB will receive compensation

as the Investment Adviser and Distributor, respectively. The Prospectus for the GuideMark and GuidePath Funds, will be provided to each Client invested in such asset allocations or may be obtained by request from the Financial Advisory Firm or AMB. Because of this separate compensation from the GuideMark and GuidePath Funds, AssetMark waives the standard Platform Fee charged to the Financial Advisory Firm for assets invested in the GuideMark and GuidePath Funds.

For Savos Solution Types, AssetMark will credit back to the Client the net advisory fee earned on the portion of the accounts invested in a proprietary mutual fund.

Certain mutual funds selected for Client Accounts include Proprietary Funds and the Savos DHF Fund from which AssetMark or its affiliates receive additional compensation as described here in addition to fees paid to AssetMark under this Agreement. AssetMark receives management and other fees for both its management of these funds as well as the Client Account.

Service Fees Received by AssetMark and Share Class Use

The Account Custodians typically receive a shareholder servicing and/or similar fees from mutual funds and/or service providers to the funds held by the Client Accounts. This compensation generally ranges from 0.25% to 0.40% per annum of the amount invested through the Platform in the mutual funds. The Custodians may also receive similar fees with respect to other investments solutions. Generally, fees received by Custodians are lower for asset allocations using a

greater proportion of ETFs compared to asset allocations using a high proportion of mutual funds.

Portfolio Strategists select from the mutual funds available on each Custodian's platform to be used in the Mutual Fund Accounts. The Custodian determines and then makes available the universe of mutual funds to be used in the AssetMark investment solutions. If a mutual fund is not available, the Portfolio Strategist works with AssetMark and the Custodian to make available the fund, where possible. Mutual fund families offer a variety of funds with varying fee structures and different share classes. The funds available at the custodians for use with the AssetMark Platform will vary among different mutual fund share classes, and will generally fall into these two share class categories.

- Retail share class – Retail share class funds charge a 12b-1 fee of 0.25% or less. Retail shares also include administrative fees, shareholder servicing, and sub-transfer agent fees. There are a range of retail share classes available on the custodial platforms that also charge 12b-1 fees or administrative fees. These share classes are generally known as no-load or service shares (C shares), or load-waived A shares, Investor Shares, or NTF mutual funds, available through NTF programs at various Custodians.
- Institutional share class – Institutional share class funds have lower expenses because there are no 12b-1 fee charges. However, they may include administrative fees, shareholder servicing, and/or sub-transfer agent fees.

MUTUAL FUND SHARE CLASS CATEGORIES	SHARE CLASS NAMES	12B-1 FEES	ADMINISTRATIVE FEES, INCLUDING SHAREHOLDER SERVICES AND SUB-TRANSFER AGENT FEES
Retail Share Class	No-load, service shares (C shares), load-waived A shares, investor shares, or NTF Funds	Yes; typically 0.25% paid by the client	Yes
Institutional Share Class	Institutional shares	No	Yes
Mutual fund fees	Retail or Institutional	12b-1 fees are paid by Client	Administrative and Shareholder Services are paid by Adviser or Adviser's affiliate; sub-transfer agent fees are paid by Client

NTF Funds generally pay Custodians, including AssetMark Trust Company, AssetMark's affiliated custodian, a range of servicing fees from the 12b-1 fees and administrative service fees, which typically include shareholder servicing and sub-transfer agent fees, collected by the mutual funds. See below Administrative Service Fees Received by Affiliate.

It is important to note that AssetMark will use retail share mutual funds and institutional share mutual funds. There are no separate transaction fees charged for any mutual fund investments on the Platform.

AssetMark's Platform Fee includes custody fees, therefore, the Platform Fee schedule takes into consideration the fund share class used in the mutual fund investment solutions. This creates a conflict because AssetMark may not always use the lowest share class, and Retail shares generates more revenue. However, AssetMark addresses these conflicts in the pricing of the products, as described below.

- Generally, when Retail shares are used, where the cost of the mutual fund is higher, the AssetMark Platform Fee is generally lower and the fee paid by AssetMark to custodians are generally lower.

- When Institutional shares are used, where the cost of the mutual fund is lower, the AssetMark Platform Fee is generally higher, and the fee paid by AssetMark to custodians is generally higher. Products that are based on asset-based pricing will utilize the lowest share class available across all custodians.
- When Proprietary Funds are used, which are retail share classes, the AssetMark Platform Fee is waived.

Information about the specific fees paid by mutual funds is described in each fund's prospectus.

Servicing Fees Received by AssetMark

AssetMark provides third-party Custodians certain significant services with respect to the custody arrangements including review of new account paperwork and communication with Financial Advisors to resolve incomplete custodial paperwork. If the Client selects a third-party Custodian, not AssetMark Trust, the selected Custodian remits a portion of the fee it charges the Client or receives from other parties including mutual funds and other Solution Types, to AssetMark as compensation for these services. The formula under which AssetMark's compensation will be calculated is prospectively agreed upon by the

This must remain with the Client

Custodian and AssetMark, and will be a function of agreed upon basis points on the average daily value of assets under management or custody, or other methodology agreed to by the parties annually. The formula is set for a 12-month period, after which a new formula is renegotiated between AssetMark and the Custodian to take effect on a prospective basis. The payment due under the formula will be calculated and paid quarterly, and is substantial given the services provided to Custodians by AssetMark. Further information about the compensation paid AssetMark, including current and historical compensation, is available on request.

The total fees received by AssetMark with respect to a particular Client for a specified amount of assets can vary according to the particular Custodian used by the Client. In addition, a Client's particular asset allocation, including rebalancing based on the recommendations made by the Portfolio Strategist that provides the Client's asset allocation, indirectly contributes to increasing or decreasing the compensation received by AssetMark from a Custodian in future periods.

Other Compensation Disclosure

Each of the mutual funds, ETFs, Alternative Investments and other funds or pooled investment vehicles included on the Platform bears its own operating expenses, including compensation to the fund or sub-account adviser. As an investor in the mutual funds, ETFs or other fund, the Client indirectly bears the operating expenses of the fund as these expenses will affect the net asset value, share price or unit price of each fund or sub-account. These expenses are in addition to the investment Advisory Fees paid to the Client's individual Financial Advisory Firm, including the Platform Fee payable to AssetMark. The ratios of fund expenses to assets vary from fund to fund according to the actual amounts of expenses incurred and fluctuations in the fund's daily net assets. Information on the specific expenses for each of the mutual funds is set forth in the fund's prospectus and periodic reports provided by the fund to the Client.

The cost of advisory and investment management services provided through the Platform may be more or less than the cost of purchasing similar services separately. For example, direct investment in a mutual fund or ETF could be less expensive than investment in the same securities through the Platform, because the Client would not bear any Platform Fee. All mutual funds included in the Platform will be available for purchase at each fund's net asset value and with no sales charge, so that no sales commissions are incurred in connection with investment in the initial portfolio and portfolio rebalancing. While most mutual funds available through the Platform will charge no transaction fees, mutual funds or custodians charge a Client redemption fees under certain circumstances. Accounts invested in portfolios that include ETFs are subject to transaction costs, or asset-based pricing fees, based on the fee schedule of the account custodian selected by the Client, and pursuant to a separate agreement between the Client and the account custodian.

The Platform Fee for related accounts of any client on the Platform are negotiable, as are Platform Fees paid by any Financial Advisory Firm, with the approval of a senior executive officer. These negotiated fees typically lower the portion of the Platform Fee that AssetMark receives.

AssetMark Affiliate Fee Income Disclosure

AssetMark and AssetMark Brokerage, LLC., an AssetMark affiliate ("AMB"), receive compensation as the Investment Advisor and Distributor, respectively, of the GuideMark and GuidePath Funds, which are utilized within certain Portfolio Strategists' asset allocations, and AssetMark waives its Platform Fee to the Financial Advisory Firm on Client accounts to the extent they are invested in asset allocations comprised primarily of the GuideMark and GuidePath Funds.

To the extent that a Client establishes a mutual fund Account and selects an asset allocation designed by a "proprietary" Portfolio Strategist (one who includes funds from its affiliated fund family), the Portfolio Strategist will generally derive additional benefit through compensation payable to its affiliates from the funds.

Marketing Support Fees Received

AssetMark receives marketing support payments from an IMA Manager based on the amount of assets on the AssetMark Platform. The fee is paid quarterly and is primarily based off of the growth of IMA's assets on the Platform.

Administrative Service Fees Received by AssetMark or Affiliate

Both Aris and Savos select mutual funds used in their Solution Types and generally the mutual funds selected are institutional funds. However, it's important to note that if institutional funds are not available, and an NTF Fund is used, NTF Funds pay Custodians Administrative Service Fees ("ASF") for services provided. This creates a conflict because AssetMark Trust is paid a portion of the ASF received, as described below.

AssetMark Trust uses sub-custodians in fulfilling its responsibilities, including National Financial Services Corp., (whose affiliated broker-dealer, Fidelity Brokerage Services, LLC, also provides brokerage and clearing services for Client accounts). Fidelity operates as a sub-custodian for AssetMark Trust, and as sub-custodian Fidelity receives certain payments from investment companies for certain administrative and recordkeeping services. AssetMark Trust receives payments from Fidelity for the recordkeeping and other administrative duties performed by AssetMark Trust as custodian. Because Fidelity operates as a sub-custodian for AssetMark Trust, Fidelity remits approximately 92.25% of such fees collected from these investment companies to AssetMark Trust in exchange for the significant custodial support services AssetMark Trust provides. Below are the types of fees AssetMark Trust receives:

- *12b-1s*: are a cost to the shareholders of the mutual fund. If the prospectus of a mutual fund allows for 12b-1's to be paid for either "distribution" or "service," it will be included in the fund's expenses and deducted from the income the mutual fund earns.
- *Administrative Service Fees ("ASF")*: are not an expense to the shareholders of the fund. These are an expense to the mutual fund and are paid to Fidelity per an agreement between the mutual fund company and Fidelity.
- Recordkeeping fees earned on ERISA plan account holdings.
- Transaction-based fees on non-NTF mutual funds, or fixed-income transactions.

AssetMark Trust receives ASFs from Fidelity, banks and insurance companies, or from their respective service providers. Any such income received by AssetMark Trust is in payment for administrative services it provides. This amount, in the aggregate, is substantial, based on the substantial services provided by AssetMark Trust to these respective service providers, and varies by mutual fund. These payments are used to offset the annual custody fees that are otherwise payable by IRA Clients and Clients with accounts subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). AssetMark Trust does not seek to minimize or eliminate 12b-1 fees by using mutual fund institutional or investor share classes. Refer to the AssetMark Trust Custody Agreement for more information.

Insured Cash Program Fees by Affiliate

AssetMark Trust's FDIC-Insured Cash Program includes an "Insured Cash Deposit Program" ("ICD Program") and a "High Yield Cash Program." Accounts invested in strategies on the AssetMark Platform are required, pursuant to their investment strategy or guidelines, to maintain an allocation to cash (the "cash allocation"); this cash allocation is deposited into the ICD Program. For most accounts, the target cash allocation is 2%. For accounts invested in WealthBuilder strategies, the target cash allocation is 5%. In addition to the cash allocation, AssetMark Trust accounts will hold ICD cash pending investment or distribution.

Deposits to a Cash Administrative Account will be invested in the ICD Program unless the account meets and maintains certain minimum deposit requirements and the High Yield Cash Program is selected. The High Yield Cash Program is expected to pay higher interest rate than the ICD Program. There is no Custody Fee and no Platform Fee for Cash Administrative Accounts, but the Financial Advisor Fee will be charged a Cash Administrative Account unless other instructions are received. AssetMark Trust is paid a Program Fee for record keeping and administrative services it provides the Program by the banks that participate in the Program; this compensation reduces the interest paid deposits, and AssetMark Trust expects to receive a lower Program Fee for deposits in the High Yield Cash Program. "Cash" in accounts not eligible for the FDIC-Insured Cash Program will be invested in shares of money market mutual funds. AssetMark Trust expects to receive service fees from these money market funds or their service providers. AssetMark Trust expects to earn higher fees on cash deposited in the FDIC-Insured Cash Program, especially the ICD Program, than on cash invested in money market funds. This increased compensation on deposits in the ICD Program creates a conflict for AssetMark because it creates an incentive to allocate portions of an account to cash. AssetMark addresses that conflict by disclosure and by systematic quarterly rebalancing of accounts to the target cash allocation. For accounts with a target cash allocation of 2%, and the account's cash allocation will be rebalanced quarterly if it is less than 1.5% or more than 2.5%. For WealthBuilder strategies accounts with the target cash allocation of 5%, the cash allocation will be rebalanced quarterly if it is less than 4% or more than 6%.

AssetMark Affiliate Fee Income Disclosure**Savos, GPS Fund Strategies, and GPS Select**

Client accounts invested in these strategies will receive allocations, determined by AssetMark, among mutual funds advised by AssetMark. AssetMark receives advisory fees from the mutual funds in which these accounts invest. The mutual fund advisory fees differ between funds and the total fees collected will vary depending upon the profile selected by the client and the fund allocation within each profile. If a client elects the GPS Fund Strategies, client authorizes and instructs that the account be invested pursuant to the selected profile, acknowledges that the fund advisory fees collected by AssetMark will vary, and approves of the fund advisory fee payments to AssetMark. Client will be given notice if these ranges change, resulting in an increase in fee payments, and, unless the Client or Financial Advisor gives notice to AssetMark, Client consents to these changes.

If a Client selects a GPS Select strategy, Client authorizes and instructs that the account be invested pursuant to the selected profile and acknowledges that AssetMark is permitted to modify fund allocations within a range such that fund management fees earned by AssetMark can vary within a range of 0.30% of the assets in the Strategy. Client approves fund allocations within this range and acknowledges Client will not receive prior notice of the fund allocation changes unless such allocations would exceed the 0.30% range.

For more information regarding the fees collected by AssetMark when using these strategies, refer to the allocation tables provided in Exhibit A at the end of the Disclosure Brochure. For Savos investment solutions, AssetMark will credit the net advisory fee earned on the portion of the accounts invested in a proprietary mutual fund.

No Strategist or Terminated Strategist Accounts

AssetMark has accounts that no longer receive advisory services because the strategy in which the Account was invested has been terminated from the AssetMark Platform and the Client has not selected another strategy for the assets. These Accounts are referred to as "No Strategist" or "Terminated Strategist" Accounts. Neither AssetMark, nor any Discretionary Manager will manage or shall be responsible for giving any advice with regard to these assets, but the Account typically remains invested in the investments last selected for the strategy at a Platform Fee that is a reduction from that payable when the strategy was active on the AssetMark Platform. Any Financial Advisor Fee shall be payable on No Strategist or Terminated Strategist Accounts unless AssetMark receives instructions not to charge the Financial Advisor Fee. A separate Custodial Account Fee applies on No Strategist or Terminated Strategist accounts. Please see the Custody agreement for specific fees attributable to the client account. Platform Fee schedules for No Strategist or Terminated Strategist accounts are available by contacting AssetMark, or your Financial Advisor.

Business Development Allowance Program for Financial Advisors

Under AssetMark's Business Development Allowance program, certain Financial Advisors receive a quarterly business development allowance for reimbursement of qualified marketing/practice development expenses incurred by the Financial Advisor. These allowances may also be paid based upon initial assets introduced to the AssetMark Platform if a specific asset minimum is met and/or the asset minimum is met within the first 12 months of an Advisor's use of the Platform. These amounts vary depending on the value of the assets on the AssetMark Platform held by Clients of the Financial Advisor. For the 2019 calendar year, participating Financial Advisors were reimbursed an average of \$3,312.

Marketing Support for Financial Advisory Firms

Additionally, certain Financial Advisory Firms enter into marketing arrangements with AssetMark whereby the Firms receive compensation and/or allowances in amounts based either upon a percentage of the value of new or existing Account assets of Clients referred to AssetMark by Financial Advisors, or a flat dollar amount. These arrangements provide for the communication of AssetMark's service capabilities to Financial Advisors and their Clients in various venues including participation in meetings, conferences and workshops. AssetMark also provides the Financial Advisory Firm or its representatives with organizational consulting, education, training and marketing support.

Direct and Indirect Support for Financial Advisors

AssetMark sponsors annual conferences for participating Financial Advisory Firms and/or Financial Advisors designed to facilitate and promote the success of the Financial Advisory Firm and/or Financial Advisor and/or AssetMark advisory services. AssetMark offers Portfolio Strategists, Investment Managers and Investment Management Firms, who are also Sub-Advisors for the GuideMark and GuidePath Funds, the opportunity to contribute to the costs of AssetMark's annual conferences and be identified as a sponsor. AssetMark also covers travel-related expenses for certain Financial Advisors to attend AssetMark's annual conferences, quarterly meetings,

or to conduct due diligence visits. In addition and outside of the Business Development Allowance program, AssetMark contributes to the costs incurred by certain Financial Advisors in connection with conferences or other Client events conducted by the Financial Advisor or the Financial Advisory Firm. AssetMark also solicits research from Financial Advisors regarding new products or services that AssetMark is considering for Clients. In exchange for this feedback and guidance, AssetMark may offer an incentive to the Financial Advisor for their attendance at, or participation in, for example, a survey or focus-group.

Discounted Fees for Financial Advisors

Certain Financial Advisors receive discounted pricing from AssetMark for practice management and marketing related tools and services.

Negotiated Fees

AssetMark may, in its discretion, negotiate the Platform Fee for Clients of certain Financial Advisors. Certain Financial Advisors with higher aggregate levels of assets on the Platform are eligible for negotiated fees, which are passed through to the Client. The Financial Advisor does not earn additional compensation as a result of these negotiated fees.

Community Inspiration Award

In order to promote community involvement, AssetMark created the Community Inspiration Award to honor selected Financial Advisors across the US who have inspired others by supporting charitable organizations in their communities. AssetMark will make a cash donation, subject to the published rules governing the program, to the Financial Advisor's nominated charity in accordance with the following: 1) the charitable organization is not a client or prospective client of the Financial Advisor, 2) the Financial Advisor will not receive a monetary award and 3) the charitable organization must not have the ability to contribute funds or services to a candidate for public office or to a Political Action Committee. There is no direct compensation paid to an honored Financial Advisor. However, the Financial Advisor may be inclined to place, or retain client assets on the Platform as a result of AssetMark's contribution to their supported charitable organization.

ITEM 5 – ACCOUNT REQUIREMENTS AND TYPES OF CLIENTS

The Financial Advisory Firm utilizing the AssetMark Platform will determine the specific account requirements and the types of clients to which it offers its services. Generally, the AssetMark Platform is made available to high net worth individuals and institutional investors, financial institutions, annuity funds, charitable institutions, foundations, municipalities, endowment funds, corporations, corporate pension and profit-sharing plans, and Taft-Hartley plans.

MINIMUM INVESTMENT REQUIREMENTS

AssetMark reserves the right, in its sole judgment, to accept certain investments below the standard minimums shown below.

Mutual Fund and ETF (including Market Blend Strategies)

The standard minimum investment through the Platform will generally be \$10,000-50,000 for mutual fund and \$25,000 for ETF accounts.

Guided Portfolios

The standard minimum investment through the Platform will generally be \$10,000 for GPS Fund Strategies and \$50,000 - 250,000 for GPS Select Solutions. Sleeve level investment minimums within the Custom GPS Select Solutions will vary.

Individually Managed Accounts

The standard minimum IMA investment per Investment Manager is generally between \$100,000 and \$250,000, and will depend on the Custodian and Investment Manager(s) selected for the Account. Certain Investment Managers require minimum investments greater than \$250,000. The Investment Managers, in their sole judgment may accept investments below the standard minimum.

For strategies in which Savos is the Investment Manager, the minimum investment is \$25,000.

Unified Managed Accounts

The standard minimum UMA investment, depending on the strategy selected, is between \$25,000 and \$100,000.

Multiple Strategy Accounts

Sleeve level investment minimums will vary.

Guided Income Solutions

Account minimums for each investment solution are provided in Item 4 under Advisory Services and on the Fees & Investment Minimums table at the end of this Disclosure Brochure. AssetMark reserves the right, in its sole judgment, to accept certain investments below the standard minimum.

ITEM 6 – PORTFOLIO MANAGER SELECTION AND EVALUATION

The Platform does not have information applicable to Portfolio Manager Selection and Evaluation. Item 4 describes AssetMark's selection and the roles of the Portfolio Strategists, Investment or Discretionary Managers and Overlay Managers.

ITEM 7 – CLIENT INFORMATION PROVIDED TO PORTFOLIO MANAGERS

The Platform does not have information applicable to Client Information Provided to Portfolio Managers. Item 4 describes the relationship and agreement between the Client and the Financial Advisory Firm's including the FA Firm's responsibilities to evaluate the Client's need and objectives and determine the suitability of various Platform options for the Client.

Discretionary Managers may request and are entitled to receive information about a Client.

ITEM 8 – CLIENT CONTACT WITH PORTFOLIO MANAGERS

The Platform does not have information applicable to Client Contact with Portfolio Managers. Item 4 describes the relationship and agreement between the Client and the Financial Advisory Firm's and that the Firm may consult with AssetMark regarding the administration of the Platform. Additionally, the Client has the opportunity to consult jointly with the Financial Advisory Firm and the Discretionary Managers concerning the individual management of their account.

ITEM 9 – ADDITIONAL INFORMATION**DISCIPLINARY INFORMATION**

On August 25, 2016, the SEC announced a settlement with AssetMark in an order containing findings, which AssetMark neither admitted nor denied, that AssetMark violated Section 206(4) of the Advisers Act and Rule 206(4)-1(a)(5) by allowing its staff, from July 2012 through October 2013, to circulate to prospective clients who were considering an F-Squared managed account service offered by AssetMark, performance advertisements created by F-Squared relating to a different separately managed account service not offered by AssetMark and that misleadingly described that different service's performance between 2001 and 2008, and that AssetMark violated Section 204(a) of the Advisers Act and Rule 204-2(a)(16) by failing to maintain records substantiating the performance in the advertisements created by F-Squared.

There are no disciplinary items to report for the management of AssetMark.

OTHER FINANCIAL INDUSTRY ACTIVITIES AND AFFILIATIONS

As the platform sponsor, AssetMark has the following financial industry affiliations:

AFFILIATED COMPANIES

AssetMark is an indirect subsidiary of AssetMark Financial Holdings, Inc., a publicly traded company (NYSE: AMK). The following companies are under common control with the AssetMark. AssetMark does not consider such affiliations to create a material conflict of interest for AssetMark or its clients. For those affiliated companies you may interact with in connection with the AssetMark Platform, their industry activities are described in further detail below:

- AssetMark Brokerage, LLC
- AssetMark Retirement Services, Inc.
- AssetMark Trust Company
- Global Financial Private Capital, Inc.
- Global Financial Advisory, LLC
- OBS Financial Services, Inc.

AssetMark Brokerage, LLC

AMB is a broker-dealer registered with the SEC and is a member of FINRA. AMB is affiliated with AssetMark by common ownership.

AssetMark Retirement Services, Inc.

AssetMark Retirement Services, Inc. is a Pennsylvania corporation and third-party administrator for AssetMark's retirement offering.

AssetMark Trust Company

AssetMark Trust Company ("AssetMark Trust") is an Arizona chartered trust company that serves as the custodian for certain Accounts on the AssetMark Platform. AssetMark Trust is affiliated with AssetMark by common ownership.

Global Financial Private Capital, Inc.

Global Financial Private Capital, Inc. ("GFPC") is an investment adviser registered with the SEC and provides discretionary investment advisory services on a wrap or non-wrap fee basis to its clients, which consist of individuals, business entities, trusts, estates, charitable organizations and other entities. In addition, the Firm may provide financial planning and/or consulting services on a stand-alone basis. GFPC delivers its investment services either through model portfolios. The models are

provided from unaffiliated third-party managers, subject to oversight by GFPC personnel. The Firm engages various unaffiliated sub-advisers to manage the underlying portfolios in each model.

Global Financial Advisory, Inc

Global Financial Advisory, Inc is an insurance agency that provides marketing and sales support for non-variable insurance products. The types of products marketed include but are not limited to term life insurance, universal life insurance, whole life insurance, fixed annuities, and long-term care insurance.

OBS Financial Services, Inc.

OBS Financial Services, Inc. is registered as an investment advisor with the SEC. OBS Financial provides investment and operations outsourcing services to financial institutions around the country. Our clients include bank Trust departments, retail broker dealer advisors, independent financial advisors, and retirement plan professionals. We offer an array of fee-based investment products and platforms intended to help them grow their business. We do this through our proprietary technology and our highly-experienced team who provides sales, marketing, operations, and technology solutions specifically designed to meet each institution's unique challenges.

ASSETMARK AFFILIATE CONFLICTS OF INTEREST**Banking Institution - AssetMark Trust**

Clients pay AssetMark Trust for custodial services pursuant to their Custody Agreement with AssetMark Trust. Additionally, pursuant to a contract between AssetMark and AssetMark Trust, AssetMark also pays AssetMark Trust for services it provides AssetMark advisory Clients, especially with regard to Savos PMAs and UMAs. Additionally, AssetMark Trust receives payments from mutual funds, mutual fund service providers, banks and other financial institutions for services AssetMark Trust provides related to investments held in Client Accounts. AssetMark Trust handles transfer agency functions, shareholder servicing, sub-accounting, administrative services and tax reporting functions that these financial institutions otherwise have to perform. Such payments are made to AssetMark Trust by these financial institutions based on the amount of assets to be invested on behalf of Client Accounts or other formula. Any such payments to the Custodian will not reduce the Platform Fee. Some mutual funds, or their service providers, provide compensation in connection with the purchase of shares of the funds, unless prohibited by law or regulation. Compensation includes financial assistance for conferences, sales or employee training programs. Compensation is also paid for travel and lodging expenses for meetings or seminars of a business nature held at various locations or gifts of nominal value as permitted by applicable rules and regulations.

Investment Companies - GuideMark Funds, GuidePath Funds and Savos Dynamic Hedging Fund

AssetMark receives compensation as the investment adviser of the GuideMark and GuidePath Funds, which are utilized within certain Solution Types. When the GuideMark Funds are used in AssetMark's Investment Solutions, AssetMark waives its Platform Fee on the assets in those accounts. AssetMark is compensated only pursuant to its Investment Advisory Agreement with the GuideMark and GuidePath Funds. Because of the lack of a Platform Fee, some Financial Advisors may be inclined to charge a higher Financial Advisor Fee for an Account invested in the GuideMark and GuidePath Funds than they might for an Account invested in other Investment Solutions.

The GuidePath Fund of Funds is directly managed by ISG and is invested in shares of the GuideMark Funds, unaffiliated mutual funds and ETFs. ISG manages the GuidePath Funds based on research provided by current Portfolio Strategists in each of the Investment Approaches. In

addition to the responsibility of managing the GuidePath Funds, ISG has ongoing oversight over the performance of the Sub-Advisers in the GuideMark Funds and the Portfolio Strategists on the Platform. Because of the conflict between ISG managing the GuidePath Funds, and thereby controlling the allocations to affiliated mutual funds, and potentially receiving the GuideMark Funds' profitability information as a participant in the Fund board meetings, AssetMark has created information barriers to shield ISG personnel from those discussions.

AssetMark serves as the investment adviser to the Savos DHF, a registered investment company used by the Savos division of AssetMark in risk mitigation strategies in some Solution Types. When the Savos DHF is used in an AssetMark solution, AssetMark receives an advisory fee from client assets for its management of a Solution Type as well as an additional fee through the Savos DHF for that portion of a client's account that is invested in that Fund, effectively receiving two fees, under two different management agreements, on the same assets reimburse.

AssetMark Brokerage, LLC

AssetMark Brokerage receives marketing support from an alternative investment strategist on its platform, Altegris. AssetMark and Altegris were under common ownership prior to 2014. At that time, as an affiliated proprietary strategist, AssetMark offered Altegris' mutual fund strategies on its Platform with no Platform fee. Currently, in lieu of a Platform fee, Altegris directly pays AssetMark Brokerage for offering its investments on the Platform. The payment is paid on a quarterly basis and is based on the level of Altegris funds on the Platform.

ASSETMARK CONFLICTS OF INTEREST

Artivest Solutions LLC has contracted to pay AssetMark for AssetMark's administrative services to Artivest in supporting access to Artivest's Platform for Alternative Investments at the rate of up to 0.25% (25 basis points) of assets invested by Clients of Financial Advisory Firms. AssetMark services include the selection of funds to be made available to Financial Advisory Firms and their clients. If certain funds are selected, AssetMark will not be paid the full 25 basis points, and this creates a conflict of interest. AssetMark addresses this conflict through disclosures and criteria to select funds. At the date of this Brochure, all the funds selected resulted in AssetMark being paid less than 25 basis points.

CODE OF ETHICS

The Financial Advisory Firm provides investment advisory services to the client. The following summary describes the Code of Ethics for AssetMark, as the Platform sponsor.

AssetMark has adopted a Code of Ethics (the "Code") that is intended to comply with the provisions of Rule 204A-1 under the Investment Advisers Act of 1940 ("Advisers Act"), which requires each registered investment adviser to adopt a code of ethics setting forth standards of conduct and requiring compliance with federal securities laws. Additionally, the Code is designed to comply with Section 204A of the Advisers Act, which requires investment advisers to establish, maintain and enforce written policies and procedures reasonably designed, taking into consideration the nature of such investment adviser's business, to prevent the misuse of material, non-public information by any person associated with such investment adviser. AssetMark's Code requires that all "Supervised Persons" (including officers and certain affiliated persons and employees of AssetMark) in carrying out the operations of AssetMark, adhere to certain standards of business conduct. Specifically, the Code requires that these persons: (i) comply with all applicable laws, rules and regulations, (ii) avoid any conflict of interest with regard to AssetMark and its Clients, (iii) avoid serving

their personal interests ahead of the interests of AssetMark and its Clients, (iv) avoid taking inappropriate advantage of their position with AssetMark or benefiting personally from any investment decision made, (v) avoid misusing corporate assets, (vi) conduct all of their personal securities transactions in compliance with the Code, and (vii) maintain, as appropriate, the confidentiality of information regarding AssetMark's operations.

The Code contains a number of prohibitions and restrictions on personal securities transactions and trading practices that are designed to protect the interests of AssetMark and its Clients. First, the Code prohibits trading practices that have the potential to harm AssetMark and/or its Clients, including excessive trading or market timing activities in any account that AssetMark manages, trading on the basis of material non-public information, and trading in any "Reportable Security" which is being purchased or sold, or is being considered for purchase or sale by the Accounts managed by AssetMark or any AssetMark-advised mutual funds. Second, the Code mandates the pre-clearance of certain personal securities transactions, including transactions in securities sold in initial public offerings or private placements. The Code also requires the pre-clearance of Reportable Security transactions for certain Access Persons. Finally, the Code requires employees to submit, and the Chief Compliance Officer (the "CCO") to review, initial and annual holdings, and quarterly transaction reports.

AssetMark utilizes StarCompliance, to provide enhanced tracking of employee transactions and gives AssetMark the ability to analyze employee trading against certain parameters and transactions in its managed Accounts or any Proprietary Funds. Access Persons also utilize this system to annually certify their receipt of, and compliance with, the Code and pre-clear their Reportable Security transactions, if they are required to do so by the Code.

All Supervised Persons under the Code are responsible for reporting any violations of the Code to the CCO. The Code directs the CCO to submit reports to the Board of Trustees of any AssetMark-advised funds regarding compliance with the Code, and to impose sanctions on violators, as warranted.

AssetMark will provide a copy of the Code to any Client or prospective Client upon request.

REVIEW OF ACCOUNTS

The Clients and their Financial Advisors may contact AssetMark to arrange for consultations regarding the management of their Accounts. Clients should refer to their Financial Advisors to discuss and assess their current financial situation, investment needs and future requirements in order to implement and monitor investment Portfolios designed to meet the Client's financial needs.

AssetMark makes available periodic reports to Financial Advisory Firms for use with their investment advisory clients. These written reports, the Quarterly Performance Report, generally contain a list of assets, investment results, and statistical data related to the client's account. We urge clients to carefully review these reports and compare the statements that they receive from their custodian to the reports.

Management of the Client's Account

The Financial Advisory Firm provides the specific advice to the Client concerning the Client's investment Strategy for each Account, including the Solution Type, the Portfolio Strategist(s), the particular Investment Approach or sub-strategy to be chosen for the Client, and the Client's appropriate Risk/Return Profile. The Financial Advisory Firm will also advise Clients in Individually Managed Accounts on the Investment Managers to be selected for the Client's Account. The Financial Advisory

Firm and/or the client (depending upon the specific form of Client Services Agreement entered into between the Financial Advisory Firm and the Client) retains discretion to choose the Portfolio Strategist(s), the asset allocation(s) and the Investment Managers selected as the components of the Strategy for the Client's Accounts, and will have the opportunity periodically to change the Strategy or its components, including the Solution Type, the choice of Portfolio Strategist(s), the particular asset allocation(s) or sub strategies, the Risk/Return Profile, or the Investment Managers selected for the Accounts.

Clients are provided with periodic custodial reports from a custodian and AssetMark provides the Financial Advisory Firms with QPR's for each of their Client's Accounts. The periodic custodial reports include a listing of all investments in the Client's account, their current valuation, and a listing of all transactions occurring during the period. The QPR's include information concerning the allocation of the assets in each Client Account among various asset classes and the investment performance of the Client's Account during the quarter and billing/fees.

Management of Privately Managed Accounts

The Investment Managers managing IMAs, and the Savos UMAs are referred to collectively as the "Discretionary Managers" for these Privately Managed Accounts.

Savos (in Savos UMAs) and certain Portfolio Strategists will incorporate a limited number of mutual funds in certain asset class allocations where they have determined that mutual funds are a more appropriate investment vehicle than using individual Investment Managers or the asset selections by Investment Management Firms. These funds can include both no-load mutual funds and mutual funds which generally do charge a sales load, but which are available through the Platform at the fund's net asset value and without any sales charge. Other third-party funds or ETFs are also utilized for situations in which a Client's assets do not meet the required minimums of an Investment Manager for certain asset classes.

Each Investment Manager and Investment Management Firm has been selected by AssetMark for the Platform to provide investment management services based on one or more specific investment objectives, which are outlined in the Manager Profile for each Investment Manager and Investment Management Firm. For example, certain Investment Managers and Investment Management Firms have been selected to manage U.S. Large Capitalization stocks, while others have been selected to manage International stocks. The Investment Approaches developed by Portfolio Strategists will typically consist of a combination of several Investment Managers/Investment Management Firms (and, in certain cases, mutual funds) representing a number of asset classes, which can include, but are not limited to, U.S. Fixed Income, International Fixed Income, U.S. Large Capitalization and Small/Mid Capitalization stocks, International stocks, Emerging Markets stocks, and Real Estate Investment Trusts (REITs).

All investments are held in custody by a Custodian who maintains the Client's custodial account and effects transactions at the direction of the Client and the Discretionary Manager(s) designated by the Client. Client is responsible for paying the Custodian directly for all expenses related to effecting transactions in the account, pursuant to a separate agreement executed between Client and the Custodian.

Each of the Client's investments is held by the Custodian in the Client's name. Clients will receive confirmations of each security purchased and sold for the Client's account (either separately or as part of the periodic custodial statement). Clients are entitled to receive copies of any materials distributed by the issuers of such securities to all beneficial owners of their securities, as well as the Prospectus and all

annual and periodic reports issued by any mutual funds that the Client holds. In addition, the Client retains all indicia of beneficial ownership, including, without limitation, all voting power and other rights as a security holder in each of the securities and funds held for the Client. However, the Client may delegate the right to receive prospectuses and shareholder materials, and to vote proxies on behalf of the Client, to the Discretionary Managers selected by the Client. The Discretionary Manager Designations executed in connection with opening of any Privately Managed Account will include such delegation unless the Client otherwise directs in writing. Client has the opportunity to consult jointly with the Financial Advisory Firm and the Discretionary Managers concerning the individual management of their account.

Advisor as Strategist Program

A Financial Advisory Firm may participate in the Advisor as Strategist Program ("AAS" Program). In this program, a Discretionary Client Services Agreement is executed by the Client; the Client grants the Financial Advisory Firm discretionary authority to invest and reinvest the assets in accounts invested in the Mutual Fund and ETF Solution Types Account; and the Advisor manages custom accounts for their clients ("Custom Accounts"). The Financial Advisory Firm will be solely responsible for determining account assets, trades and rebalances. The Financial Advisory Firm may contract with AssetMark to recommend to the Financial Advisory Firm asset allocations or investment selections for the Custom Accounts, as may be agreed upon between Financial Advisory Firm and AssetMark. AssetMark does not provide any individualized investment advice to Custom Accounts or have or exercise any discretionary authority with regard to Custom Accounts. AssetMark will perform no independent due diligence on the Advisor as Strategist.

The asset allocation classification of the custom models developed by the Financial Advisory Firm may not be consistent with the Investment Approaches or Risk Return Profiles described in this Disclosure Brochure for Platform Accounts. The Platform Fee schedules will be charged to the Client Account, unless otherwise negotiated between the Financial Advisory Firm and AssetMark. The Client will receive additional information regarding the Financial Advisory Firm's management of Custom Account through the Financial Advisory Firm's disclosure brochure.

CUSTODIAL ARRANGEMENTS

The Client's investments made through the Platform are held in the Client's name by a Custodian selected by the Client, pursuant to a custody agreement directly between the Client and the Custodian. As a custodial client, the Client will receive from the Custodian periodic account statements listing the investments held in the Client custodial account, valuations of the investments and transactions which occurred during the period. The Client will also receive prospectuses and shareholder reports, as well as any proxy statements, applicable to the securities in the Client's custodial account if the Client has invested in a Mutual Fund or ETF account available through the Platform. If the Client has selected a Privately Managed Account, the Client will generally delegate the receipt of these shareholder materials to the Discretionary Manager through the Discretionary Manager Designation executed with the Client Services Agreement, unless the Client otherwise expressly directs that such materials be delivered to the Client. The custodian will also provide full year-end tax reporting for taxable accounts and fiscal year-end reporting for Accounts held for tax-qualified entities; and access to electronic or web-based inquiry system that provides detailed information on each Client's Account, on a daily basis.

Several different third party Custodians are available on the Platform for use by Financial Advisory Firms and Clients to provide Client

This must remain with the Client

Accounts with custody and trading services. These Custodians, include TD Ameritrade Investment Support Services, Pershing Advisor Solutions, Schwab Institutional, and Fidelity Brokerage Services. In addition, AssetMark Trust, is used by Financial Advisory Firms and Clients on the Platform. Except as noted, each Financial Advisory Firm will typically select the Custodian to be used by that Financial Advisory Firm's Clients. The selected Custodian's full fee schedule and separate custody agreement will be presented to the Client, to be executed between the Client and Custodian. In general, each Custodian charges a custody fee based on a tiered fee schedule specific to each Solution Type available on the Platform. Fixed-income Solution Types will be charged based on a per trade basis, as described in the Custodian's fee schedule. AssetMark Trust and Third Party Custodians may charge a custody fee is \$150 per year for Accounts invested in Mutual Fund Accounts that do not utilize Proprietary Funds. For accounts custodied at Pershing, an additional Platform Fee of \$150/year (\$37.50/quarter) is charged by AssetMark for third-party mutual fund solutions. Custody fees do not apply for mutual fund solutions comprised primarily of AssetMark proprietary funds. The Custodians charge termination fees and various other miscellaneous fees for wires, returned checks and other non-standard activity on an Account, such as fees for alternative investments. Custody fees will also apply to Accounts in Solution Types that are either closed or no longer offered to new clients. All custody fee details are presented in each Custodian's fee schedule and separate custody agreement.

AssetMark Trust and Third Party Custodians may charge a custody fee is \$150 per year for Accounts invested in Mutual Fund Accounts that do not utilize Proprietary Funds. Custody fees do not apply to mutual fund solutions comprised primarily of AssetMark proprietary funds. The Custody Fee for Proprietary Mutual Funds is \$0.

Important Note: After April 30, 2020, AssetMark Trust and Third Party Custodians will no longer charge a Custody Fee of \$150 per year for Accounts invested in Mutual Fund strategies that do not utilize Proprietary Funds (in other words, these would be Accounts invested in third-party mutual funds.

The Custodians charge termination fees and various other miscellaneous fees for wires, returned checks and other non-standard activity on an Account, such as fees for alternative investments. Custody fees will also apply to Accounts in Solution Types that are either closed or no longer offered to new clients. All custody fee details are presented in each Custodian's fee schedule and separate custody agreement.

The Client is responsible for paying the Custodian the fees charged by the Custodian for its additional services and for all expenses related to effecting transactions in the account, pursuant to the agreement between Client and the Custodian, unless the Custody fees are included in the Platform fee, as described above. The Client will therefore bear such Custodian fees and expenses in addition to the fees charged under the Client Services Agreement, discussed above, and the operating expenses incurred by mutual funds or ETFs, and any other pooled investment vehicles held in the Client's account. It should be noted that other custodial arrangements may be available that would involve lower costs to the Client than does this Platform, and the custodian selected by the Client or the Client's Financial Advisory Firm. Custodians may also negotiate custodial fees at their discretion. Clients should consult with their Financial Advisor to ensure they understand the custodial fees applicable to their Account.

FINANCIAL INFORMATION

In certain circumstances, registered investment advisers are required to provide you with financial information or disclosures about their financial condition in this Item. As the wrap program sponsor, AssetMark has no financial commitment that impairs its ability to meet contractual commitments to Financial Advisory Firms or their clients, and has never been the subject of a bankruptcy proceeding.

ITEM 10 – REQUIREMENTS FOR STATE-REGISTERED ADVISORS

Not applicable to AssetMark as the Platform sponsor.

EXHIBIT A – GPS FUND STRATEGIES***Mutual Funds Fees retained by AssetMark***

The accounts of Clients who select a GPS Fund Strategy will be invested in mutual funds advised by AssetMark. AssetMark will receive Management Fees and Administrative Service Fees from these mutual funds, and AssetMark will determine the allocations of account value among these funds. The maximum net Management Fee retained by AssetMark from a fund in GPS Fund Strategies is 0.40% of average daily net assets, and the maximum Administrative Service Fee paid AssetMark is 0.25%. Therefore, the maximum fee that AssetMark can retain from a mutual fund in a GPS Funds Strategies account is 0.65% of average daily net assets. In selecting a GPS Funds Strategy, the Client agrees to the receipt by AssetMark of this 0.65% fee and that this fee is reasonable compensation to AssetMark.

AssetMark's management of a GPS Fund Strategy can result in a fee to AssetMark lower than the 0.65% authorized by the Client. Listed below are the mutual funds advised by AssetMark in which AssetMark can invest GPS Fund Strategy accounts and the maximum fee that AssetMark can retain from each fund as a percentage of average daily net assets of the mutual funds. If a fund has a sub-adviser, the minimum that AssetMark can pay the sub-adviser is deducted in the amount shown as retained by AssetMark. AssetMark may waive part or all of its management fee, and AssetMark may also recoup previously waived fees and assumed expenses, but these possibilities are not considered in the below-reported maximum retained fees. Some funds invest in shares of other funds, including mutual funds advised by AssetMark; the fees paid these Underlying Funds are not included in the below-reported fees. The Client should refer to the funds' prospectuses and other shareholder materials for information, including fees, regarding the funds. Additional mutual funds can be added to those that receive allocations. If an added fund results in a fee greater than 0.65% being paid to AssetMark, you will be given notice.

MUTUAL FUNDS	MAXIMUM FEES RETAINED BY ASSETMARK
GuidePath Growth Allocation Fund	0.50%
GuidePath Conservative Allocation Fund	0.50%
GuidePath Tactical Allocation Fund	0.60%
GuidePath Absolute Return Fund	0.60%
GuidePath Managed Futures Strategy Fund	0.60%
GuidePath Flexible Income Allocation Fund	0.50%
GuidePath Multi-Asset Income Allocation Fund	0.60%

Since the amount that AssetMark is paid by each mutual fund varies, changes by AssetMark to the allocations of mutual funds in Client accounts can change what AssetMark receives in fees from the funds. GPS Fund Strategies include strategies with "Accumulation of Wealth," "Distribution of Wealth" and "Focused" investment objectives. AssetMark anticipates making periodic changes to allocations among mutual funds in the Accumulation of Wealth and Distribution of Wealth investment objectives, but does not anticipate any material allocation changes for accounts invested in the Focused investment objectives. Listed below, for each Profile in each strategy offered in the Accumulation of Wealth and Distribution of Wealth investment objectives is the maximum retained fee and the range of retained fees that AssetMark can receive assuming the possible asset allocations that AssetMark anticipates for that Profile and objective. For the strategies in the Focused investment objectives, only the maximum possible retained fee is listed because AssetMark anticipates that a change, if any, in the allocations will not materially affect the maximum fee. If an allocation change or the addition of a new mutual fund results in a maximum retained fee for a strategy greater than that listed below, you will be given notice.

Additionally, if AssetMark Trust is chosen as Custodian, AssetMark Trust will be paid 0.35% in Service (12b-1) Fee and Shareholder Service Fees. The third party Platform Custodians (other than AssetMark Trust) also receive service fee payments from the mutual funds in the GPS Solutions. AssetMark receives payments from the third party Custodians as compensation for administrative services provided by AssetMark to the Custodian. That compensation is not considered here.

GPS SELECT*Part of Platform Fee is credited to Account*

AssetMark serves as investment manager for GPS Select and will allocate account value across investment strategies, and among strategists and investment managers within those investment strategies. Included within these investment options are strategies managed by AssetMark, and the investment options include allocations to mutual funds advised by AssetMark. AssetMark pays fees to various strategists and investment managers to which it allocates account value, but does not pay such fees to third parties when it allocates account value to strategies it manages. Further, AssetMark retains compensation from mutual funds they advise.

For GPS Select, the Platform Fee is 0.95%. In selecting a GPS Select, the Client agrees to the receipt by AssetMark of this 0.95% fee and that this fee is reasonable compensation to AssetMark. However, an amount of 0.30% is credited back to the account, resulting in a net Platform Fee of 0.65% for assets invested in GPS Select. The purpose of the 0.30% credit is to ensure that, regardless of the allocation decisions made by AssetMark, the client will receive a Platform Fee credit that is at least as much as any additional compensation AssetMark might retain due to the allocations that AssetMark is permitted to make pursuant to the GPS Select investment guidelines.

MARKET BLEND MUTUAL FUND STRATEGIES*Mutual Fund Fees retained by AssetMark*

The accounts of Clients who select a GuideMark Market Blend Mutual Fund strategy will be invested in mutual funds advised by AssetMark. AssetMark will receive Management Fees and Administrative Service Fees from these funds, and AssetMark will determine the allocations of account value among these funds. The maximum net Management Fee retained by AssetMark from a fund in a GuideMark Market Blend Mutual Fund strategy is 0.45% of average daily net assets, and the maximum Administrative Service Fee paid AssetMark is 0.25%. Therefore, the maximum fee that AssetMark can receive from a mutual fund in a GuideMark Market Blend Mutual Fund strategy is 0.70% of average daily net assets. In selecting a GuideMark Market Blend Mutual Fund strategy, the Client agrees to the receipt by AssetMark of this 0.70% fee and that this fee is reasonable compensation to AssetMark.

AssetMark's management of a GuideMark Market Blend Mutual Fund strategy can result in a fee to AssetMark lower than the 0.70% authorized by the Client. Listed below are the mutual funds advised by AssetMark in which AssetMark is permitted to invest GuideMark Market Blend Mutual Fund accounts and the maximum fee that AssetMark can retain from each fund as a percentage of average daily net assets of the mutual funds. If a fund has a sub-adviser, the minimum that AssetMark can pay the sub-adviser is deducted in the amount shown as retained by AssetMark. AssetMark may waive part or all of its management fee, and AssetMark may also recoup previously waived fees and assumed expenses, but these possibilities are not considered in the below-reported maximum retained fees. The Client should refer to the funds' prospectuses and other shareholder materials for information, including fees, regarding the funds. Mutual funds can be added to those that receive allocations. If an added fund results in a fee greater than 0.70% being paid to AssetMark, you will be given notice.

This must remain with the Client

MUTUAL FUNDS	MAXIMUM FEES RETAINED BY ASSETMARK OR AFFILIATE
GuideMark Large Cap Core	0.60%
GuideMark Small/Mid Cap Core	0.70%
GuideMark Core Fixed Income	0.60%
GuideMark Emerging Markets	0.61%
GuideMark Opportunistic Fixed Inc Svc	0.60%
GuideMark World ex-US Service	0.60%

Since the amount that AssetMark is paid by each mutual fund varies, changes by AssetMark to the allocations of mutual funds in Client accounts can change what AssetMark receives in fees from the funds. Listed below, for each Profile in each strategy offered in Market Blend Mutual Fund strategies, is the maximum retained fee that AssetMark can receive, assuming the possible asset allocations that AssetMark anticipates for that Profile and objective. If an allocation change or the addition of a new mutual fund results in a maximum retained fee for a strategy greater than that listed below, you will be given notice.

Additionally, if AssetMark Trust is chosen as Custodian, AssetMark Trust will be paid 0.35% in Service (12b-1) Fee and Shareholder Service Fees. The third party Platform Custodians (other than AssetMark Trust) also receive service fee payments from the mutual funds in the GPS Solutions. AssetMark receives payments from the third party Custodians as compensation for administrative services provided by AssetMark to the Custodian. That compensation is not considered here.

GUIDED INCOME SOLUTIONS

The accounts of Clients who select a Guided Income Solution will be invested in the following mutual funds advised by AssetMark.

MUTUAL FUNDS	MANAGEMENT FEE BY ASSETMARK
GuidePath Conservative Income Fund	0.35%
GuidePath Income Fund	0.45%
GuidePath Growth and Income Fund	0.45%

AssetMark will receive Management Fees from these mutual funds. There is no Platform Fee for the Guided Income Solutions.

EXHIBIT B – SAVOS AND ARIS SOLUTION TYPES

Exhibit B provides Clients with information about the advisory services of the Aris and Savos Investments divisions of AssetMark, Inc. (“AssetMark”). It is included with the AssetMark Advisor Model Platform Disclosure Brochure for those Clients who have selected an Aris or Savos Advisory Service. Fees applicable to these services are included in the Platform Disclosure Brochure.

DESCRIPTION OF SAVOS ADVISORY SERVICES

Privately Managed Accounts, including:

Individually Managed (“IMA”) Accounts

- Savos Fixed Income Strategies

Unified Managed Accounts, including:

- Savos Preservation Strategy
- GMS Accounts,
- Privately Managed Portfolios (“PMP”) Accounts,
- US Risk Controlled Strategy, and
- Savos Wealth Portfolios

PRIVATELY MANAGED ACCOUNT INVESTMENT SOLUTIONS

The Savos Investments (“Savos”) division of AssetMark acts as Investment Manager (“Discretionary Manager”) for the Privately Managed Account (“PMA”) Investment Solutions.

Each Client designates, with the assistance of the Financial Advisor and based on the Client’s individual investment objectives, one or more of the PMA solutions available.

Savos Fixed Income Accounts

For the Savos Fixed Income Accounts Investment Solution, Savos acts as Investment Manager for Client Accounts. Savos shall provide discretionary investment management services to the Account, and the Client grants Savos the authority to buy and sell securities and investments for the Account, to vote proxies for securities held by the Account and such other discretionary authorities described in the CSA.

For a Savos Fixed Income Account Investment Solution, the Client, with the assistance of their Financial Advisor, shall select a Mandate for the management of their account. There are no Asset Allocation Approaches or separate Risk/Return Profiles available for a Savos Fixed Income Account.

The available Mandates for the Savos Fixed Income accounts are as follows:

- *Laddered Bond Mandates.* These Strategies invest the Account in either US Treasury, US Agency, or US Treasury Inflation Protected bonds, with an intermediate effective duration, on a buy and hold basis.
- *Municipal, Duration-based and the High Income Mandates.* These Strategies invest the Account in closed-end funds, exchange traded funds or mutual funds to obtain relevant exposure specific to desired asset categories.
- *Custom Fixed Income.* The Client, with the assistance of the Financial Advisor, may request that Savos deviate from standard allocations for the selected Fixed-Income Strategy. Such an account is considered a Custom Fixed Income Strategy.

- *Advisor - Custom Accounts.* The Client may choose to participate in a program in which their Financial Advisor, in consultation with Savos, may request further customization for their client’s account (“Advisor – Custom Accounts” or “ACA”). The Financial Advisory Firm will be solely responsible for determining the additional customization and the suitability for the client. Savos, in its discretion, will determine the implementation of the ACA. The Financial Advisory Firm may request that Savos recommend to the Financial Advisory Firm asset allocations or investment selections for the ACA, but Savos does not provide any individualized investment advice to ACA. The asset allocation classification of the custom models developed by the Financial Advisory Firm may not be consistent with the Investment Approaches or Risk Return Profiles described in this Disclosure Brochure for the Fixed Income strategies described above, and the Savos Fixed Income Platform Fee schedule will be charged to the Client Account, unless otherwise negotiated between the Financial Advisory Firm and Savos.

For Savos Fixed Income Accounts, the account minimum ranges from \$25,000 to \$50,000.

UNIFIED MANAGED ACCOUNT (“UMA”) INVESTMENT SOLUTIONS

Savos Preservation Strategy

For the Savos Preservation Strategy Investment Solution, Savos acts as Investment Manager for Client Accounts. Savos shall provide discretionary investment management services to the Account, and the Client grants Savos the authority to buy and sell securities and investments for the Account, to vote proxies for securities held by the Account and such other discretionary authorities described in the CSA.

In the Savos Preservation Strategy Investment Solution, the Client need make no further selections, with the assistance of their Financial Advisor, to specify the Strategy for the Account. The Savos Preservation Strategy follows an Absolute Return Allocation Approach and is considered to be Risk/Return Profile 1.

The primary investment objective of the Preservation Strategy is to avoid a calendar year loss. Intra-year volatility and performance varies and are independent of the Strategy’s primary investment objective. This strategy can invest in, among other things, “opportunistic” or “specialized” asset categories, which includes real estate, commodities, precious metals, energy and other less traditional asset classes, with no geographic restrictions.

Additionally, Savos can use one or more proprietary mutual funds within the strategy. The strategy for each proprietary mutual fund is described in more detail in the Prospectus for the Fund. All Proprietary funds utilized are registered investment company for which AssetMark, either directly or through its Savos division, serves as investment adviser.

For Savos Preservation Strategy, the account minimum is \$25,000.

AssetMark manages UMA Accounts through Savos whereby Savos serves as Overlay Manager and is also referred to as “Discretionary Manager.”

As Overlay Manager for the UMA Investment Solutions, Savos provides discretionary investment management services and coordinates individual security recommendations of independent Investment Management Firms acting as portfolio advisers to AssetMark. As Overlay Manager for UMAs, Savos can also select securities directly for Client Accounts.

The standard minimum UMA investment, depending on the strategy selected, is between \$25,000 and \$100,000. Savos reserves the right, in its sole judgment, to accept certain investments below these standard minimums.

Investments for UMA Investment Solutions will be made in part by Savos using securities recommendations by independent Investment Management Firms. In addition, UMAs can hold investments selected by Savos, and these investments include, but are not limited to, some or all of the following types of securities: exchange traded funds, closed-end mutual funds, open-end mutual funds, preferred stocks, treasury bonds, bills, notes and bank notes. The mutual fund investment can include the Savos Investments Trust Dynamic Hedging Fund (formerly, the Contra Fund), which is advised by AssetMark. The asset allocation decisions, Investment Management Firm selection decisions and additional security selection decisions will all be made solely by Savos in its discretion. This discretion includes the potential substitution of certain securities included in selected Investment Management Firms' asset allocations in consultation with the Investment Management Firm or otherwise, or the selection of individual securities in certain designated asset classes.

For UMA Investment Solutions, Savos employs comprehensive analysis, including specific mathematical, technical and/or fundamental tools and risk-control criteria in the management of Client Accounts. The focus of Savos as Overlay Manager is to add value to each Client's account through: (1) the strategic and tactical determination and implementation of asset allocation levels; (2) the selection of securities characteristics which Savos believes are appealing; (3) the formation of portfolios with risk management options to match the portfolio to the Client's chosen level of risk tolerance; and (4) efficient execution of trade orders resulting from ongoing management of the Client's Account.

For GMS and PMP, a risk management strategy can be implemented through the use of fixed income strategies. Portfolio allocations for these risk management strategies will vary based on individual Client objectives within target allocations established and monitored by Savos.

GMS Accounts

Clients who select the GMS Account as their Investment Solution must deposit at least \$25,000 into their account, and if multiple deposits are made into such an Account, the Account will not be invested and will not be considered a Discretionary Account until the Account balance reaches the required minimum \$25,000. A Client's Account will be held by Custodian in cash or in any assets transferred in-kind until such time as the value of the deposits to the account reaches the required \$25,000 minimum for investment. Savos reserves the right, in its sole judgment, to accept certain investments below the standard minimum.

In a GMS Investment Solution, the Client authorizes Savos to provide discretionary investment management services to the Account. The Client grants Savos the authority to buy and sell securities and investments for the Account, to vote proxies for securities held by the Account and the other discretionary authorities described in your Client Services Agreement. Savos selects securities for the Account, to a substantial degree, consistent with recommendations provided to Savos by Investment Management Firms that AssetMark selects, retains and replaces. Savos retains the right, however, to allocate across asset classes, which will include such recommended securities, in its own discretion. Savos invests the Account in direct securities, pooled investment vehicles, such as mutual funds or ETFs, or in other securities or investments.

Additionally, Savos can use one or more proprietary mutual funds within the strategy. The strategy for each proprietary mutual fund is described in more detail in the Prospectus for the Fund. All Proprietary funds utilized are registered investment company for which AssetMark, either directly or through its Savos division, serves as investment adviser.

Savos adjusts the holdings in a GMS Account on an ongoing basis. Savos may sell or readjust Account holdings to take advantage of certain opportunities to reduce taxes for the Client.

Additionally, Clients should be aware that a reasonable amount of time will be needed to purchase, redeem and/or transfer assets during the annual adjustment period, and AssetMark will not be held liable for losses due to market value fluctuations during the time taken for these transactions.

The GMS Investment Solution follows the Tactical Constrained Asset Allocation Approach. For a GMS Investment Solution, the Client, with the assistance of the Client's Financial Advisor, selects for the management of the Account (1) a Risk/Return Profile; (2) a Mandate; and (3) the type of risk management strategy.

Risk/Return Profile and Risk Management Strategy

With the assistance of the Client's Financial Advisor, the Client selects for a GMS Account a Risk/Return Profile. Only profiles numbered two (2) through six (6), that is Moderate, Moderate Growth, Growth, and Maximum Growth, are available for a GMS Account.

When selecting a Risk/Return Profile for a GMS Account, the Client, with the assistance of the Client's Financial Advisor, may select a risk management option from among investment grade, high yield and municipal fixed income strategies.

A Client may also select a risk management strategy through the use of the Savos Dynamic Hedging Feature, described in more detail below. Not all GMS mandates and Risk/Return Profiles offer this strategy.

Mandates

The Client may choose between the following Mandates for a GMS Account.

High Dividend. The Account will primarily be allocated to large capitalization US stocks, with possible significant allocations to real estate and high dividend paying stocks.

Global. The Account will be allocated to international stocks (including emerging markets), with allocations that also include exposure to large and small capitalization US stocks.

Privately Managed Portfolios ("PMP") Accounts

A Client who selects the PMP Investment Solution must deposit at least \$25,000 into their Account, and if multiple deposits are made into such an Account, the Account will not be invested, nor will it be considered a "Discretionary Account," until the Account balance reaches the required minimum \$25,000. A Client's Account will be held by the Custodian in cash or in assets transferred in-kind until such time as the value of the deposits to the Account reaches the required \$25,000 minimum for investment. Savos reserves the right, in its sole judgment, to accept certain investments below the standard minimum.

In a PMP Investment Solution, the Client authorizes Savos to provide discretionary investment management services to the Account. Savos selects securities for the Account, to a substantial degree, consistent with recommendations provided by Investment Management Firms that Savos selects, retains and replaces. Savos invests the Account in individual securities, pooled investment vehicles, such as open end mutual funds or ETFs, or other securities or investments.

Additionally, Savos can use one or more proprietary mutual funds within the strategy. The strategy for each proprietary mutual fund is described in more detail in the Prospectus for the Fund. All Proprietary funds utilized are registered investment company for which AssetMark, either directly or through its Savos division, serves as investment adviser.

Savos retains the authority to allocate across asset classes, in its own discretion. Savos will generally adjust the holdings in a PMP Account on an ongoing basis.

Clients should be aware that a reasonable amount of time will be needed to purchase, redeem and/or transfer assets, and Savos will not be held liable for losses due to market value fluctuations during the time taken for these transactions.

The PMP Investment Solution follows the Tactical Constrained Asset Allocation Approach. For a PMP Investment Solution, the Client, with the assistance of the Client's Financial Advisor, selects for the management of the PMP Account (1) a Risk/Return Profile; (2) a Mandate; and (3) the type of risk management strategy.

Risk/Return Profile and Risk Management Strategy

With the assistance of the Client's Financial Advisor, the Client selects for a PMP Account a Risk/Return Profile. Only profiles numbered two (2) through six (6), Moderate, Moderate Growth, Growth, and Maximum Growth, are available for a PMP Account. When selecting a Risk/Return Profile for a PMP Account, the Client, with the assistance of the Client's Financial Advisor, may select a risk management option from among investment grade, high yield and municipal fixed income strategies.

Mandates

The Client may choose between the following Mandates for a PMP Account.

Global. The Account will primarily be allocated to large, mid and small capitalization companies domiciled in the United States and other developed countries, with possible significant allocations to real estate and high dividend paying stocks.

High Dividend Global. The Account will primarily be exposed to large, mid and small capitalization companies domiciled in the United States and other developed countries, with possible significant allocations to real estate and high dividend paying stocks. The Account can also invest, at a conservative level, in one or more specialized asset categories, including, but not limited to, commodities, market neutral strategies, emerging markets, international small-capitalized companies and global bonds.

Custom and Advisor - Custom Accounts. The Client, with the assistance of the Financial Advisor, may request that Savos deviate from standard allocations for the selected GMS or PMP Strategy. Such an account is considered a Custom GMS or PMP strategy. The Custom GMS and PMP Strategy may be customized 1) based on a

tax-managed transition plan, 2) through a request for restrictions, 3) due to a request to limit net capital gains or 4) due to a request for other customization.

If the client requests a tax-managed transition, Savos will take commercially reasonable efforts to limit the immediate realization of net gains related to securities transferred in-kind. Clients may also ask that certain securities not be purchased for their Custom account. Clients may request the implementation of socially responsible screens, of Global Industry Classification Standard (GICS) codes or social themes, or the exclusion of specific securities by CUSIP. Requests for restrictions are reviewed by AssetMark to ensure that they are reasonable and will not unduly impair AssetMark's ability to pursue the Solution Type and Strategy selected by the Client. Clients may also request a Custom account consistent with a proposal or product sheet provided by Savos for the account. See the Request for Savos Customization form for more information.

Additionally, the Client, may choose to participate in a program in which their Financial Advisor, in consultation with Savos, may request further customization for their client's account ("Advisor – Custom Accounts" or "ACA"). The Financial Advisory Firm will be solely responsible for determining the additional customization and the suitability for the client. Savos, in its discretion, will determine the implementation of the ACA. The Financial Advisory Firm will be solely responsible for determining the additional customization. The Financial Advisory Firm may request that Savos recommend to the Financial Advisory Firm asset allocations or investment selections for the ACA, but Savos does not provide any individualized investment advice to ACA. The asset allocation classification of the custom models developed by the Financial Advisory Firm may not be consistent with the Investment Approaches or Risk Return Profiles described in this Disclosure Brochure for the GMS or PMP Accounts described below. The GMS or PMP Platform Fee schedules will be charged to the Client Account, unless otherwise negotiated between the Financial Advisory Firm and Savos.

Custom and Advisor - Custom Accounts

The Client, with the assistance of the Financial Advisor, may request that Savos deviate from standard allocations for the selected GMS or PMP Strategy. Such an Account is considered a Custom GMS or PMP Strategy. The Custom GMS and PMP Strategy may be customized 1) based on a tax-managed transition plan, 2) through a request for restrictions, 3) due to a request to limit net capital gains, or 4) due to a request for other customization.

If the client requests a tax-managed transition, Savos will take commercially reasonable efforts to limit the immediate realization of net gains related to securities transferred in-kind. Clients may also ask that certain securities not be purchased for their Custom account. Clients may request the implementation of social responsible screens, of Global Industry Classification Standard (GICS) codes or social themes, or the exclusion of specific securities by CUSIP. Requests for restrictions are reviewed by AssetMark to ensure that they are reasonable and will not unduly impair AssetMark's ability to pursue the Strategy selected by the Client. Clients may also request a Custom account consistent with a proposal or product sheet provided by Savos for the Account. See the Request for Savos Customization form for more information.

Additionally, the Client, may choose to participate in a program in which their Financial Advisor, in consultation with Savos, may request further customization for their client's account ("Advisor – Custom Accounts" or "ACA"). The Financial Advisory Firm will be

solely responsible for determining the additional customization and the suitability for the client. Savos, in its discretion, will determine the implementation of the ACA. The Financial Advisory Firm will be solely responsible for determining the additional customization. The Financial Advisory Firm may request that Savos recommend to the Financial Advisory Firm asset allocations or investment selections for the ACA, but Savos does not provide any individualized investment advice to ACA. The asset allocation classification of the custom models developed by the Financial Advisory Firm may not be consistent with the Investment Approaches or Risk Return Profiles described in this Disclosure Brochure for the GMS or PMP Accounts described below. The GMS or PMP Platform Fee schedules will be charged to the Client Account, unless otherwise negotiated between the Financial Advisory Firm and Savos.

Savos Personal Portfolios

Clients who select the Savos Personal Portfolios must deposit at least \$250,000 into their account, and if multiple deposits are made into such an Account, the Account will not be invested and will not be considered a "Discretionary Account" until the Account balance reaches the required minimum \$250,000. A Client's Account will be held by Custodian in cash or in any assets transferred in-kind until such time as the value of the deposits to the Account reaches the required \$250,000 minimum for investment. Savos reserves the right, in its sole judgment, to accept certain investments below the standard minimum.

In Savos Personal Portfolios, the Client authorizes Savos to provide discretionary investment management services to the Account. The Client grants Savos the authority to buy and sell securities and investments for the Account, to vote proxies for securities held by the Account and the other discretionary authorities. Savos retains the right to allocate across asset classes, which will include such recommended securities, in its own discretion. Savos invests the Account in individual securities, mutual funds and ETFs.

Savos Personal Portfolios will invest in the Core Market strategies through a mix of traditional asset classes, mainly equities and fixed income, and a tactical strategy. Savos Personal Portfolios seeks to provide total return through the combination of multiple asset classes predominantly in equity and fixed income. The tactical sleeve adjusts equity exposure, seeking to limit losses in extreme market declines while participating in equity market returns most of the time. The fixed income holdings will include a combination of ETFs and/or mutual funds selected to maximize the yield of the fixed income sleeve while managing to pre-defined risk limits. The Tax-Sensitive strategies will offer an optional, personalized tax-managed transition in the Account and will also offer account-level tax-loss harvesting to Clients.

Mandates

The Client may choose from the following Mandates for a Savos Personal Portfolio.

Growth and Growth Tax-Sensitive. The strategy is managed against the global equity market global securities (including emerging markets), and targets stocks selected to maximize exposure to equity style factors such as value, momentum, and quality.

Dividend and Dividend Tax-Sensitive. The strategy targets stocks that exhibit positive exposure to equity style factors including dividend yield.

The Savos Personal Portfolios follow the Core Markets Investment Approach. Profile three (3) to six (6), are available for the Savos Personal Portfolios.

Savos Personal Portfolios - Custom

A Savos Personal Portfolio - Custom Account may be customized within a specific range across equity, fixed-income and tactical allocations. The Client, with the assistance of their Financial Advisor, may select from various Savos strategies. In doing so, and by selecting within the range of pre-determined allocations, a Savos Personal Portfolios - Custom account will be established. Each equity, fixed-income and tactical allocation is referred to as a "sleeve" allocation.

Savos will make available the specific range of pre-determined allocations, which range will be updated from time to time. The number of sleeves selected may vary from a minimum of one to a maximum of twelve sleeve selections, to comprise the entire Savos Personal Portfolios - Custom account. There is an investment minimum of \$20,000 in the equity and tactical sleeve, and \$10,000 for the fixed-income sleeve.

Profiles one (1) to six (6), are available for the Savos Personal Portfolios Custom account.

US Risk Controlled Strategy

Clients who select the US Risk Controlled Strategy as their Solution Type must deposit at least \$25,000 into their account, and if multiple deposits are made into such an Account, the Account will not be invested and will not be considered a "Discretionary Account" until the Account balance reaches the required minimum \$25,000. Discretionary authority includes the authority, without first consulting with the Client to buy, sell, remove, and replace securities and to determine the allocations to each investment, select broker-dealers, vote proxies, and take any and all other actions on the Client's behalf that AssetMark determines is customary or appropriate for a discretionary investment adviser to perform.

In the US Risk Controlled Strategy, the Client authorizes Savos to provide discretionary investment management services to the Account. The Client grants Savos the authority to buy and sell securities and investments for the Account, to vote proxies for securities held by the Account and the other discretionary authorities. Savos selects securities for the Account, to a substantial degree, consistent with recommendations provided to Savos by Investment Management Firms that AssetMark selects, retains and replaces. Savos retains the right, however, to allocate across asset classes, which will include such recommended securities, in its own discretion. Savos invests the Account in individual securities and ETFs.

Savos will adjust the holdings in the US Risk Controlled Strategy based on a proprietary indicator. Savos will sell or readjust holdings based on the indicator. During periods of heightened market volatility, Savos can adjust the holdings to a non-equity alternative. During periods of low market volatility, Savos can adjust the holdings to use a leveraged investment to obtain additional market exposure.

Additionally, Clients should be aware that a reasonable amount of time will be needed to purchase, redeem and/or transfer assets during the adjustment period, and AssetMark will not be held liable for losses due to market value fluctuations during the time taken for these transactions. Such transactions can take three or more business days.

The US Risk Controlled Strategy follows the Tactical Limit Loss Investment Approach. Only Profile six (6), Maximum Growth, is available for a US Risk Controlled Strategy. The Account will be allocated to domestic securities.

Savos Wealth Portfolios [Effective March 31, 2020, this investment solution is no longer offered to new investors.]

Savos Wealth Portfolios offer individually-tailored, customized wealth management and portfolio solutions to Clients that reflect their specific personal investment goals and objectives, overall asset allocation, risk tolerance, return expectations, and investment preferences, as communicated by the Clients to their Financial Advisors and Savos. Wealth Portfolios differ from other existing Solution Types offered on the AssetMark Platform primarily due to the maximum flexibility offered through institutional quality and individualized portfolio construction, from the ground up, as compared to selection from a menu of pre-defined strategies, mandates, funds and/or risk/return profiles (with limited ability to customize those options under certain circumstances, if at all).

Wealth Portfolios are constructed by Savos in consultation with Financial Advisors and their Clients, through selection of any combination of equity, fixed income and other securities, with an emphasis on individual stocks, bonds, tax-efficient investments and other investments as appropriate (collectively, "Investment Products"), and active risk management. Portfolio construction specifics are derived from factor-based security selections based on Client responses to Savos' Client Information Form ("CIF") and other data and inputs gathered from Clients by Financial Advisors and as communicated to Savos. Wealth Portfolios may also include other financial planning support assistance and account administration enhancements, as requested or desired by Financial Advisors and made available by Savos to Financial Advisors for their use in enhancing Client investment results and experience.

Financial Advisors that decide to recommend incorporation of Wealth Portfolios to their end-user Client's portfolio will first work with Savos and the Client to complete the CIF, a questionnaire designed to elicit the relevant data regarding Client financial status, risk tolerance, goals and objectives, as may be necessary to develop an individually-tailored Wealth Portfolio. Upon completion of the CIF, Savos reviews and works with the Financial Advisor and/or Client to address any further questions or follow-up as to details necessary to obtain an accurate and complete assessment of the Client's financial goals, objectives, return expectations and risk tolerance.

Based on this information, Savos constructs a Wealth Portfolio of recommended Investment Products for review by the Financial Advisor with his/her Client.

Savos acts as the Investment Manager for the Client's Wealth Portfolio Account and provides discretionary investment management services to the Account. The Client grants Savos the authority to buy and sell securities and investments for the Account, to re-balance and re-allocate assets within the Account (within reasonable parameters or ranges as agreed to by the Client), to vote proxies for securities held by the Account and such other discretionary authorities.

For Savos Custom and SavosWealth accounts, the Client, with the assistance of the Client's Financial Advisor, selects Savos to provide discretionary investment management services to the Account. The Client grants Savos the authority to buy and sell securities and investments for the Account, to re-balance and re-allocate assets within the Account, to vote proxies for securities held by the Account and such other discretionary authorities as described in the IMSA, and as determined between the Client, their Financial Advisor and Savos. As such, the Client's personalized investment objective may go beyond the standards investment objectives listed for each of the six Risk/Return Profiles as described earlier in this section, and as outlined for Savos by Financial Advisor for the Client.

MUTUAL FUND SHARE CLASS USE WITHIN THE SAVOS STRATEGIES

Some expenses are inherent within the investments held in Client Accounts. Mutual funds pay management fees to their investment advisers, and certain funds have other types of fees or charges, including 12b-1, administrative, shareholder servicing, or certain other fees, which are reflected in the net asset value of these mutual funds held in Client Accounts. Such expenses are borne by all investors holding such securities in their Accounts and are separate from AssetMark's fees or charges. Bank money market accounts and other bank services typically charge separate fees. For more information, refer to Insured Cash Program Fees by Affiliate in Item 5.

Use of Proprietary Funds

Savos uses proprietary or affiliated mutual funds in various investment solutions, including the Savos DHF. The Savos DHF is a proprietary registered investment company for which AssetMark, through its Savos division, serves as investment adviser. Information about the proprietary funds, including fees and expenses, are described in more detail in the Prospectus for the Fund.

Certain mutual funds selected for Client Accounts include the Savos DHF from which AssetMark or its affiliates receive additional compensation. AssetMark receives management and other fees for both its management of the Savos Dynamic Hedging Fund, as well as the fees for a Savos Privately Managed Account.

Share Class Use in Savos Strategies

In the Savos' strategies, mutual fund share class is selected on a fund by fund basis and seeks to eliminate 12b-1 fees where possible. AssetMark will seek to use institutional classes where these share classes are available and in doing so, the platform fee is higher for these solutions to pay for the administration and servicing of the accounts that AssetMark performs, as compared to other solutions that use mutual fund share classes that pay shareholder services fees, sub-transfer agency fees and/or 12b-1 fees. In striving for consistency across all custodial options on the Platform, the Savos strategies will seek to select the lowest cost share class available across. Due to specific custodial or mutual fund company constraints, there will be situations where a specific share class is not consistently available. In those cases, AssetMark will seek to invest clients in the lowest cost share class that is commonly available across custodians. In some cases, the lowest share class may be the retail share class.

SAVOS DYNAMIC HEDGING FEATURE

The Dynamic Hedging feature is offered within certain Investment Solutions managed by AssetMark's Savos division. The primary investment objective of the Dynamic Hedging feature is to mitigate losses resulting from a severe and sustained decline in the broad-based equity markets. Savos implements the Dynamic Hedging feature by investing in any number of hedging, fixed-income or other protective investment vehicles. At the current time, the Dynamic Hedging feature invests primarily in the Savos Investments Dynamic Hedging Fund ("Savos DHF").

Investment Objective

The goal of the Dynamic Hedging feature is to participate in the growth of equity markets while also providing risk management protection during periods of sustained and severe equity market decline. The Dynamic Hedging feature seeks to allow investors to stay invested for the long-term by partially offsetting extreme declines in the equity markets while also seeking to provide positive total returns in rising markets.

This must remain with the Client

Risks

No Guarantee Expressed or Implied

The phrase “risk management protection” or simply “protection” should in no way be regarded as a guarantee against losses or even the mitigation of losses. Similarly, the word “participation” should in no way imply positive gains during periods of rising equity markets. The primary goal of the Dynamic Hedging feature is to provide some degree of mitigation of losses during sustained and severe declines in the broad-based equity markets, (and participation in gains during rising markets), but this is not a guarantee. Savos may or may not be successful in achieving the investment objective in any individual calendar year.

The Dynamic Hedging feature should not be expected to mitigate losses occurring over short periods of time, nor should the Dynamic Hedging feature be expected to mitigate losses occurring from market declines that are relatively small or minor.

Limiting Circumstances for Participation in Upside Equity Market Movements

Another goal of Dynamic Hedging is to allow growth in the equity portion of a Client’s account to increase the value of the overall account. This is the “participation” portion of Savos’ “participation and protection” objective. Clients who elect Dynamic Hedging should know that the “cost” of the protection will likely reduce returns when equity markets are increasing in value.

This drag would generally result because (1) the hedging vehicles used by Savos to implement the Dynamic Hedging feature moves inversely to equity markets, and (2) the cost of the hedging vehicles used in the Dynamic Hedging feature will, from time to time, likely increase, particularly in declining equity market conditions. As a result, the level of participation and protection of a Client’s account will vary depending upon market environment and the specific path of market returns. Dynamic Hedging will likely fall while the overall equity market is rising in certain time intervals, and will fall more than the overall equity markets in certain intervals.

Disclosure of Conflicts of Interest

AssetMark receives management fees as the investment adviser to the Savos DHF. Such management fees are in addition to the fees Savos receives under the Investment Management Services Agreement for Savos investment solutions. This creates a conflict because of the receipt of two fees. However, AssetMark addresses this conflict by reimbursing to the Client the portion of the advisory fee for the Savos DHF that is invested in the Savos investment solution. See Servicing Fees Received by AssetMark and Share Class Use in Item 4, Service, Fees and Compensation.

DESCRIPTION OF ARIS ADVISORY SERVICES

Custom High Net Worth

Aris offers a Custom High Net Worth service through the AssetMark Platform. The minimum account size for this account is \$500,000. Aris uses a number of the strategies and advisory services in providing discretionary investment management services to the Custom High Net Worth Account. Aris can invest the Account in direct securities, pooled investment vehicles, such as open end mutual funds, closed end investment companies, including ETFs, or in other securities or investments. Aris retains the right to allocate across asset classes, in its own discretion. Portions of the account will also be managed, by third-party model providers that Aris selects, retains and replaces in its

discretion. For the fixed income portion of the Custom High Net Worth Account, Aris will use pooled vehicles or have a third-party discretionary manager manage with discretion that portion of the Client’s Account. Aris will remove, add or replace the third-party discretionary manager in its discretion. The Client grants Aris the authority to buy and sell securities for the Account and to vote proxies for securities held by the Account. When a third-party discretionary manager is used, the Client grants that third-party discretionary manager the authority to buy and sell securities and investments and to vote proxies for securities held in that portion of the Account it manages.

Clients in Aris’ Custom High Net Worth service have the option to place restrictions against investments in specific securities or types of securities for their account that are reasonable in light of the advisory services being provided. Requests for such restrictions are reviewed by Aris to ensure that they are reasonable and will not unduly impair Aris’ ability to pursue the Account’s investment objective. As may be limited by the Custodian’s policies and procedures, Clients may also pledge the securities in their Account or withdraw securities from their Account (transfer in-kind to another account or custodian), but must do so by giving instructions in writing to Custodian.

Asset Builder

Aris provides strategic asset allocation services utilizing mutual funds. Client asset allocations are dependent on the stated risk parameters and investment objectives of the Client. Assets are managed on a discretionary basis. Clients may transfer existing investments to fund the account; however, all transferred assets will be liquidated and invested to the appropriate asset allocation without regard to any taxable gains or losses that may result. Periodic account reviews will include account rebalancing. Rebalancing may be performed without consideration for any realized taxable gains or losses that result. Clients may place reasonable restrictions on accounts.

Income Builder

Income Builder is an asset allocation strategy designed to provide a higher level of current yield in comparison to traditionally asset allocated portfolios with a similar risk profile. Income Builder will allocate the portfolio across a variety of fixed income and equity investments: traditional fixed income, high yield fixed income, income and growth and traditional equities. While Income Builder is designed to provide a higher current yield, a higher yield is not guaranteed.

Social and Faith Based Portfolios (Personal Values Portfolios)

At a client’s request, Aris will offer portfolios managed for various social or faith based considerations (“Personal Values Portfolios”). Such portfolios can be offered under the Asset Builder and Custom High Net Worth strategies. Personal Values Portfolio allocations are typically constructed from mutual funds, but can also include Separately Managed Accounts, individual securities, closed-end funds and exchange traded funds. Mutual funds utilized in Personal Values Portfolios are selected from a more limited menu of mutual funds than “traditional” allocations. As a result, and though not expected, risk characteristics and returns of Personal Value Portfolios could vary significantly from traditional portfolios. Minimum account sizes for applicable service levels apply and are subject to negotiation.

Investment Risk

Aris utilizes strategic asset allocation strategies. Strategic asset allocation is subject to market risk and asset class risk. Risks associated with strategic asset allocation would not be considered unique or unusual. However, every type of investment involves a varying degree of risk. We rely upon past and current market

information to perform our analyses. Information utilized in analyses is compiled from sources believed to be reliable, but accuracy cannot be guaranteed. Our recommendations are subject to change based upon market performance and other conditions. We make no assurances that analyses will produce profitable investment returns.

Strategic Asset Allocation

Aris' investment process begins through the determination of the asset allocation that is appropriate for the Client's risk tolerance. A Client's risk tolerance is predicated upon a variety of Client-specific factors such as the Client's understanding of possible loss scenarios, time horizon, tax considerations, and liquidity needs. Full disclosure is made to Clients that past performance of securities, securities types, market sectors, market benchmarks and indicators are not predictive of future performance.

Strategic asset allocation is backed by the Nobel Prize winning principles of Modern Portfolio Theory (MPT). We incorporate a variety of techniques to develop the optimal investment strategy for each Client, but MPT provides the foundation. We quantitatively evaluate portfolio risk, taking into consideration the correlation of assets within the portfolio. In constructing portfolios, our approach focuses on superior asset selection and allocation and not by excessive risk taking.

Due diligence and analysis are performed on all investment vehicles (mutual funds, separate account managers, ETFs) that are utilized. Recommended investments are monitored on a consistent basis through a combination of quantitative processes, in addition to interviewing investment managers and periodically conducting on-site evaluations. Our selection process includes extensive screening of managers and mutual funds; qualitative review of managers focusing on structure, resources, and fees; detailed fundamental review of a manager's investment process through interviews; quantitative analysis of a manager's historical style and attribution; and operational approval.

Specialty Portfolios

Strategic asset allocation provides a solid foundation upon which to customize an investment solution for a Client's individual goals. One such customized approach involves the integration of socially responsible criteria into a Client's overall plan. Socially responsible or environment, social and governance (ESG) investing, is a process which attempts to closely align an investor's investment strategy with his/her values. Aris believes it is important to maintain investment integrity while attempting to meet social considerations, however. Our philosophy with regards to building a Social portfolio for a Client is consistent with our overall investment philosophy: select the appropriate asset allocations based on the Client's indicated objectives and risk tolerance and then populate each asset class with managers which pass our due diligence process. To satisfy exposure to each asset class, we select from a pool of managers who incorporate ESG factors as a part of their asset selection process. The general criteria for our Social portfolios emphasize desired characteristics (e.g. companies that manage environmental and social risks better than industry peers) and minimize undesirable characteristics (e.g. companies that do a poor job of managing environmental and social risks versus peers, or those with material exposure to business activities such as tobacco, alcohol, gambling and weapons).

Another customized approach involves the integration of faith-based investments into a Client's overall plan. Faith-based investing is a process which attempts to closely align an investor's investment strategy with his/her faith philosophy. Aris believes it is important to maintain investment integrity while attempting to meet all of the faith-based criteria, however. Our philosophy with regards to building a faith-

based portfolio for a Client is consistent with our overall investment philosophy: select the appropriate asset allocations based on the Client's indicated objectives and risk tolerance and then populate each asset class with managers which pass our due diligence process. To satisfy exposure to each asset class, we select from a pool of managers who incorporate faith-based criteria as a part of their asset selection process. The general criteria for our Faith portfolios emphasize desired characteristics (e.g. companies that are good corporate citizens) and exclude undesirable characteristics (e.g. companies with material exposure to business activities such as alcohol, tobacco, gambling, adult entertainment, abortion, contraceptives and embryonic stem cell research).

Another customized approach involves managing a portfolio to meet inflation-adjusted income requirements. For situations where income needs are paramount, we believe opportunities exist to increase a portfolio's income by integrating investments not traditionally incorporated in a balanced allocation. By expanding the investment opportunity set to include selected income-oriented securities, a portfolio can be better positioned to satisfy ongoing income requirements. Many of these income-oriented securities have the ability to grow income over time, providing a hedge against growing expenses. We recommend taking a diversified approach to income-oriented securities. In addition to traditional stock and bond investments, other asset categories include the following: floating rate bank notes, inflation-protected securities, real estate investment trusts, master limited partnerships, preferred stocks, high yield bonds, international bonds, and business development companies. These income-oriented portfolios exhibit a risk profile that is consistent with that of a conservative-to-moderate investor, and has the potential to generate a higher yield that better equips the portfolio to achieve the Client's individual distribution goals.

Although Aris is predominantly a "manager of managers," in instances where Clients need an additional layer of customization, we do manage portfolios of individual securities (bonds and stocks) for high net-worth Clients.

TRADE EXECUTION

Savos/Aris will generally direct most, if not all, transactions to the Account Custodian. In addition, if the selected Custodian is AssetMark Trust, generally most, if not all transactions will be directed to Fidelity Brokerage Services LLC and/or National Financial Services LLC, or other broker-dealers selected by Savos/Aris and contracted by AssetMark Trust. If the Account is invested in a Savos/Aris High Net Worth, IMA and/or UMA Investment Solution, the selected broker-dealers will be paid through amounts collected as part of the Platform Fee charged to the Account and, therefore, generally, transaction-based commissions will not be charged to the Account for execution services. In certain circumstances, better execution will be available from broker-dealers other than the broker-dealer(s) generally used by the Client's selected Custodian. Savos/Aris may determine to trade outside the selected broker-dealer(s) and, in such a case, the Account will be charged for the trade execution. Savos/Aris can combine purchase and sale transactions for a security into a single brokerage order. This aggregation process could be considered to result in a cross transaction among affected accounts.

PROXY VOTING AND CLASS ACTIONS

The Client designates Savos/Aris as their agent to vote proxies on securities in the Account and make all elections in connection with any mergers, acquisitions and tender offers, or similar occurrences that affect the assets in the Account. Client acknowledges that as a result of this voting designation they are also designating Savos/Aris

as their agent to receive proxies, proxy solicitation materials, annual reports provided in connection with proxy solicitations and other materials provided in connection with the above actions relating to the assets in the Account. However, the Client retains the right to vote proxies and may do so by notifying Savos/Aris in writing of the desire to vote future proxies. Additionally, this designation of Savos/Aris to vote proxies and the Client's right to vote proxies may not apply to securities that may have been loaned pursuant to a securities lending arrangement despite efforts by Savos/Aris to retrieve loaned securities for purposes of voting material matters. AssetMark will not vote proxies if the Savos division of AssetMark is the Discretionary Manager for IMA or UMA Solutions held in custody at a third-party custodian. The Client retains the right to vote proxies.

Class Actions and similar actions

In all instances the Client shall make any and all elections with regard to participation in class actions, notices regarding bankruptcies and similar elections. However, when solicited by the administrator of a certified class, AssetMark will provide Client contact information (last known, if the Client is no longer current) and holdings.

SERVICES NO LONGER OFFERED

Savos and Aris continue to manage other advisory services which are no longer offered to new Clients. Clients with these services may contact AssetMark for more information.

¹ Mutual Funds used within these strategies are primarily comprised of NTF (No Transaction Fee) Funds including A share and retail share classes

² Third-Party Mutual Fund Strategies are also charged \$37.50 per quarter. At some custodians, this is charged as a Custody Fee, while at other custodians it is charged as a Platform Administrative Fee.

³ Annual Minimum Platform Fee: \$350 (this fee is waived on American Funds and Multiple Strategy Accounts)

⁴ GPS Fund Strategies fees waived for proprietary and affiliated mutual funds

⁵ Transaction-based fees, including trade away fees, may be applicable to the account. These fees are typically \$20 per trade.

⁶ Custodial sweep or money market fund selected by AssetMark

⁷ Proprietary solution types refer to those offered by AssetMark, including through its Savos or Aris division.

⁸ AssetMark is the investment adviser to the GuideMark⁸ Funds

⁹ This strategy contains GuideMark⁸ mutual funds

¹⁰ Custom and Fixed Income = Individually Managed Account

Important disclosures for the following strategies are provided in Exhibit A of the AssetMark Disclosure Brochure: GPS Fund Strategies, GPS Select, and Market Blend Mutual Fund Strategies.

For complete information about account minimums, fees and expenses for the various investment solutions, refer to the Disclosure Brochure. To receive a copy, please contact your financial advisor. ▲

Platform Fee Changes

Effective April 30, 2020

AssetMark is transitioning certain mutual fund strategies from retail share to institutional share classes. Here is a summary of change:

- On April 30, 2020, the strategies below will be closed to new investors. Current investors can continue to add funds to existing accounts in these strategies until the June 2020 transition.
- Beginning April 30, 2020, these same strategies using institutional share class will be available for new accounts. The Platform Fee Schedule applicable to these strategies are shown below.
- On July 1, 2020, this Platform Fee Schedule will become effective for existing accounts transitioned from retail to institutional-share class mutual fund strategies.
- A Minimum Platform Fee of \$87.50/quarter will apply to single strategy accounts only when the calculated Platform Fee (quarter-end market value x the applicable fee rate) is less than \$87.50. The Minimum Platform fee does not apply to multi-strategy accounts.
- We are eliminating the \$37.50/quarter custody/platform administrative fee. Clients will no longer be charged this fee.

Effective April 30, 2020 – New Accounts

California Privacy Policy

For AssetMark, Inc., AssetMark Trust Company, AssetMark Retirement Services, Inc. and AssetMark Brokerage, LLC.

ADDITIONAL INFORMATION FOR CALIFORNIA RESIDENTS.

As a California resident, you have additional rights over the personal information that we collect about you that is not already protected by existing federal privacy laws ("California Personal Information"). This California Privacy Policy describes the California Personal Information we collect about you, the rights you have with respect to that information, and how you can exercise those rights.

What California Personal Information have we collected about you in the last 12 months, why do we collect it, and who have we shared it with?

- **When you visit our website.** We collect information from you using "cookies." (For information on our Cookie Policy, see our Online Privacy and Security Notice.) These cookies provide us with information about your visit to our website, such as your Internet Protocol (IP) address, the type of browser and operating system you used to access our website, the date and time of your visit, the pages you visited, and any previous website you accessed to reach our website. We use this information to improve your experience on our website, to track visits to our website and to see how visitors move about the pages. We share this information with our service providers who manage our website, analyze activity on our website, and audit it for security purposes. We may also use this information to deliver our advertisements to you, and we may share this information with our service providers who provide us with advertising and marketing services. If you visit our website and do not have an, or do not log into your, AssetMark account, the information we collect in this manner is aggregated and is not personally identifiable to you. If you visit our website while you are logged into your AssetMark account, this information is protected by federal privacy laws.
- **When you do not have an account with us, and you request a prospectus, an investment adviser brochure, or other information about financial products or services.** We collect your name, e-mail address, mailing address, and general areas of investment interest. We collect this information to respond to your request and to provide you with the information and materials you requested. We may also use this information for our marketing purposes and to deliver our advertisements to you. We may share this information with our service providers who send information to people on our behalf. We may also share this information with our service providers who provide us with advertising and marketing services. Our service providers are prohibited from using your personal information for any purpose other than performing these services for us.

Have we sold your personal information in the last 12 months?

No. We do not and will not sell your personal information.

Do we sell personal information of minors under 16 years of age without affirmative authorization?

No.

What rights do you have regarding California Personal Information that we have collected in the last 12 months?

Upon our receipt of your verifiable consumer request, we will respond to your request to the extent that your California Personal Information has been retained in the ordinary course of business, is identifiable to you, and has been maintained in a manner that would be considered personal information.

- **Right to Know:** You have the right to request that we inform you of (1) the categories of California Personal Information we have collected about you, (2) the categories of sources from which the California Personal Information is collected, (3) the business or commercial purpose for collecting the California Personal Information, (4) the categories of third persons to whom we sold or disclosed each category of California Personal Information for a business purpose; and (5) the business or commercial purpose for which we sold or disclosed the California Personal Information. You also have the right to request that we inform you of the specific pieces of California Personal Information we have collected about you. We have the right to deny your request in certain circumstances.
- **Right to Request Deletion of Personal Information:** You have the right to request that we delete California Personal Information that we have collected from you. We have the right to deny your request to delete in certain circumstances.
- **Right to Nondiscrimination.** You have the right to not be denied goods or services or charged different prices because you have exercised your rights under the California Consumer Privacy Act.

You may submit a request to know or delete California Personal Information by calling 833-620-0416, or by completing the interactive web form accessible [here](#).

How do we verify your request to know or request to delete California Personal Information?

Before we can grant your request to know or delete California Personal Information, we are required to verify your identity. Our verification process depends on what type of request you are making. Our verification process depends on whether you maintain a password-protected account with us, and what type of request you are making.

If you maintain a password-protected account with us:

- We will verify your identity through our existing authentication practices for your account. We also will require you to re-authenticate yourself before we will disclose or delete your California Personal Information. If we suspect fraudulent or malicious activity on or from your password-protected account, we may use additional procedures to verify your identity.

If you do not maintain a password-protected account with us:

- If you submit a request to know categories of California Personal Information that we have collected about you, we will verify your identity to a reasonable degree of certainty. This means that we will match at least two pieces of personal information provided by you with personal information maintained by us, which we have determined are reliable for the purpose of verifying your identity. In some instances, there is no reasonable method by which we can verify the identity of the consumer to the degree required. This is the case, for example, if you visit our website but do not log into your account. In that circumstance, we collect your IP address and may also collect a unique identifier for your device, but we do not associate this information with any named actual person or account.
- Personal Information that we have collected about you, we will verify your identity to a reasonably high degree of certainty. This means that we will match at least three pieces of personal information provided by you with personal information maintained by us, together with a signed declaration under penalty of perjury from you stating that you are the individual whose personal information is the subject of the request.
- If you submit a request to delete California Personal Information, the manner in which we will verify your identity will depend on the sensitivity of the California Personal Information and the risk of harm to the individual by its unauthorized deletion. If the California Personal Information is not sensitive, we will match at least two pieces of personal information provided by you with personal information maintained by us, which we have determined are reliable. If the California Personal Information is sensitive, we will match at least three pieces of personal information provided by you with personal information maintained by us, together with a signed declaration under penalty of perjury that you are the consumer whose California Personal Information is the subject of the request.

Additional information about requests to know and requests to delete California Personal Information:

- We are not obligated to respond to a request to know California Personal Information submitted by or on behalf of the same consumer more than twice in a 12-month period.
- If we cannot verify that the person submitting or authorizing a request to know is the person about whom we have collected California Personal Information, we are not obligated to provide California Personal Information in response to the request to know.
- In responding to a request to know California Personal Information, we will not disclose an individual's Social Security number, driver's license number or other government-issued identification number, financial account number, health insurance or medical identification number, account password or security questions and answers.
- If we cannot verify that the person submitting or authorizing a request to delete California Personal Information is the person from whom we have collected information, we will deny the request to delete.

Can your authorized agent submit a request to know or request to delete California Personal Information on your behalf?

Yes. If you use an authorized agent to submit a request to know or delete California Personal Information, we will require that you (1) provide your authorized agent with written permission to submit a request to know or to delete California Personal Information on your behalf, and (2) verify your identity with us, using the methods described above. We may deny a request from an agent who fails to submit proof that they have been authorized by you to act on your behalf.

CONTACT FOR MORE INFORMATION.

If you have questions or concerns about our privacy policies and practices, you may contact us at 833-620-0416.

ERISA 408b-2 Disclosures

AssetMark, Inc. — Advisor Model

ERISA regulation 408b-2 requires that certain (“covered”) service providers disclose compensation and other information to ERISA pension plans. Below is that information for ERISA plans that have a Client Services Agreement with a Financial Advisory Firm that uses the Platform sponsored by AssetMark, Inc. (“AssetMark”) and that may use AssetMark Trust (“AssetMark Trust”) as custodian. These fees are not additional compensation paid to AssetMark and AssetMark Trust. This is compensation payable pursuant to clients’ agreements with AssetMark and AssetMark Trust and that may be received by AssetMark, AssetMark Trust and their affiliates and sub-contractors due to those arrangements. Covered service providers, other than AssetMark and AssetMark Trust, may provide their own disclosures separately.

A DESCRIPTION OF THE SERVICES PROVIDED TO THE PLAN

If selected as a Discretionary Manager, AssetMark or a third-party investment adviser will provide discretionary investment advisory services to the account. Please refer to CSA, including section 1(b).

If selected as custodian, AssetMark Trust will provide custodial services for Client’s account assets. Please refer to AssetMark Trust’s Custody Agreement, including sections 1 through 10.

STATEMENT REGARDING STATUS OF SERVICE PROVIDER

If designated a Discretionary Manager, AssetMark will provide services to the Client as a fiduciary (within the meaning of ERISA 3(21)) and as an investment adviser registered under the Investment Advisers Act of 1940 for that portion of the Plans’ assets it manages. Please refer to the CSA.

AssetMark Trust does not act as an ERISA 3(21) fiduciary to the Plan and is not an investment adviser registered under the Investment Advisers Act of 1940.

COMPENSATION

DIRECT COMPENSATION

If designated a Discretionary Manager, AssetMark will receive compensation as provided in the CSA, including its Section 3, Fees, and the Client Billing Authorization, appended to the CSA, and disclosed in the AssetMark Disclosure Brochure, Item 4. Any Discretionary Manager will receive compensation. If the client has selected an IMA, a portion of the Platform Fee will be paid to the Discretionary Manager.

AssetMark Trust will receive the compensation specified in the Custody Agreement. Please refer to the Custody the Agreement, including sections 11-14 and Exhibit A.

INDIRECT COMPENSATION

Paid to AssetMark by Mutual Funds. AssetMark serves as investment adviser and provides administrative services to the GuideMark and GuidePath Funds and the Savos Dynamic Hedging Fund, which are funds that may be included in client accounts. The fees paid AssetMark are disclosed in the funds’ prospectuses. AssetMark may receive from funds it advises expense reimbursements to repay AssetMark for its previous fee waivers or expense assumptions. The AssetMark-advised funds also pay a portion of the salary of their chief compliance officer, an AssetMark employee.

Paid to Discretionary Manager by Mutual Funds. If a Discretionary Manager invests in funds that they manage, the Discretionary Manager will receive that compensation specified in the funds’ prospectuses.

Paid to AssetMark Trust from Mutual Funds and Other Financial Institutions. Mutual funds and/or their service providers may pay service fee income to custodians and other services providers for administrative services to the funds and/or their service providers, including but not limited to: maintenance of an omnibus account with the fund or its designated transfer agent; transmission of net share purchase and redemption orders to the funds; maintenance of separate fund share ownership and related accounting records for each Client; processing and settlement of Client fund share transactions; providing Clients with fund transaction confirmations, periodic statements showing fund shares owned and annual gain/loss reporting; delivery of fund prospectuses, proxy materials, reports, and other information as required; and creation and delivery of forms and reports required to be sent to Clients pursuant to the federal tax laws. This compensation may be funded through funds’ Rule 12b-1 fees, from sub-transfer agency fees assessed funds’ assets, from the general assets of funds’ advisers or through other sources. Fidelity Brokerage Services LLC and National Financial Services LLC (“Fidelity”) provide brokerage services and act as sub-custodians to AssetMark Trust and Fidelity has such agreements with mutual funds and/or their service providers. AssetMark Trust performs many of these services. Fidelity pays to AssetMark Trust a percentage of the service fee income it receives related to mutual fund holdings. AssetMark Trust will generally not receive service fee income directly from mutual funds and/or their service providers.

The following table lists the service fee income related to mutual fund investments that is expected to be received by AssetMark Trust as annual rates on the average daily market values of AssetMark Trust accounts invested in the specified Strategy. The actual amounts may vary. The range of service fee income that is paid by mutual funds and/or their services providers and other financial institutions is approximately 0.0% to 1.2% of the funds’ average daily net assets.

AVERAGE PERCENTAGE INDIRECT COMPENSATION PAID TO ASSETMARK TRUST

STRATEGY	AVERAGE
MUTUAL FUNDS - PROPRIETARY	0.346%
MUTUAL FUNDS - THIRD PARTY	0.211%
MULTIPLE STRATEGY ACCOUNTS	0.102%
MUTUAL FUNDS - INSTITUTIONAL	0.112%
NON-MANAGED	0.002%
SAVOS PRESERVATION IMA	0.029%
NON-MANAGED ASSETS	0.055%
ARO (UMA)	0.005%
GPS SELECT & CUSTOM GPS SELECT	0.013%
PMP (UMA)	0.005%
GMS (UMA)	0.006%
EQUITY BLEND IMA (ARIS, CLARK, ROCH, WB)	0.015%
ETFS	0.014%
FIXED INCOME (SAVOS, THIRD PARTY)	0.002%

AssetMark Trust maintains a FDIC-Insured Cash Program for the deposit of cash at third-party banks. The Program Banks pay AssetMark Trust for the administrative and recordkeeping services it provides. The Program Fee paid AssetMark Trust is expected to be 2.35% for the Insured Cash Deposit Program and 0.55% for the High Yield Cash Program. The actual amounts may vary and may be up to 4% on an annualized basis of the deposits in the Program.

Paid to Sub-Custodian by AssetMark Trust. In fulfilling its custodial and brokerage responsibilities, AssetMark Trust may use sub-custodians and directs most, if not all, transactions to Fidelity Brokerage Services LLC and/or National Financial Services LLC (“Fidelity”). Brokerage expenses are generally not directly assessed against client accounts. Instead, Fidelity is compensated by AssetMark Trust, from its general, corporate assets, pursuant to contract. AssetMark Trust pays Fidelity for brokerage at the approximate, average annual rate of 0.012% of those account assets invested in exchange-traded securities and certain mutual fund share classes.

Paid to AssetMark by Strategists and Investment Management Firms. AssetMark contracts with investment advisers, e.g., the Strategists, and others for services that it uses in providing investment advice to clients. These firms may contribute at their discretion to the costs of AssetMark’s annual conference to educate Financial Advisors regarding the AssetMark Platform. These payments to AssetMark, collectively, are annually approximately 0.0023% of the average daily market value of accounts on the AssetMark Platform.

INDIRECT COMPENSATION AND COMPENSATION PAID BETWEEN RELATED PARTIES

Paid to AssetMark Trust by AssetMark. If no separate Custodial Account Fee is charged a client account and if the service fee income received by AssetMark Trust with respect to mutual funds whose shares are held in the account is less than 0.25% of the average daily net asset values of the fund shares held by the account (not the full value of the account), then AssetMark will compensate AssetMark Trust for the custodial and administrative services provided.

COMPENSATION UPON ACCOUNT TERMINATION

AssetMark Trust charges a \$95 Account Termination Fee. Please refer to Custody Agreement, Section 13.

ADDITIONAL COMPENSATION

Paid to AssetMark by Financial Advisory Firms. AssetMark sponsors the AssetMark Platform. Pursuant to contract with the Financial Advisory Firm and not as a “covered service provider” as defined by ERISA regulation 408b-2, AssetMark provides certain administrative services to the Financial Advisory Firm. In consideration of these services, the Financial Advisor Firm pays AssetMark the Platform Fee, which is a portion of the Advisory Fee charged the Client Account, as provided in the CSA, including its Section 3, Fees and as specified in the Platform Disclosure Brochure, Item 4. Additionally, if a Financial Advisor has signed up with AssetMark for at least a year and the total value of the Platform accounts associated with that Financial Advisor is less than \$1 million (\$1,000,000), a Quarterly Maintenance Fee of \$125 is payable to AssetMark.

Paid to AssetMark by Third-Party, Platform Custodians. Separate from the advisory services that AssetMark provides the Plan, AssetMark provides the Platform custodians certain services with respect to the custody arrangements. AssetMark does not provide these services as a “covered service provider” as defined by ERISA regulation 408b-2, but as services to the third-party Platform custodian. If the Client selects a custodian other than AssetMark Trust and if provided pursuant to contract between AssetMark and the third-party custodian, the selected custodian will remit a portion of the fee it charges the Client or receives from other parties, including mutual funds and/or their service providers, to AssetMark as compensation for these services. The formula under which AssetMark’s compensation will be calculated is prospectively agreed upon by the custodian and AssetMark, and will be a function of agreed upon percentages on the average daily value of assets under management or custody, or other methodology agreed to by the parties. The Formula is set for at least a 12 month period. The payment due under the formula will be calculated and paid quarterly and is expected not to exceed the annual rate of 0.25% of average daily account values depending upon the custodian and Strategy selected. Further information about the compensation paid AssetMark, including current and historical compensation, is available upon request.

Web Address: <http://www.tpfg.com>

March 30, 2020

This Disclosure Brochure provides information about the qualifications and business practices of The Pacific Financial Group, Inc. (“TPFG”). If you have any questions about the contents of this Brochure, please contact Jason Luhan, Chief Compliance Officer, at 800 735-7199 or compliance@tpfg.com. The information in this Disclosure Brochure has not been approved or verified by the United States Securities and Exchange Commission or by any state securities authority.

Any references to or use of the terms “registered investment adviser” or “registered”, does not imply that TPFG or any person associated with TPFG has achieved a certain level of skill or training.

Additional information about TPFG is available on the SEC’s website at www.adviserinfo.sec.gov. You can search this site by a unique identifying number, known as a CRD number. The CRD number for TPFG is 105203.

Item 2. Summary of Material Changes

The purpose of this page is to inform you of any material change since the last annual update to our Disclosure Brochure. If you are receiving this Disclosure Brochure for the first time, this section may not be relevant to you.

The Pacific Financial Group, Inc. (“TPFG”, “we”, “firm”, “our”, or “us”) reviews and updates its Disclosure Brochure at least annually to confirm that it remains current. Below is a summary of the changes made to our Disclosure Brochure since the last update which was effective March 29, 2019.

1. Material Changes

- In 2017 TPFG merged with The Elements Financial Group, LLC an SEC registered investment adviser. As a result of the merger, both firms became under common ownership and control of The Pacific Holdings Group, LLC. and the Elements Financial Group was renamed Pacific Financial Group, LLC (hereafter “PFG”). As part of the continued merger of the two firms, PFG retail clients are now serviced by TPFG and PFG remains the adviser to the RiskPro family of Mutual funds (the “RiskPro Funds”) which are used as building blocks to the Managed Strategist and Self Directed Brokerage Account (See *Item 4* for details about these and other programs offered by TPFG)
- Beginning May 1, 2020, the RiskPro Funds which are the proprietary family of mutual funds advised by PFG will be rebranded the Pacific Financial Group Mutual Funds (the “PFG Funds”). Certain of the management disciplines of the PFG Funds and the models deployed in the Managed Strategist and SDBA programs will be revised to accommodate the change in fund structure. Nothing by this change however will alter the risk profile or TPFG’s investment disciplines and analysis in constructing the models. In addition to rebranding, the fee structure of the funds will change. Whereas currently the Funds pay a management fee of 1.25%, a shareholder servicing fee of 0.25%, 12b-1 distributions fees of 0.25%, and other estimated administrative fees between .23% and .35%, depending on the fund (See *Item 5* Fees and Expenses for current fees), the new fee structure will consist of 1.25% in management fees, 0.70% in administrative service fees and 0.10% in 12b-1 distribution fees.

Item 4. Advisory Business

TPFG is a Washington State based investment adviser registered with the U.S. Securities and Exchange Commission (“SEC”). TPGF was founded in 1984 and its principal place of business is located in Bellevue, Washington. Megan P. Meade and Nicholas B. Scalzo serve as Co-Chief Executive Officers for the firm. Our boutique firm is structured to provide quality, professional investment advice and excellent service to each client.

In September 2017, TPGF was reorganized. As a result, TPGF is a wholly-owned subsidiary of The Pacific Holdings Group, LLC, a Washington State limited liability company (“Pacific Holdings”). ProTools, LLC (“ProTools”), the developer of RiskPro®, a software tool used for risk management, and Pacific Financial Group, LLC, a California based investment adviser registered with the SEC, are also wholly owned subsidiaries of Pacific Holdings. Megan Meade, the Co-Chief Executive Officer of our firm, is the owner of more than 50% but less than 75% of the Membership Interests in Pacific Holdings.

Management of Pacific Holdings is under the control of Megan Meade, Co-Chief Executive Officer; Nicholas Scalzo, Co-Chief Executive Officer; James McClendon, Managing Member; and Gaetan Scalzo, Managing Member.

TPFG provides five principal types of investment advisory programs (“Investment Programs”): (1) the Managed Strategists and Self Directed Brokerage Account Programs; (2) Separately Managed Account Program; (3) the Enhanced Portfolio Investment Centre and Multi Mandate Strategy Programs; (4) Core Retirement Optimization Program; and (5) Variable Annuity Optimization Program. TPGF works with investment adviser representatives affiliated with registered investment advisers (“Introducing Firms”) who refer clients to us.

1. TPGF’s Investment Programs

A. Managed Strategists and Self-Directed Brokerage Account Programs

The Managed Strategists and Self Directed Brokerage Account (“SDBA”) Programs are available to all investors but are most frequently used by Clients in connection with retirement accounts under the Employee Retirement Investment Security Act of 1974 (“ERISA”), or under Sections 401(a) or 408 of the Internal Revenue Code of 1986 (“Code”). For the SDBA Program, the Client will open a Self-Directed Brokerage Account (“SDBA”) as permitted by the Client’s retirement plan which permits the participant (i.e. the Client) to direct the investments in the account and in most cases, to appoint TPGF as the adviser to the account. Assets held in the Self-Directed account are considered plan assets but are not supervised or reviewed by the plan fiduciaries. The Managed Strategist program is the same as the SDBA except the Model Portfolios (each a “Model”) are held in traditional brokerage accounts and not part of a retirement plan.

Each Model is developed and managed by TPGF and is made up solely of the RiskPro Funds. Clients become shareholders of the RiskPro Funds when participating in the Managed Strategist or SDBA Programs. The RiskPro Funds are funds of funds meaning they hold other mutual funds (each an “Underlying Fund”) within the RiskPro Fund. For several of the RiskPro Funds, PFG

uses research services provided by independent strategists which results in some of the RiskPro Funds investing at least 80% of the Fund's net assets in funds advised by a single strategist.

Using the RiskPro® Funds as building blocks, TPFG develops and manages a variety of Models, designed to correspond to a range of investment risk as measured by RiskPro®. TPFG developed five Models with different levels of investment risk;

- Managed Conservative
- Managed Moderate Conservative
- Managed Moderate
- Managed Moderate Aggressive
- Managed Aggressive

In addition to these Models, TPFG has created five “focused” Models with each Model consisting of a smaller number of RiskPro Funds; and ten “Featured” Models highlighting a management discipline of a single strategist. The allocation of the RiskPro® Funds for each of the Models will vary based on TPFG's investment judgment and the desired level of investment risk.

Prior to investing in any of the RiskPro® Funds, or in any of the Models, investors should consider carefully the investment objectives, risks, and charges and expenses of each of the RiskPro® Funds. The RiskPro® Funds' Prospectus contains this and other important information and should be read carefully before investing. To obtain a copy of the RiskPro® Funds' Prospectus, please contact TPFG at 800 735-7199 or visit www.TPFG.com.

B. Separately Managed Account Program

TPFG offers five Model Portfolios in the Separately Managed Account Program (“SMA Models”). The SMA Models are pre-defined models managed by TPFG's Investment Committee consisting of Mutual Funds and ETFs held within a single account. Advisers will frequently refer Clients to TPFG's SMA Models if the Client has investable assets of more than \$1,000,000, though the minimum investment is significantly lower. See *Item 7, Types of Clients*.

The five SMA Models each have their own investment discipline:

- **Equity** - The objective of the Equity SMA Model is to provide returns similar to the S&P 500. To achieve this objective, a blend of mutual funds and ETFs are used in the allocation. The Equity SMA Model proactively adjusts exposure to various sectors, market capitalizations, and style depending on market conditions.
- **Balanced** - The Balanced SMA Model is for the investor who would like to have exposure to stocks and bonds. This blended strategy proactively adjusts the stock-bond ratio in response to the market environment. The objective is to strike a balance of returns that fall between stocks and bonds. To achieve this objective, a blend of mutual funds and ETFs are used in the allocation.
- **Income Cash Yield** – The SMA Income Cash Yield Model is designed for the investor who desires monthly income from their portfolio. The Model seeks a high level of income consistent with a moderate level of risk by investing primarily in a variety of

income producing asset classes including debt securities, equities, preferred and liquid alternatives. To achieve this objective, a blend of mutual funds and ETFs are used in the allocation.

- **Equity Tax Managed** - The SMA Equity Tax Managed Model is for the investor who seeks to minimize the impact of income taxes and wants the ability to exercise control as to when those taxes are incurred. The objective of the Model is to provide returns similar to the S&P 500, but priority is given to not triggering taxable events for clients. To achieve this objective, a blend of equity ETFs are used across market capitalizations. This strategy is customized to each individual client based on the direction provided by the Client's Adviser.
- **Balanced Tax Managed** - The Balanced Tax Managed Model is for the investor who seeks to minimize the impact of income taxes and exercise control as to when those taxes are incurred. The objective of this Portfolio is to provide returns that fall between stocks and bonds, but priority is given to not triggering taxable events for clients. To achieve this objective, a blend of equity and fixed income ETFs are used. This strategy is customized to each individual client based on the direction provided by the Client's Adviser.

C. The Enhanced Portfolio Investment Centre and Multi Mandate Strategy Programs

TPFG sponsors two turnkey asset management platform (each a "Platform") entitled the Enhanced Portfolio Investment Centre ("EPIC") Platform and the Multi Mandate Strategy ("MMS") Platform. These Platforms offer Advisers pre-defined models created by TPFG as well as the ability to build custom allocations ("Practice Level Models") using multiple-strategies provided by unaffiliated institutional money managers ("Strategists") who will utilize their own investment discipline. Before making a Strategist available on a Platform, TPFG reviews key characteristics, such as historical performance, consistency of returns, risk level, expenses, and the investment discipline of each Strategist.

Under these Platforms, TPFG provides a variety of services and technology to the Client's Adviser. Such services include trading; access to RiskPro®, a risk analysis and portfolio construction software solution; research tools; and solutions to create investment proposals and policy statements among others. Platform Services also include a variety of Non-Investment Management Services such as access to software that assists in the administration of Client accounts to include assistance in setting up and maintaining accounts; account management agreements and required disclosures; account billing and record keeping; performance reporting; and enabling clients and advisers to view and manage Client information.

In addition to the Role of Adviser (See *Role of Adviser*), Client grants to TPFG a Limited Power of Attorney to execute trades in accordance with the investment discipline established by a Model or Strategist as selected by the Client. In administering each Platform, TPFG has the discretion to determine the Models or Strategists (to include the removal and substitution of a Model or Strategist) that will be available on the Platform and TPFG will monitor the Strategists, and any predefined Models to ensure consistency with the stated disciplines. However, the Client's financial adviser ("Adviser") is the party responsible for determining the appropriateness of the program and any allocation(s) selected. The specific services provided to the Client, to include

without limitation, investment management, trading, account maintenance and other back-office services, such as recordkeeping, billing, and other non-investment management services, and the roles and responsibilities of TPFG and Adviser, are more fully disclosed in the Investment Management Agreement and Statement of Investment Selection entered into by TPFG, the Adviser, and the Client.

D. Core Retirement Optimization

The Core Retirement Optimization (“Core”) Program offers predefined Managed Models consisting of mutual funds and/or other investment vehicles offered by the sponsoring company of a retirement plan such as 401(k), 403(b), 401(a) or 457 plans (each a “Plan”) and is used for accounts that don’t offer a Self-Directed Brokerage Account (“SDBA”) option. The Core Program offers five strategies which are optimizations of the core investments offered in the particular plan. Each model uses a diversified asset allocation strategy to manage risk. The client, along with the Adviser, determine the appropriate strategy based on the goals, objectives, risk tolerance, needs and time frame of the Client. The Core Program appeals to a wide range of clients to include those who are just beginning to save for retirement as well as Clients with an established account who are preparing to retire.

The Core strategies consist of:

- **Conservative**: Designed for the investor seeking stability. The primary goal of this strategy is capital preservation, with capital appreciation being secondary. It has a low level of risk/volatility.
- **Moderately Conservative**: Designed for the investor seeking capital appreciation and preservation. The primary goal of this strategy is long-term capital appreciation, with income being secondary. It seeks a low level of risk/ volatility, but more risk than Conservative.
- **Asset Allocation**: Designed for the investor seeking capital appreciation and current income. The primary goal of this strategy is long-term capital appreciation, with some emphasis on current income. It has a moderate level of risk/volatility.
- **Strategic Equity**: Designed for the investor seeking capital appreciation through equities. The primary goal of this strategy is long-term capital appreciation. It has a moderately high level of risk/volatility.
- **Global**: Designed for the aggressive investor seeking long-term capital appreciation. The emphasis of this strategy is on long-term capital appreciation. It has a high level of risk/volatility.

E. Variable Annuity Optimization Program

TPFG manages a Client’s variable annuity sub-accounts by creating Models consisting of different allocations using the sub-accounts offered within the annuity sponsor. A Variable Annuity Optimization (VAO) account leverages TPFG’s analytical processes to accurately define variable annuity sub-accounts that have a propensity to drift from the sub-accounts stated discipline (“Style Drift”). TPFG will use its analytical processes to rebalance the sub-account selection so as to create a diverse portfolio suited for various economic conditions and an investor’s risk temperament. The goal of the VAO models is to provide optimal returns based on a risk/return profile while trying to manage downside risk. The VAO option is ideal for investors with a moderate to aggressive risk tolerance that either already own a variable annuity or who are obtaining a variable annuity through

an insurance company with whom TPFG is established as a third-party investment adviser. ***TPFG does not sell or recommend any insurance/annuity products.***

The portfolios constructed will depend on the available list of sub-accounts within the respective variable annuity. TPFG's ability to manage the sub-account will vary by sponsor, product, and any riders attached to the account. TPFG works with a number of different annuity sponsors and typically offers the following types of Portfolios, though not all Portfolios are available at all annuity sponsors:

- **Asset Allocation**: Designed for the investor seeking capital appreciation and current income. The primary goal of this strategy is long-term capital appreciation, with some emphasis on current income. It has a moderate level of risk.
- **Strategic Equity**: Designed for the investor seeking capital appreciation through equities. The primary goal of this strategy is long-term capital appreciation. It has a moderately high level of risk/volatility.

2. Role of the Adviser

In most all instances, Clients are referred to TPFG by the Client's financial adviser ("Adviser") whose supervising firm (the "Introducing Firm") has contracted with TPFG to allow the Adviser to offer TPFG's products and services to the Introducing Firm's clients. The Introducing Firm is responsible for supervising the activities of its Advisers. In this regard, TPFG and the Introducing Firm each have their respective and several obligations to the Client. Accordingly, the Client is a client of both TPFG and the Introducing Firm. Regardless of the Program selected or the services which may be provided, the Adviser serves as the primary relationship contact with the Client and, in general, provides the following types of services:

- **General Duties**. The Adviser is responsible for obtaining and reviewing sufficient information relevant to the Client's investment objectives, risk profile and investment history so as to evaluate the appropriateness of the Program(s) recommended. The Adviser remains the primary point of contact for the Client and will serve as the liaison between TPFG and the Client. The Adviser remains responsible for gathering and communicating the Client's financial information, risk tolerance and investment objectives to TPFG. As the Client's Adviser, the Adviser periodically confirms (at least annually) the appropriateness of the investment objectives deployed and will notify TPFG of any necessary changes that need to be made to any Account(s). The Adviser may provide other clerical or administrative services for the Client's account and may also provide other services outside and in addition to the Services offered through TPFG.
- **Client On-Boarding**. The Adviser facilitates the on-boarding process for the Client, including supporting the Client in completing the new account opening paperwork, determining the appropriateness of one or more Programs, and for gathering such other information as may be required to service the Account. During the Client onboarding process, Clients will complete an Account Application which includes an Investment Management Agreement ("IMA") which notes the agreement between the Client, Adviser and TPFG; a Statement of Investment

Selection or Investment Election Form (collectively “SIS”), which is used to identify which of the Programs is being selected by the Client and the investment allocation chosen; and a Separate Fee Disclosure Statement which notes the fees associated with each Program selected, the manner in which the fees are paid and the party receiving the fees. In addition to the IMA, SIS and Separate Fee Disclosure, the Adviser is responsible for providing Clients with TPFG’s Privacy Policy, Code of Ethics, and From ADV Part 2A (this brochure) and Part 2B, and the appropriate PFG Fund prospectus as applicable, all of which are incorporated into the Management Agreement by reference

- **Client Relationship.** As the primary point of Client contact, the Adviser assists with receiving, ascertaining, forwarding and communicating any instructions of the Client to TPFG and promptly providing copies of all required documentation to TPFG and the Client as necessary.
- **Investment Program Selection and Allocation.** It is the Adviser’s responsibility to understand the Programs and TPFG’s policies relative to the Programs when evaluating or recommending a Program to a Client. The Adviser educates the Client about TPFG’s Programs, and determines with the Client, the Program and investment allocations that are consistent with the Clients investment objectives.
- **Ongoing Monitoring.** The Adviser maintains ongoing contact with the Client to obtain updated information about each Clients investment objectives, risk tolerance and needs, as they may change from time-to-time, and to review with the Client whether the investment Program or allocation remain consistent with the Clients investment objectives and financial circumstances. The Adviser will communicate any changes to TPFG as necessary.

3. Role of TPFG

In assisting the Adviser, TPFG will provide a variety of services based on the product or service selected by the Adviser. When serving as an investment manager to a Client account, TPFG is responsible for managing the investment selections it makes available which will include the creation and management of Models to ensure the Model adheres to its stated discipline, the management and review of the Strategists it makes available, and for executing trades within the account to maintain the selected allocation. In addition, TPFG will make available one or more non-investment related products, platforms or services. These non-investment services can include administrative services for shareholders of the RiskPro Funds, account maintenance and service functions such as maintaining and trading Practice Level Models created by the Adviser, sponsoring and maintaining technology platforms or services, processing distribution requests, providing performance and transaction statements, among other services. The specific services provided by TPFG to the Client are more fully described in the IMA and applicable SIS.

4. TPFG as Adviser to Private Clients.

TPFG typically provides its Programs and services to Clients who are introduced through TPFG’s national network of Introducing Firm. Under certain circumstances, Advisers of TPFG will service Clients directly. When advising Clients directly, the Client will be a “Private Client”

and TPFPG will assume the roles and responsibilities otherwise assumed by the Introducing Firm. In this regard, TPFPG assumes supervisory responsibilities applicable to the activities of the TPFPG Adviser. The services provided to Private Clients, to include any fiduciary responsibilities, shall be viewed in light of the provisions of the Uniform Prudent Investor Act as applicable under governing law.

5. Limited Power of Attorney:

Client will grant Adviser a Limited Power of Attorney (“LPOA”). When granting LPOA to the Adviser, the Client is authorizing TPFPG to accept instructions from the Adviser without first verifying the instruction with the Client. Any instructions provided by the Adviser must adhere to TPFPG’s policies as TPFPG may establish and modify from time to time in its sole discretion. The authorization granted under the LPOA includes:

- Trading and Allocation Authorization - The Adviser is authorized to effect changes to the Account without first consulting the Client as it relates to the Allocation to include the selection of one or more Models or Sleeves, the timing of adding or removing a Strategist, or to otherwise allocate the Account as the Adviser may deem appropriate within the selected Program and as permitted by the IMA, the applicable SIS, or TPFPG’s policies governing the Program(s).
- Except as may be required to liquidate an existing position transferred into the account, trading authority does not grant to the Adviser, the authority to buy or sell individual securities or to otherwise alter the security weightings of any one or more Strategist. The Adviser is not authorized or permitted to allocate to the Account a Strategist, fund, security or other investment vehicle not offered by the selected Program. Unless otherwise specified, this authorization does not grant the Adviser the discretion to create custom models (“Practice Level Models”) for the Managed Strategist, SDBA, SMA, VAO or Core Programs as those programs are limited solely to the selection of Models created and managed by TPFPG. Client authorizes TPFPG to rely on the representations made by the Adviser that the Allocation and any risk profiles associated with the Allocation are appropriate for the client. TPFPG is not responsible if an Allocation or risk level is not appropriate for the client based on the Client’s investment objectives.
- Disbursement Authorization - When Disbursement Authorization is granted, the Adviser is authorized to effect changes without first consulting Client as it relates to disbursing funds for further credit to one or more accounts previously identified and approved by Client having the same name and registration as the source account, or by check made payable to Client and delivered to the Client’s address of record on file with TPFPG. (See *Item 15 Custody* for more additional information relevant to disbursements).
- Revoking LPOA – The Client is free to revoke any LPOA granted at any time by providing TPFPG written notice and reasonable time to comply. Client may also revoke disbursement

authorization by contacting the account custodian and revoking any Standing Letters of Authorization. TPFG is not responsible for acting on any instructions received prior to the Client's revocation of the LPOA.

6. Fiduciary Obligations of TPFG and Adviser

TPFG and Adviser will serve as fiduciaries to the Client in accordance with the rules and regulations under the Advisers Act, ERISA, and generally accepted fiduciary principles which permits the allocating of fiduciary duties between fiduciaries. Accordingly, unless prohibited by law, the fiduciary obligations assumed are several between TPFG and Adviser. When TPFG is providing services to Private Clients (See TPFG as Adviser to Private Clients), the services provided to Private Clients, to include any fiduciary responsibilities, shall be viewed in light of the provisions of the Uniform Prudent Investor Act as applicable under governing law.

In acting as a fiduciary, TPFG will be a fiduciary for only those Services for which it is expressly engaged as noted in the IMA, SIS and this brochure, to include, maintaining the various Program(s) and managing the Allocation(s) in accordance with the prescribed investment mandate or in accordance to information and instructions provided to TPFG by the Client or the Adviser. Except when servicing Private Clients, under no circumstances will TPFG be deemed to be providing fiduciary services relating to, and without limitation, the selection, evaluation or appropriateness of any investment options, programs, share class, risk tolerance or other personal advice, whether made available through a Program or elsewhere, were such advice is specific to the needs and objectives of the Client. Client expressly agrees and understands that any and all such fiduciary services specific to the Client are provided by the Adviser and not TPFG. Notwithstanding the foregoing, TPFG may assist the Client and/or Adviser in the performance of other Non-Fiduciary Services but shall not be liable for any liabilities or claims arising thereunder unless directly caused by TPFG's intentional misconduct or negligence, or as may be prohibited by applicable law.

7. ERISA Fiduciary Obligations

To the extent an Account is governed by the Employee Retirement Income Security Act of 1974 ("ERISA"), TPFG and Financial Adviser shall be fiduciaries under Section 3(21)(A) of ERISA only.

8. Terminating the IMA

A Client may terminate the Management Agreement with TPFG by notifying TPFG in writing at its principal place of business or by sending an email to TPFG's Client Services Department at teamcs@TPFG.com. In addition, the Client's Adviser, acting at the direction of the Client, may terminate the Client's Management Agreement in the same manner. TPFG may terminate the Management Agreement by providing the Client with written notice. In addition, the Client has the right to terminate a Management Agreement without penalty within five business days after entering into the Agreement. In all instances of termination, any prepaid and unearned fees will be promptly refunded. In calculating a Client's reimbursement of fees, TPFG will pro rate the reimbursement according to the number of days remaining in the billing period.

9. Assets Under Management

As of March 25, 2020, TPFG's total amount of discretionary assets under management was \$2,336,318,385 and TPFG's total amount of non-discretionary assets under management was \$48,585,771.

Item 5. Fees and Compensation

Clients will pay various fees for the servicing of their account as determined by the Program selected as more fully described herein and in the Statement of Investment Selection and Separate Fee Disclosure. Except for the fees assessed in the Managed Strategists and SDBA Programs, or in situations where the Client has elected to pay the fees from sources other than the account, TPFG may need to liquidate one or more holdings to raise cash to pay the fees. The fees paid are used by TPFG to maintain its operations which include management fees, compensating Advisers for their services, and maintaining the various Programs. Unless otherwise noted here, the fees assessed by TPFG are exclusive of any fees a fund or other investment vehicle may charge as well as any brokerage or account maintenance fees which may be charged by the Custodian. See *Item 12 Brokerage Practices*.

1. Managed Strategists Program and SDBA Program Fees

Clients that participate in the Managed Strategists Program or Self-Directed Brokerage Account Program are investing in models that consist solely of the RiskPro Funds managed by TPFG's affiliate, PFG. The RiskPro Funds pay the following fees which are indirectly paid by the Client as a shareholder of the RiskPro Funds. These fees are internal expenses of the RiskPro Funds and are not negotiable. The fees are assessed against the daily Net Asset Value ("NAV") of each underlying fund and are paid monthly.

As the investment adviser to the RiskPro® Funds, PFG receives advisory fees of up to 1.25% per year, paid by the RiskPro® Funds. In addition, in limited circumstances, where TPFG (as opposed to the Adviser) provides services to shareholders of the RiskPro® Funds, TPFG receives shareholder services fees of up to 0.25% per year.

Further, Advisers receive annual fees of 0.75% for assets invested by Clients. For Advisers that are affiliated with a broker-dealer that agrees to accept Rule 12b-1 fees, the Adviser is paid as follows:

- a. Annual fee of 0.25% paid by the RiskPro® Funds as a Rule 12b-1 fee.
- b. Annual fee of 0.25% paid by the RiskPro® Funds as a shareholder services fee.
- c. Annual fee of 0.25% paid by TPFG from its own resources.

For Advisers that are affiliated with an investment adviser, the Adviser is paid as follows:

- a. Annual fee of 0.25% paid by the RiskPro® Funds as a shareholder services fee.
- b. Annual fee of 0.50% paid by TPFG from its own resources.

At the time that the Client and TPFPG enter into an Investment Management Agreement, the amounts and the sources of all fees paid to the Adviser are fully disclosed in a Disclosure Statement executed by the Client and the Adviser, allowing Client's to make fully informed decisions.

- Conflicts of Interest when Receiving Compensation from the RiskPro Funds - TPFPG's receipt of fees from the RiskPro Funds creates a conflict of interest as TPFPG has an incentive to select the RiskPro Funds for the fees paid to its affiliate. To mitigate this conflict, Clients that participate in the Managed Strategists and SDBA Programs are not charged any additional platform, trading or advisory fees by TPFPG.
- Client Pays Fund Fee Regardless - When participating in the Managed Strategist or SDBA Programs, the Client is investing in one or more RiskPro Funds. As a shareholder of the RiskPro Funds, the internal fund fees are assessed against the fund and indirectly paid by the Client regardless of the services rendered or the particular Model Portfolio selected. Accordingly, if the Client terminates the advisory agreement with TPFPG and/or the Adviser, the RiskPro Funds will continue to assess the fees but the client will no longer be receiving the benefits of the services provided by TPFPG or the Adviser. Because the fees are contained within the RiskPro Funds, Clients are not able to negotiate the fees assessed by the funds. Clients should review the Prospectus for a description of all fees and charges assessed. A copy of the RiskPro Funds prospectus can be found at www.TPFG.com. In addition to the discussion of fees paid by the Client in this disclosure brochure, the amounts and sources of all fees paid by the Client to TPFPG and the Adviser are disclosed in the Separate Fee Disclosure. By evaluating these disclosure documents with the assistance of the Client's Adviser, the Client will be able to make fully informed decisions.

2. Separately Managed Accounts; Core Retirement Optimization; and Variable Annuity Optimization

For Separately Managed Accounts, Core Retirement Optimization and Variable Annuity Optimization Programs Clients pay a management fee to TPFPG and a fee is paid to the Adviser for referring the Client to TPFPG and for other services provided to the Client by the Adviser. The fee schedule is as follows:

Assets Under Management	Annual Fee To TPFPG	Annual Fee to Adviser
\$0 to \$500,000	1.00%	1.00%
\$500,001 to \$3,000,000	0.75%	0.75%
\$3,000,001 to \$5,000,000	0.50%	0.50%
\$5,000,001 to \$10,000,000	0.40%	0.40%
\$10,000,001 and up	Subject to Negotiation	Subject to Negotiation

All fees are based on the value of the Client's account at the beginning of each calendar quarter and are normally billed one quarter in advance. Fees are deducted from the Client's account on a quarterly basis, though the Client has the option of paying the quarterly fees from other sources.

In addition, TPFG assesses a \$40.00 annual administrative fee (deducted at the rate of \$10.00 per quarter) on all Separately Managed, Core Retirement Optimization and Variable Annuity Optimization accounts.

3. EPIC and MMS Program Fees

For the EPIC and MMS Programs, the Client will pay an annual Program Fee that includes a Platform Fee for TPFG services which include TPFG’s Management Services and to cover the cost of administering the platform, and an Adviser fee paid to the Adviser for referring the client to TPFG and for other services provided by the Adviser. TPFG will collect the Program fee and remit the Adviser Fee to the Adviser. The Platform and Adviser fees are negotiated and can be either tiered based on account value or a fixed rate, but the total annual fee paid shall not exceed 1.95% as noted in the table below.

ANNUAL TOTAL EPIC / MMS Program FEES:		
Maximum Platform Fee	Maximum Adviser Fee	Maximum Program Fees ¹
0.45%	1.50%	1.95%

All fees are based on the value of the Client’s account at the beginning of each calendar quarter and are billed one quarter in advance. Fees are deducted from the Client’s account on a quarterly basis, though the Client has the option of paying the quarterly fees from other sources. If the Client terminates the IMA during a quarter, the Client will be rebated the pro-rate remaining portion of the fee paid. The annual fees paid by the Client to the Adviser vary and will not exceed 1.50%. The fees paid to the Adviser are negotiated between the Client and Adviser and are set forth in the SIS. The fees paid by the Client in the EPIC or MMS Programs may be amended by TPFG upon providing the Client with no less than thirty (30) days’ written notice.

Platform Fee Off-Set - In some instances TPFG receives payments from the Strategists or Investment Products it makes available through the Programs. These payments create a conflict of interest as TPFG has an incentive to make available Strategists and/or Investment Products based on the fees received, rather than on the Client’s needs. To mitigate these conflicts of interest, TPFG uses these payments to reduce (or off-set) the Platform Fee paid by the Client to TPFG so that the client is not paying more as a result of the payments received.

Additional Strategist Fee - Strategist are typically paid when the Strategist uses its proprietary funds. Accordingly, the Strategist is compensated from the Internal Fund Expenses charged by the various funds used by the Strategist. Under certain circumstances, a Strategists may charge the Client a separate fee (the “Strategist Fee”) for managing a Model or allocation. This typically occurs when the Strategists is managing investments that are not proprietary or do not pay Internal Fund Expenses to the Strategist. In such instances, the Strategist Fee will be assessed against the account and TPFG will collect the fee on behalf of the Strategist and remit the fee to the Strategist. The annual Strategist Fee shall not exceed 1.00% annually of the Client’s Assets allocated to the Strategist. The Strategist Fee is based on the pro-rata period of time the Client’s

¹ See Additional Strategist Fee disclosure.

Assets were invested in the strategy. TPFG may need to liquidate securities to raise requisite funds to pay the Strategist Fee on behalf of the Client. The amount of the annualized Strategist Fee is in addition to the Program Fee and is disclosed to Client when the Strategist is selected. The Strategist Fee may be amended by the Strategist, upon providing the Adviser and Client with no less than thirty (30) days' written notice. The Adviser is responsible to ensure appropriate disclosure of the Strategist Fee to the Client. TPFG does not participate in or receive any portion of the Strategist Fee.

3. Additional Fee Information

Other fees may apply - Other than for the RiskPro Funds as used in the Managed Strategist and SDBA Programs, all fees paid by Clients to TPFG and to the Adviser are separate and distinct from the fees and expenses charged by the underlying investment vehicles to include without limitation mutual funds, ETFs or variable annuity sub-accounts (collectively, "Underlying Funds"). The fees and expenses of the Underlying Funds are described in each Fund's prospectus or other disclosure document. These fees typically include a management fee, in some instances a shareholder services and/or distribution (Rule 12b-1) fee, and other expenses of the Underlying Funds. If an Underlying Fund imposes sales charges, the Client may pay an initial or deferred sales charge. Further, the fees described in this Section are separate from any other fees and expenses charged by other parties, including brokerage, custodian, and other transaction costs. For more information about brokerage costs, see *Item 12, Brokerage Practices*.

Client could invest for less - A Client could invest directly in an Underlying Fund without paying the fees charged by TPFG or the Adviser. In such a case, the Client would not receive the services provided by TPFG or the Adviser which are designed, among other things, to assist the Client in determining which of TPFG's Investment Programs and which investment products are most appropriate relative to the investment needs and objectives of the Client. Accordingly, the Client should review the fees charged by the Underlying Funds and the fees charged to participate in a TPFG Program to understand the total amount of fees to be paid by the Client so as to evaluate the services being provided and to make an informed decision. The Client should also consider any fees paid to the Adviser and the services provided by the Adviser.

Householding and Reduced Fee - Where fees are deducted from the Client's account, such as in SMAs, the EPIC Program, Core Retirement Optimization and Variable Annuity Optimization, various related Client accounts may be grouped together to qualify for reduced fees ("Householding"). Householding applies to Clients that are part of the same family. SDBA and Managed Strategist accounts are not eligible for Householding. Householding is not automatic and must be established by providing TPFG written instructions which are subject to TPFG's acceptance. TPFG is not always able to household accounts. Some Client accounts are being managed by TPFG at a reduced charge or at no charge. All Client fees may be amended from time to time by TPFG with written notice.

Item 6. Performance-Based Fees & Side-By-Side Management

It is the policy of TPFG that it will not charge performance-based fees.

Item 7. Types of Clients

TPFG provides advisory services to individuals, including retirement plan participants and owners of individual retirement accounts, as well as pension and profit-sharing plans, trusts, estates, charitable organizations, corporations and other business entities.

TPFG requires the following minimum dollar value of assets for starting an account:

Program	Minimum Fee
Managed Strategist Program	No minimum ²
Separately Managed Accounts	\$100,000 minimum (Schwab, Fidelity and Pershing) \$50,000 minimum (TD Ameritrade)
EPIC and MMS Programs	\$25,000 minimum
Core Retirement Optimization	No minimum
Variable Annuity Optimization	\$10,000 minimum

For the Epic and MMS Programs, in the event that the balance of a Client's account falls below the minimum account size due to withdrawals or inadequate capitalization by the Client, TPFPG reserves the right, in its sole discretion, to remove the Client from that Program's Investment Product any time the balance of the account is below the minimum. Further, for Clients using a Unified Managed Account, the minimum initial account size for each Investment Product held within that account will apply.

TPFG can waive the minimum amount requirements at their sole discretion unless otherwise prohibited.

Item 8. Methods of Analysis, Investment Strategies & Risk of Loss

TPFG uses the following methods of analysis and investment strategies to determine which securities to buy, sell or hold:

1. **Rational Analysis**TM.

We blend Fundamental, Technical and Quantitative Analysis into a blended proprietary approach we describe as Rational AnalysisTM.

Fundamental analysis. We attempt to measure the intrinsic value of a security by looking at economic and financial factors (including the overall economy, industry conditions, and the financial condition and management of the company itself) to determine if the company is underpriced (indication it may be a good time to buy) or overpriced (indicating it may be time to sell). Fundamental analysis does not attempt to anticipate market movements. This presents a potential risk, as the price of a security can move up or down along with the overall market regardless of the economic and financial factors considered in evaluating the stock.

² TPFPG does not establish account minimums though some plan sponsors/administrators will.

Technical analysis. We analyze past market movements and apply that analysis to the present in an attempt to recognize recurring patterns of investor behavior and potentially predict future price movement.

This style of analysis does not consider the underlying financial condition of a company. This presents a risk in that a poorly-managed or financially unsound company may underperform regardless of market movement.

Our technical analysis also includes the following:

- Cyclical analysis: In this type of technical analysis, we measure the movements of a particular stock against the overall market in an attempt to predict the price movement of the security.
- Charting: In this type of technical analysis, we review charts of market and security activity in an attempt to identify when the market is moving up or down and to predict when how long the trend may last and when that trend might reverse.

Quantitative analysis: We use mathematical models in an attempt to obtain more accurate measurements of a company's quantifiable data, such as the value of a company's share price or earnings per share and predict changes to that data.

A risk in using quantitative analysis is that the models used may be based on assumptions that prove to be incorrect.

2. RiskPro®

TPFG uses RiskPro® software, an on-line tool developed by TPFG's affiliate, ProTools, Inc. to manage a portfolio's level of investment risk. RiskPro provides an estimate of the maximum range of gain or loss of a portfolio of securities over a forward-looking rolling twelve-month period. The higher the estimate, the greater the level of volatility that a portfolio may experience over a twelve-month period. RiskPro's algorithms consider, among other factors, the volatility of the portfolio over the prior twelve months; a comparison of the portfolio's volatility over the prior twelve-month period, to the volatility of the S&P 500 Index; and the long-term volatility of the S&P 500 Index.

IMPORTANT: The projections or other information generated by RiskPro regarding the likelihood of various outcomes are hypothetical in nature, do not reflect actual investment results and are not a guarantee of future results. RiskPro does not consider (i) fees and expenses, such as advisory, custodial and other expenses; (ii) the impact of active management; or (iii) the potential impact of extreme market conditions. As a result, actual results may differ significantly. RiskPro does not provide investment advice or recommendations to purchase specific securities or specific portfolios.

3. Investing Involves Risk

TPFG's goal is to recommend or construct portfolios for Clients that will enable Client assets to grow over time. Investments in securities, however, involves risk and Clients may lose money on their investments to include the total loss of principal. There is no guarantee that any investment strategy will be successful. TPFG cannot provide any assurance that any investment in securities will provide positive returns over any period of time.

TPFG’s analysis of securities relies on the assumption that the securities it purchases and sells, the rating agencies that review these securities, and other publicly-available sources of information about these securities, are providing accurate and unbiased data. While we are alert to indications that data may be incorrect, there is always a risk that our analysis may be compromised by inaccurate or misleading information.

4. Underlying Fund Concentration Risk

The Managed Strategist Program and SDBA programs consists of models made up of the RiskPro Funds. For several of the RiskPro Funds, at least 80% of the Fund’s net assets are advised by a single asset manager which concentrates the decision and asset management decisions to a single entity which can potentially increase the investment risk of the Fund.

Item 9. Disciplinary Information

Our firm has no reportable disciplinary events to disclose.

Item 10. Other Financial Industry Activities and Affiliations

1. Registered Representatives of Unaffiliated Broker-Dealers

Nicholas Scalzo is a registered representative of Capital Investment Group, Inc. (CRD# 14752) (“CIG”), a non-affiliated broker-dealer and a member of the Financial Industry Regulation Authority (“FINRA”). Nicholas Scalzo may receive compensation, commissions and/or trailing 12b-1 fees from CIG for services provided to CIG’s brokerage clients. However, Nicholas Scalzo does not receive any compensation, commissions and/or trailing 12b-1 fees relating to services provided to TPF’s Clients through CIG.

2. Pacific Financial Group, LLC (“PFG”)

PFG is an SEC registered investment adviser that is under common control with TPF, as both companies are wholly-owned by Pacific Holdings Group, LLC. PFG serves as the investment adviser to the RiskPro Funds and receives advisory fees for managing the Funds. TPF uses the RiskPro Funds as building blocks for Portfolios in TPF’s Managed Strategists Program. As a result, TPF Clients that participate in the Managed Strategists Program are shareholders of the RiskPro Funds, as well as advisory clients of TPF. The receipt of investment advisory fees by PFG from the RiskPro Funds, and the receipt by TPF of shareholder servicing fees paid by the RiskPro Funds, create a conflict of interest as TPF has an incentive to use the RiskPro Funds when creating model allocations.

To mitigate these conflicts, Clients that participate in the Managed Strategists or SDBA Programs are not charged any additional advisory fees by TPF for providing advisory services. All advisory and other fees paid to TPF are fully disclosed in the Client’s Investment Management Agreement, the SIS, the RiskPro Funds’ Prospectus, and TPF’s ADV Part 2A (this brochure), allowing Client’s to make fully informed decisions. For additional information about these fees, the resulting conflict of interest and mitigation of the conflict, see *Item 5, Fees and Compensation*.

3. The EPIC and MMS Programs

In many instances, TPFG receives payments from Strategists or from Investment Products, in connection with making the Strategists or product available on the Platform. These payments create a conflict of interest as the amounts received by TPFG provide an incentive for TPFG to make available those Strategists and Products based on the fees received, rather than on the Client's needs. To mitigate these conflicts of interest, TPFG uses these payments to reduce the Platform Fee paid by the Client so that the Client does not pay as a result of the payments made. For additional information about these fees, the resulting conflict of interest and mitigation of the conflict, see *Item 5, Fees and Compensation*.

4. RiskPro® and ProTools, Inc.

ProTools, Inc. ("ProTools") is a technology company that is under common control with TPFG, as both companies are wholly owned by Pacific Holdings Group, LLC. ProTools is the developer of RiskPro®, a software platform that is used to analyze the risk of a portfolio of securities and to assist in the creation of investment proposals which can include one or more strategist or investment products that pay to be featured on the platform. The payment creates a conflict of interest as RiskPro has an incentive to make available those products that pay over those that do not. These conflicts are mitigated in that TPFG will reduce the platform fee charged by the amount TPFG is paid by so that no Client is paying more as a result of the payment

Item 11. Code of Ethics, Participation in Client Transactions and Personal Trading

1. Code of Ethics

TPFG adopted a Code of Ethics that is designed to ensure that all TPFG employees:(i) conduct themselves with integrity at all times; (ii) place the interests of Clients ahead of the interests of TPFG or their own personal interest; (iii) act in accordance with their fiduciary duty owed to each Client, including their duty of loyalty, fairness and good faith towards each Client; and (iv) disclose to Clients any material conflicts of interest. The Code of Ethics was developed to provide general ethical guidelines, as well as specific instructions to employees. It is the obligation of employees to adhere not only to the specific provisions of the Code, but also to the general principles that guide the Code.

The Code of Ethics covers a range of topics that include: general ethical principles; reporting personal securities trading; initial public offerings and private placements; gifts and entertainment given by, or provided to, TPFG and/or employees; outside employment activities; reporting ethical violations; review, enforcement and supervisory procedures; sanctions for violations of the Code; and records retention requirements for various aspects of the Code. To obtain a copy of TPFG's Code of Ethics, please contact TPFG's Compliance Department by telephone at 866 583-8734 or by email at Compliance@TPFG.com.

On an annual basis, employees are required to acknowledge, in writing, that they are familiar with the requirements set forth in the Code and that they acted in accordance with those requirements.

2. Personal Trading

Personal trading by employees is monitored by TPFG's Compliance Department to ensure that all personal trading is consistent with SEC Regulations and the Code. Duplicate statements and/or trade confirmations are received and maintained by the Compliance Department. In addition, employees complete a quarterly Personal Trading report. Through this process, conflicts between employees and the investment management provided to Clients can be identified and resolved. Under Section 204A of the Investment Advisers Act of 1940, employees are not required to report transactions in open-end mutual funds or open-end ETFs, other than underlying funds of the RiskPro Funds.

Subject to reporting requirements and any conflicts of interest that may be identified by TPFG's Compliance Department, employees are permitted to transact in the same securities as TPFG Clients or the underlying funds of the RiskPro Funds; provided, however, that employees may not knowingly purchase or sell a security to the disadvantage of a Client.

Item 12. Brokerage Practices

1. Client selects brokerage Services

For TPFG Investment Programs, the Client selects the firm that will provide brokerage and custodial services to the Client. For the SDBA, Core and VAO accounts, brokerage services are provided by the particular retirement plan or annuity company. Under these circumstances, the brokerage services provided, and any fees charged to the Client, is determined by the sponsor.

For all other Programs, the Client selects the custodian and brokerage services to be provided to include the execution of trades, record keeping and custodial services, for a fee agreed upon by the Client. These fees can be asset based (assessed against the total assets in the account) or transaction based (charged per transaction in the account). TPFG does not participate in the selection of the brokerage services to be provided, nor does it share in any of the fees assessed for brokerage services. All costs associated with brokerage services are separate and distinct from any fees assessed or charged by any of the services provided through TPFG.

TPFG is not able to provide its services through all brokerage platforms as such, Clients may not be able to receive the most favorable cost when TPFG executes transactions in Client accounts. This can cause the Client to pay more for brokerage services.

2. TPFG will aggregate trades when possible

TPFG will aggregate or "block" trades of securities that are taking place at the same time and through the same clearing firm for the same security. When aggregating trades, clients will receive the average prices of all trades executed through the custodian so that no Client will be favored over any other Client.

3. Other benefits provided by brokerage firms.

TPFG does receive from several brokerage firms, without cost, support services and/or products that support TPFG in servicing clients whose accounts are serviced by the brokerage firm. Support Services are provided by Schwab Advisor Services, a division of Charles Schwab & Co., Inc. (“Schwab”), Fidelity Institutional Services (“Fidelity”), TD Ameritrade Institutional (“TD Ameritrade”) and Pershing Advisor Solutions (“Pershing”). The Support Services received by TPFG include, among other items, software and other technology that:

- Provide access to Client account data (such as trade confirmations and account statements);
- Facilitate trade execution and allocate aggregated trade orders for multiple Client accounts;
- Provide research, pricing and other market data;
- Facilitate payment of TPFG’s fees from Clients’ accounts; and
- Assist with back-office functions, and reporting for Clients.

4. Best Execution

In executing trades on behalf of its Clients, TPFG seeks to fulfill its duty of best execution by executing trades in such a manner that the total cost in each transaction is most favorable under the circumstances. TPFG reviews at least quarterly the quality of execution Clients receive and compares the quality of execution across brokerage firms servicing Client accounts as well as against the markets generally.

5. Payment for brokerage transactions “Soft Dollars”

Some brokerage firms will provide payments to firms that direct securities transactions to the brokerage firm (“Soft Dollars”). TPFG does not receive soft dollar payments from Client brokerage transactions. However, when advising the RiskPro Funds, PFG as adviser to the RiskPro Funds directs all of the PFG Fund trades to a single broker-dealer, Ceros Financial Services, Inc. (“Ceros”) and PFG receives Soft Dollars. Since TPFG benefits from PFG’s use of soft dollars, TPFG participates in PFG’s periodic soft-dollar reviews, analyzing commissions and services provided by Ceros and comparing them to commissions and services that might be available by other broker-dealers.

Soft Dollars are used to pay for research and other account management services in accordance section 28(e) of the Investment Company Act and are designed to augment the cost of internal research. Soft dollar benefits include research and products provided by third parties and paid for by commissions generated from the RiskPro Funds. The services provided will benefit other accounts and clients not invested in the RiskPro Funds. TPFG monitors the receipt and usage of Soft Dollars to ensure the credit and expenditures are equitably used across the business.

The receipt of Soft Dollars provides a benefit to TPFG to the extent that TPFG does not have to produce such products internally or compensate third-parties from its own resources. Services paid with Soft Dollars includes without limitation:

- Earnings information and estimates
- Stock quote systems
- Trading systems
- Data feeds from stock exchanges
- Software programs for analysis and research
- Market data
- Seminars or conferences relating to issuers, industries or securities
- Trade magazines and technical journals
- Proxy services
- Quantitative analytical software
- Pre-trade and post-trade analytics

Item 13. Review of Accounts

1. Investment Programs

TPFG offers Investment Programs that include a variety of different Model Portfolios (“Models”) which are managed to different ranges of risk, investment discipline, and subject to Client restrictions or special instructions. TPFPG continually reviews the Models to ensure they adhere to the Model’s stated investment policy. TPFPG uses RiskPro to manage risk and will further monitor Model allocations using its proprietary Rational Analysis™. see *Item 8, Methods of Analysis, Investment Strategies and Risk of Loss*

For the Managed Strategists Program, TPFPG develops and manages Models consisting of the RiskPro Funds. The adviser to the RiskPro Funds continually monitors the funds for adherence to the investment discipline as stated in the particular fund’s prospectus. In turn, TPFPG continually monitors the Models. The Separately Managed Account Models are also continually monitored by TPFPG. For the non-tax managed Models, priority is given to avoiding income taxes or harvesting losses at a Client’s request. For the EPIC and MMS Programs, TPFPG continually monitors the Strategists and Investment Products. TPFPG will make changes in its sole discretion to a Strategists or Investment Products (such as a decision to add a new Strategist or eliminate an existing Strategist) and will also implement any rebalancing in accordance with the mandates of the Strategist or Investment Product.

For Core Retirement Optimization and Variable Annuity Optimization Models, TPFPG continually monitors the Portfolios in each Investment Program and rebalances or changes the Portfolios as mandated by the Portfolio’s investment policy.

2. Client Accounts

TPFG’s review of Client accounts is limited to ensuring that Client holdings are consistent with the Client’s Risk Profile and any special instructions provided by the Client. Tax Managed SMAs are also reviewed for tax purposes.

The Client's Adviser is responsible to monitor the Client's financial circumstances, investment objectives and risk tolerance, and report any changes to TPFG. The Adviser also reviews the investment products in each Client's account, to ensure that the products are, and remain, consistent with the Client's investment circumstances. In this regard, though TPFG monitors the construction of the Models and Programs it makes available, the Client's Adviser is ultimately responsible for ensuring that any recommended Programs and allocations remain appropriate based on the Adviser's knowledge of the Client's investment needs and objectives to include without limitation, the Client's appetite for risk and investment timeline.

To support the Adviser's review of Client accounts, TPFG provides quarterly statements in addition to the statements provided by the Account custodian. The TPFG reports identify all transactions, holdings, values and account performance in addition to asset classes, benchmarks and fees charged. The TPFG reports are provided as a courtesy and should not be used to substitute the statements provided by the account custodian. Any discrepancies between the TPFG Report and custodial statement should be directed to the custodian and/or TPFG.

Item 14. Client Referrals and Other Compensation

TPFG works with independent and unaffiliated registered investment advisers whose Investment Adviser Representatives ("IAR" or "Adviser") refer Clients to TPFG. TPFG will compensate the Adviser for the referral. At the time the Client enters into an Investment Management Agreement, Clients are provided a Separate Fee Disclosure in accordance with Rule 206(4)-3 of the Investment Advisers Act of 1940, which sets forth the amounts and sources of fees paid to include the amount paid to the Adviser.

TPFG also receives fees from one or more strategists or investment products offered through the various TPFG Programs. This additional compensation creates a conflict of interest in that TPFG has an incentive to select those strategist and products that pay additional compensation over those that do not. To mitigate these conflicts, TPFG will reduce the amount of fees paid by the Client by the amount received by the Strategist or product. For additional information about compensation received in connection with each of TPFG's Programs, see *Item 5, Fees and Compensation*.

Item 15. Custody

As a matter of policy and practice, TPFG does not accept or maintain custody of Client Assets and will not accept, and will at all times endeavor to avoid holding, whether directly or indirectly, Client Assets, or have any authority to obtain possession or control over Client Assets. Notwithstanding the foregoing, TPFG will be deemed to have custody as a result of clients granting TPFG the authority to debit advisory fees and to facilitate the distribution and/or transfer of client funds as provided for in the relevant limited power of attorney.

1. Debiting of Fees

When authorized by the Client to debit advisory fees from Client accounts, TPFG is deemed to have custody of Client assets to the extent that TPFG is authorized to instruct Custodians to deduct the fees.

2. Distributions and Standing Letters of Authorization (SLoA)

When the TPFG is granted the authority to effect transactions other than trading within an account, even when authorized by the Client, TPFG will be deemed to have custody in that the authorization permits TPFG to withdraw funds from the Account. When facilitating transfers or distributions, TPFG requires the client to complete and sign the qualified custodian's Standing Letter of Authorization ("SLoA") which will identify the timing of distributions/transfers, the recipient, the account from which funds are to be transferred, and the account/address for which the funds will be directed. The client can terminate the SLoA at any time.

3. Clients should review qualified custodian statements

The qualified custodian for each Client's account holds the Client's securities and funds. On at least a quarterly basis or for any month for which there is a transaction in the Account, the qualified custodian is required to send to the Client a statement showing all transactions within the account during the reporting period. The statement will show any fees deducted from the account and any transfers in or out of the account. It is important for Clients to review carefully their custodial statements to verify the accuracy of the information included in those statements. Clients should contact TPFG or the account custodian directly if they believe there may be an error in their statement or that an unauthorized transaction occurred.

In addition to reports provided by the qualified custodian, TPFG sends Clients a quarterly statement that includes an account summary, identifying transactions, holdings and values, along with the fees assessed for the applicable period. In order to ensure that all account transactions, holdings and values are correct and current, TPFG urges Clients to compare TPFG's statements with the statement sent by the qualified custodian.

Item 16. Investment Discretion

1. Discretionary Accounts

When selecting TPFG to manage the Client's accounts, the Client enters into a discretionary Investment Management Agreement and Statement of Investment Selection which authorizes TPFG to execute trades and engage in other activities for the benefit of the Account in accordance with the Program selected without first consulting the Client. The discretion granted is limited in that TPFG is only authorized to execute transactions in support of the Investment Program selected. Accordingly, TPFG is only able to effect trades to buy or sell securities within the stated discipline of a Model or Strategist, or to add or remove a Strategist provided that such change does not materially alter the stated discipline selected by the Client.

The Client may also grant a Limited Power of Attorney ("LPOA") to the Client's Adviser. Under the LPOA, the Client grants to the Adviser the authority to direct TPFG to take action for the account without first consulting the Client. See *Item 4 Advisory Business*, "Limited Power of Attorney". In addition, under the EPIC or MMS Programs, the Client may grant to the Adviser the ability to construct customized models ("Practice Level Models") and the Client grants to the

Adviser the discretionary authority to manage, trade and modify the Practice Level Model without first consulting with the Client.

Any discretion granted by the Client may be revoked by the Client at any time. If discretion is revoked, TPFPG may not be able to provide its Programs or services to the Client.

2. Non-Discretionary Accounts

Under limited circumstances, a Self-Directed Brokerage Account, variable annuity company, or other product sponsor, will not allow third parties such as TPFPG to transact in the account on behalf of the Client (“Non-Discretionary Accounts”) which limits the services TPFPG can provide under the Investment Management Agreement. For Non-Discretionary accounts, TPFPG will only provide to the Client, or the Client’s Adviser, a recommended Model allocation or periodic changes to the selected Model. The Client is then responsible for executing the trades through the custodian, program sponsor, or plan administrator and for ensuring the allocation changes are properly implemented. Because TPFPG is not able to be assigned to the account, TPFPG is not able to see any other transactional activity such as accumulated cash resulting from contributions to the account. It is the Adviser’s responsibility to assist the client in reviewing the account so as to ensure the model allocation as provided by TPFPG is implemented. Furthermore, because TPFPG is not able to transact in the account, TPFPG is not able to debit the program fees for the account so that the fees must be paid from other sources. In the event that any fees are not paid when due, TPFPG in its sole discretion will terminate the IMA. The limited services provided to Non-Discretionary accounts are more fully described in the appropriate program’s Statement of Investment Selection which is incorporated into the IMA by reference.

Item 17. Voting Client Securities

TPFPG does not have the authority to vote Client securities (proxies) on behalf of the Client. As such, TPFPG has no obligation to take any action or render any advice with respect to the voting of proxies solicited by or with respect to issuers of securities held in a Client’s account. Each Client will have the obligation to vote proxies in their own account. Clients should consult with their Adviser as to appropriate action to take with respect to any proxy materials received. In the event TPFPG changes its practice, TPFPG will revise its policy to ensure its proxy voting practices comport with applicable regulations and that such voting is in the client’s best interest.

Item 18. Financial Information

Under no circumstances do we require or solicit payment of fees in excess of \$1,200 per account and more than six months in advance of services rendered. Therefore, we are not required to include a financial statement.

ADV 2B Brochure Supplements

Part 2B of Form ADV: Brochure Supplement

Jennifer L. Enstad, CFA®

The Pacific Financial Group, Inc.
777 108th Avenue Northeast, Suite 2100
Bellevue, Washington 98004
800.735.7199 Or 425.451.7722

March 30, 2020

This brochure supplement provides information about Jennifer L. Enstad that supplements The Pacific Financial Group, Inc. brochure. You should have received a copy of that brochure. Please contact the TPFPG Compliance Department at 800.735.7199 or Compliance@TPFG.com if you did not receive The Pacific Financial Group, Inc. brochure or if you have any questions about the contents of this supplement. Additional information about Jennifer L. Enstad is available of the SEC's website at www.adviserinfo.sec.gov.

Item 2. Educational Background and Business Experience

- Jennifer L. Enstad, CFA®, Chief Investment Officer
- Born: 1970

Education:

- University of Washington, Seattle, WA
- BA Business with a concentration in Finance (2002)

Business Background:

- The Pacific Financial Group, Inc., Bellevue, WA, Chief Investment Officer, January, 2018 - Present
- The Pacific Financial Group, Inc., Bellevue, WA, Senior Portfolio Manager, January, 2017 – January, 2018
- The Pacific Financial Group, Inc., Bellevue, WA, Portfolio Manager, March, 2006 – January, 2017
- The Pacific Financial Group, Inc., Bellevue, WA, Assistant Portfolio Manager, 2004 – March, 2006
- The Pacific Financial Group, Inc., Bellevue, WA, Analyst, 2002 – 2004
- The Pacific Financial Group, Inc., Bellevue, WA Head Trader, 1995 – 2002
- The Pacific Financial Group, Inc., Bellevue, WA, Administrative Assistant, 1990 – 1995

Current Securities Examinations and Licenses:

- Series 65 - Investment Adviser Representative

Certifications:

- Chartered Financial Analyst (CFA®) (2010) - The CFA program is a self-study graduate program consisting of three exam levels and takes on average four years to complete (on average 300 hours preparing for each level). Candidates must also have 48 months of qualified work experience of which at least 50% must be directly involved in investment decision making or producing a product that impacts the investment decision making process.

Item 3. Disciplinary Information

- Ms. Enstad does not have any history of disciplinary events.

Item 4. Other Business Activities

- Ms. Enstad is a member of the Pacific Financial Group portfolio management team, an affiliate of TPFPG and does not engage in any other investment-related business or occupation not affiliated with TPFPG.

Item 5. Additional Compensation
